

TYPHOON

1967

FOREWORD

If we are to think of our lives as a moment in eternity, then our years at Milford can only be a brief interlude in that moment. An interlude that passes altogether too quickly and vanishes. As schoolboys we often fail to realize the joys, victories and sometimes sadness of life at the Academy can never be recaptured. They are peculiar to this moment only.

When we leave Milford we may take with us only memories and a chronicle of that brief interlude, our yearbook. Tragically though, time works to dim those memories. We may forget the life we once thought we knew so well. Our yearbook then is our only tangible link with the past. If in some future year an alumnus should pick up his copy of the 1967 TY-PHOON and relives those lost moments at Milford, then it can be said that this publication was a success.

Mr. Francis D. Doherty

DEDICATION

In our modern high pressure academic world it is difficult to find a true educator. There are those who develop the mind but disregard the rest of the individual. There are also teachers who fail even at developing the mind. The rare man is the one who seeks to develop the total person; that is the mind and the spirit. This man is wanted by all but is tragically uncommon. He is the educator.

Nothing speaks more for the educator than his devotion to student and school. He adds to the success of the school by his individual contributions to the development of more competent students. Students who will later in life realize the great gift this man has given them.

It is in this realization then that the Class of 1967 dedicates this yearbook to Mr. Francis D. Doherty, a man who has embodied all the qualities of a great educator.

Mr. Samuel Shapiro

TRIBUTE

The passing of Mr. Samuel Shapiro this past Winter represented a great loss to the faculty and students of the Academy. In his years at the school, few men demanded more respect than Mr. Shapiro. It was a respect born out of devotion to a man who enjoyed teaching and being with the younger generation. Mr. Shapiro once said that he considered teaching his retirement and the boys who knew him well cannot deny his concern for the students. It was for this complete involvement that Mr. Shapiro will never be forgotten by the Academy.

MILFORD ACADEMY
MILFORD, CONNECTICUT

RAYMOND D. KALLSTROM
HEADMASTER

Congratulations to the editors and staff of the "Typhoon" for presenting an excellent summary of this year's events in the publication of the 1967 edition. In future years this yearbook should become more valuable as it presents to the alumnus a memorable review of his days at the Milford Academy.

I extend to this year's graduates my personal best wishes for every success in college and in the years that follow. The Academy sincerely hopes that in these formulative years of your secondary education, the Milford student has acquired knowledge and wisdom which will prove invaluable in future years.

As an alumnus, the Milford graduate can continue a close relationship with the Academy by contributing to the school's future development as an active, lifetime member of the Alumni Association.

Most sincerely yours,

Raymond D. Kallstrom

SENIORS...

BARRY AARONS

Soccer Manager 4; Wrestling Manager 4; Track Manager 4.

Barry is the youngest senior in the class. His fine academic record and superior board scores have accounted for his being accepted at the University of Arizona, his first choice. Barry is always wearing a smile and has a kind word for everyone. These are just a few parts of a fine personality which has made him many friends in his first year at the Academy. Along with his excellent scholastic record he has done an outstanding job as manager of both soccer and wrestling teams. His immediate pastimes are playing the drums and Jeanne. We hope that Barry will find success and happiness.

Seniors

RICHARD ACKERMAN

Baseball 1; Secretary Sophomore Class 2; Wrestling 3; Spanish 3; Math Club 3; School Newspaper 4; Treasurer Senior Class 4.

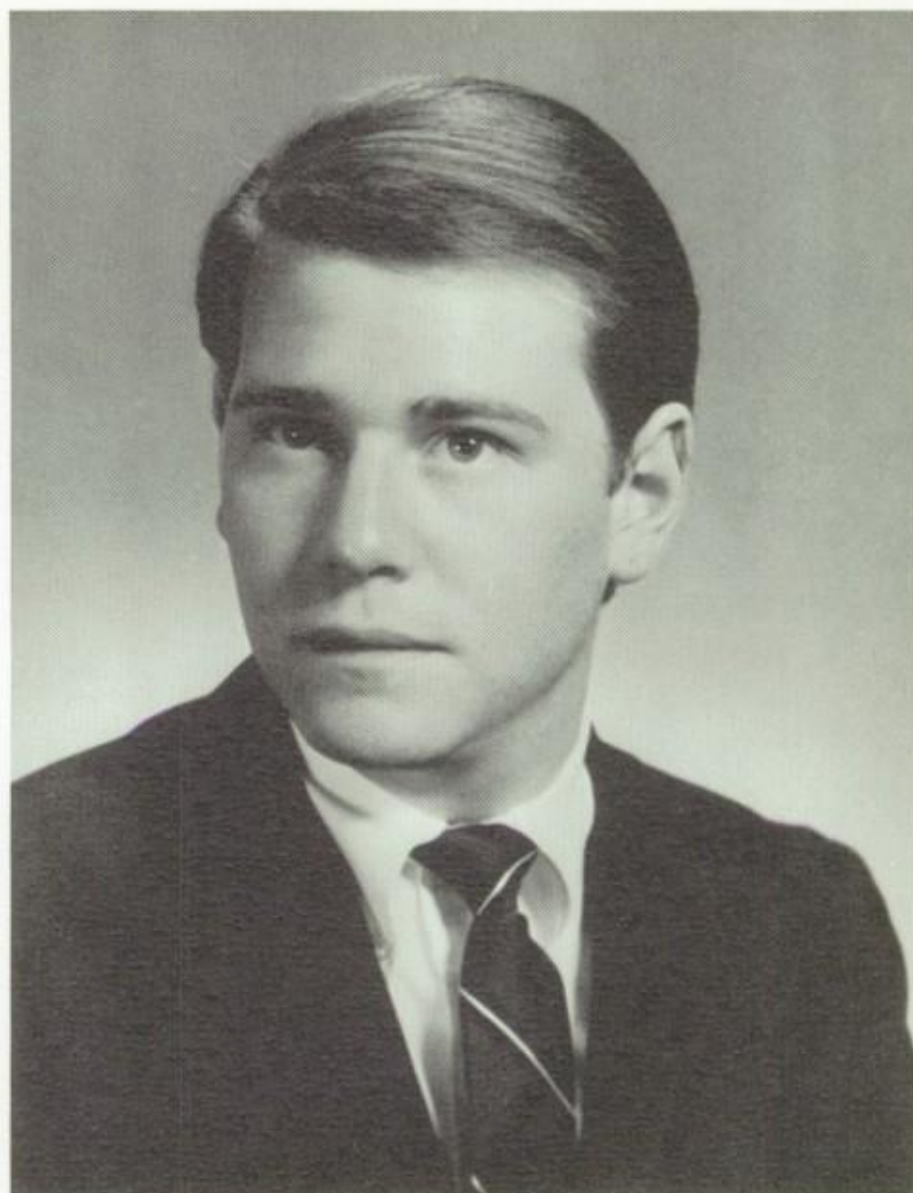

Rich is one of the four year men at the Academy. During these four years he has proven to be stable regardless of any situation. He is most noted for his desire to eat at 3 A.M. and studying for history exams. The Waldorf Cafeteria will surely miss him, as everyone else will on campus. Rich hopes to attend Syracuse University. We wish him all the success.

DAVID ALPER

Library Prefect 3; Band 3, 4; Cross-Country Manager 4; Prefect 4; Student Council 4; Track 4; Yearbook 4; Prom Committee 4.

"Tiajuana Dave" hails from anywhere the action is. One minute he will be found walking through Great Neck, the next minute he will be drumming in Miami. He is an avid musician and spends most of the time practicing the drums. His favorite personalities are Wayne Cochran and the C. C. Ryders, who he thinks are the greatest. In all seriousness Dave has gained many friends during his stay at Milford. We wish him luck in engineering, his chosen field.

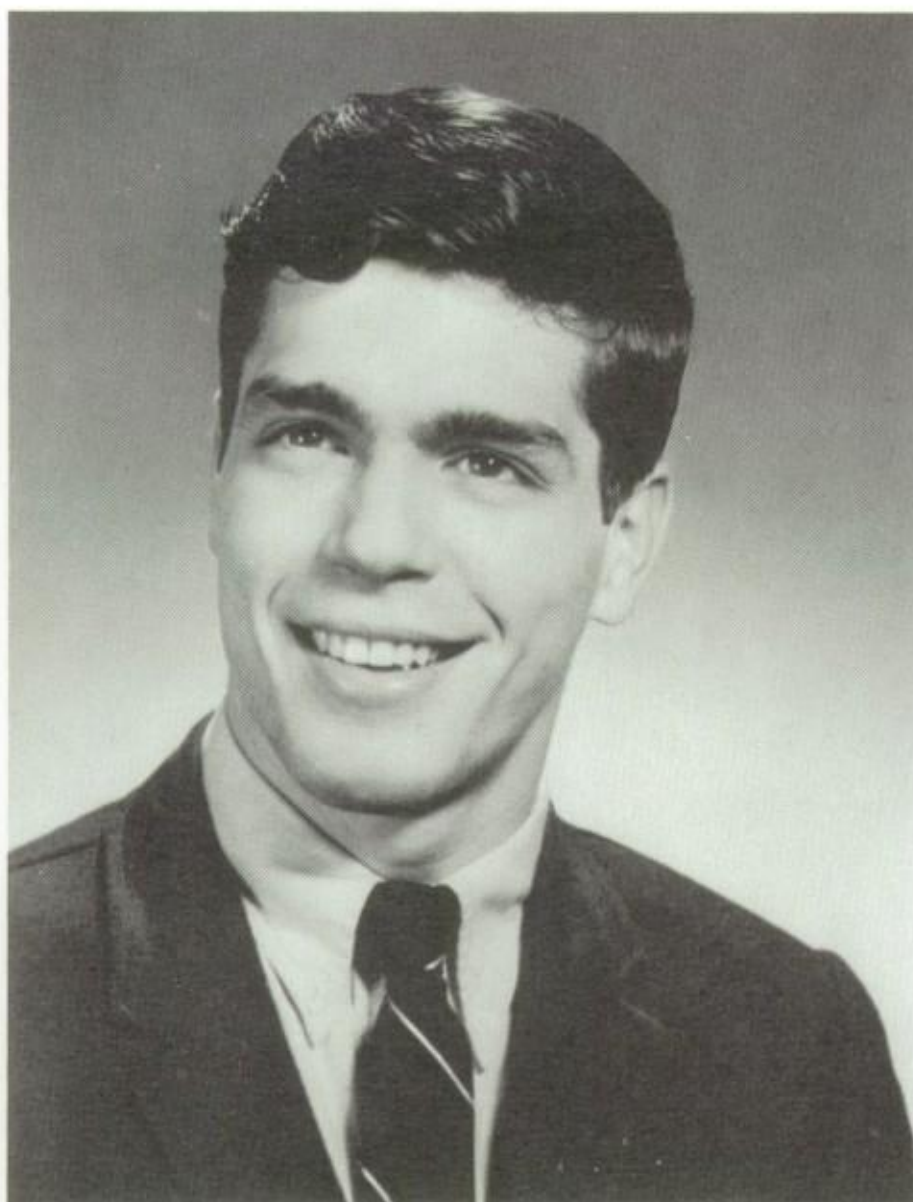

class of 1967

DAVID ALPERT

Debating Society 3, 4; Wrestling Manager 3; History Club 3; Prefect 4; Secretary of Senior Class 4; Chairman of Grounds Committee 4; Circulation Editor of School Newspaper 4.

Dave is usually seen keeping track of people cutting work detail or loafing. He was placed in charge of work detail this year, a job that takes both time and patience. He has proven himself most capable. He also displays interest in politics and although he is biased, he will argue with most people at any time, including Mr. Squibb and Ney. Dave's ambition this year was fairly difficult. He would like to convert Mr. Squibb into a Democrat. We wish him good luck. ("He'll need it.") The school will greatly miss him next year as he will be matriculating at American University.

ALBERT AMBROGI

Wrestling Team 4; Dramatics Club 4; Folk Club 4.

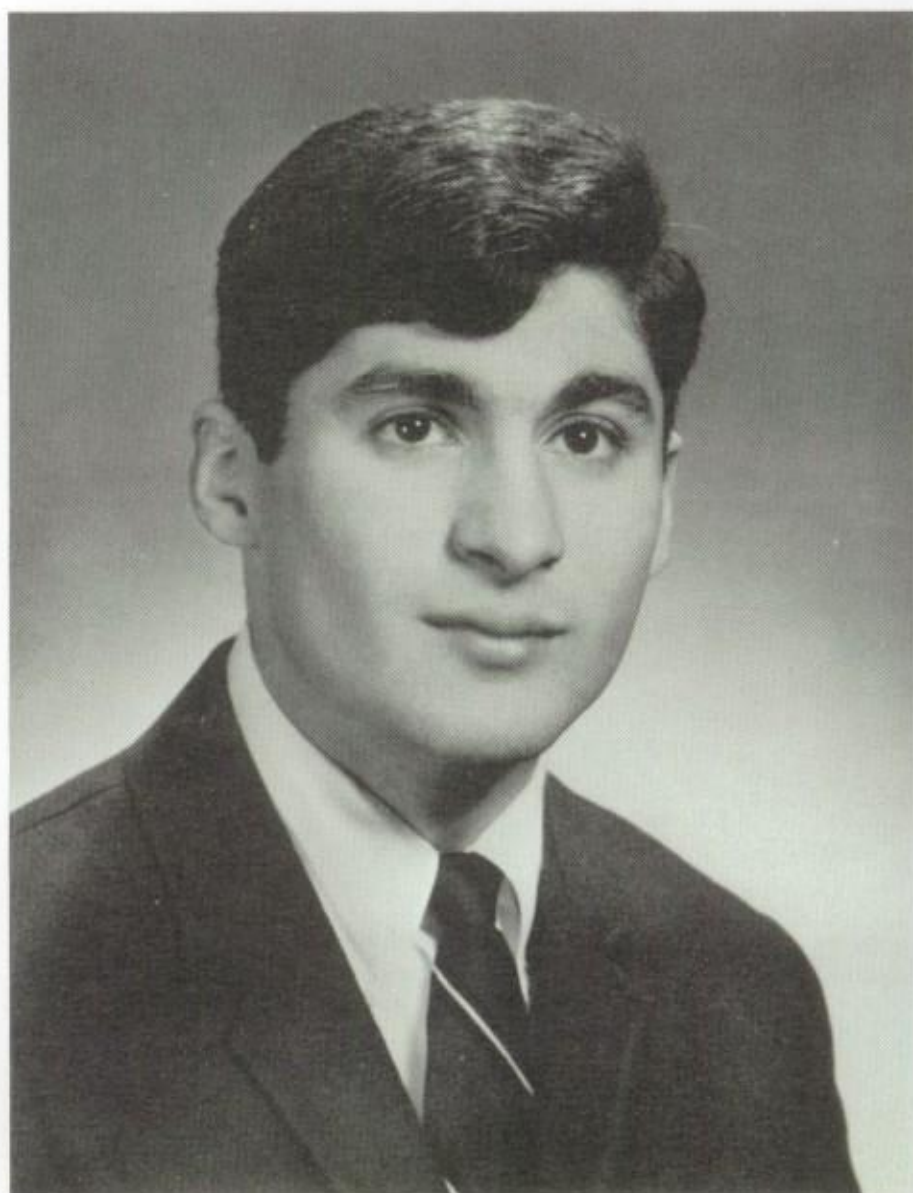

"Albie" was chosen a prefect his first year at Milford. He has proven to be an excellent wrestler and an adept student. Al won one of the class polls and the senior class feels it is most deserving. We wish him the best of luck in college.

Seniors

ANTHONY AUGLIERA

Football 4, 5; Baseball 4, 5; Augliera Fan Club 2, 3, 4, 5.

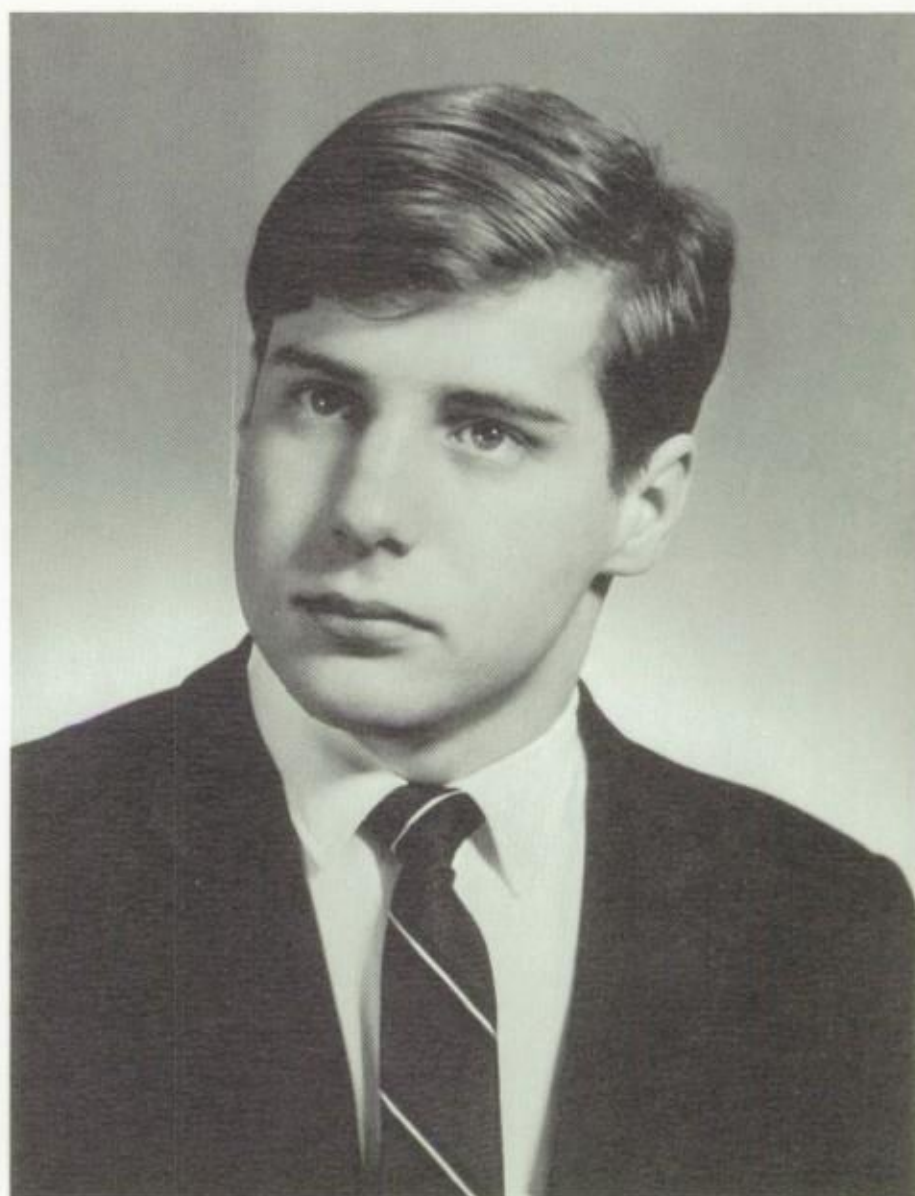

Tony has made many friends during his two year stay here. His talent in football can be reflected in the teams 6-0 record. He is most widely known on campus for his Yale hat that he acquired at one of the lawn parties. Tony is looking toward Springfield College but might be tempted to return to the Academy next fall to find out what the coach meant by "Striped Ape". We wish Tony the best in the future, and although he may not think so we doubt if he'll need it.

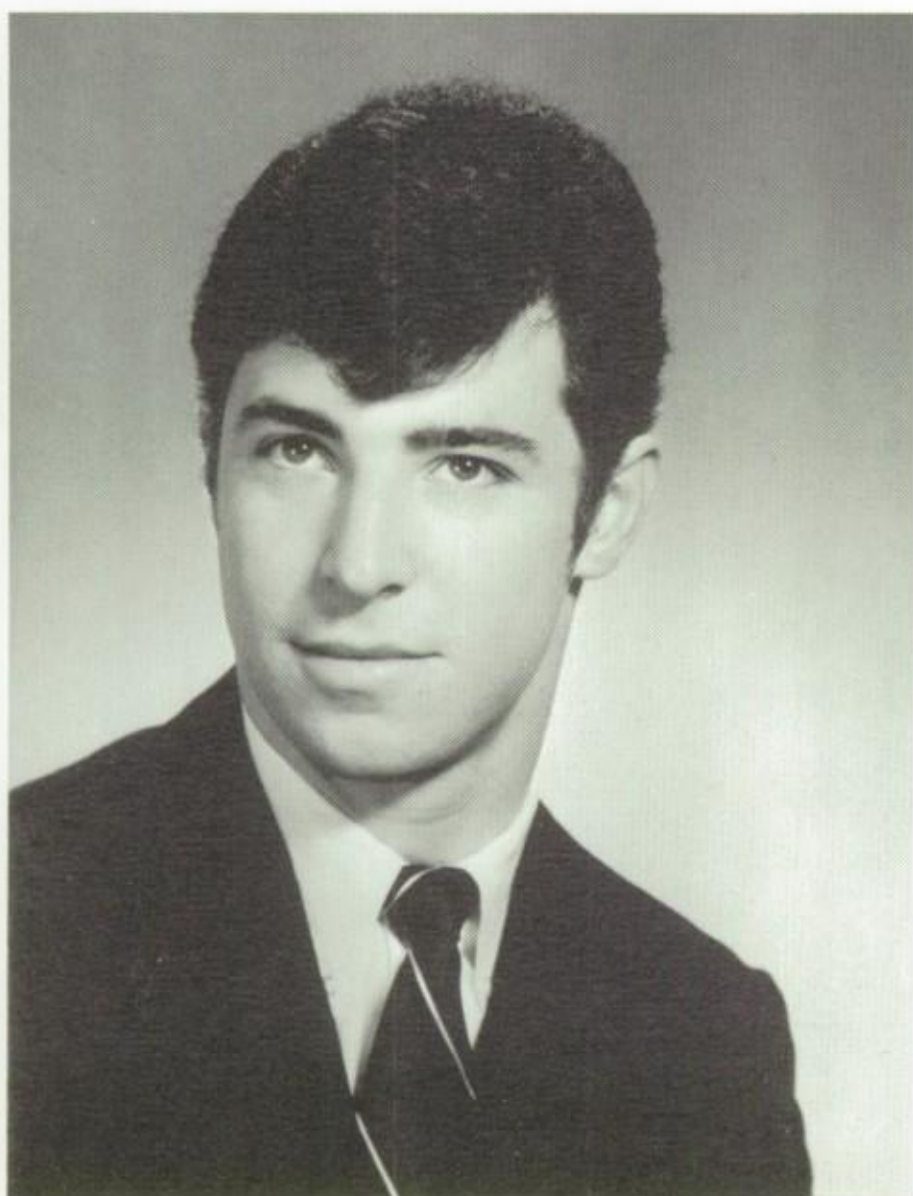

JOHN BARNES

Baseball 2; Track Team 3; Football 4; Biology Club 4.

John is a well liked fellow on the campus. His feeling toward many situations are usually humorous, though when he makes some effort, the outcome is usually favorable for all. John, or "Bad News", enjoys many sports but is mainly active in football and track. This year he says Mr. Coombs has won best teacher. The senior class all wish John best of luck in the future.

class of 1967

RICHARD JONATHAN BARON

Sailing 4.

Rich came to Milford in his senior year. He was fast to realize that Syosset is a long way from Milford in more ways than can be mentioned. We think that Rich was one of the star waiters at the Academy. How can we do anything but wish a Treat Annex boy the best of luck in college and life.

PAUL BELL

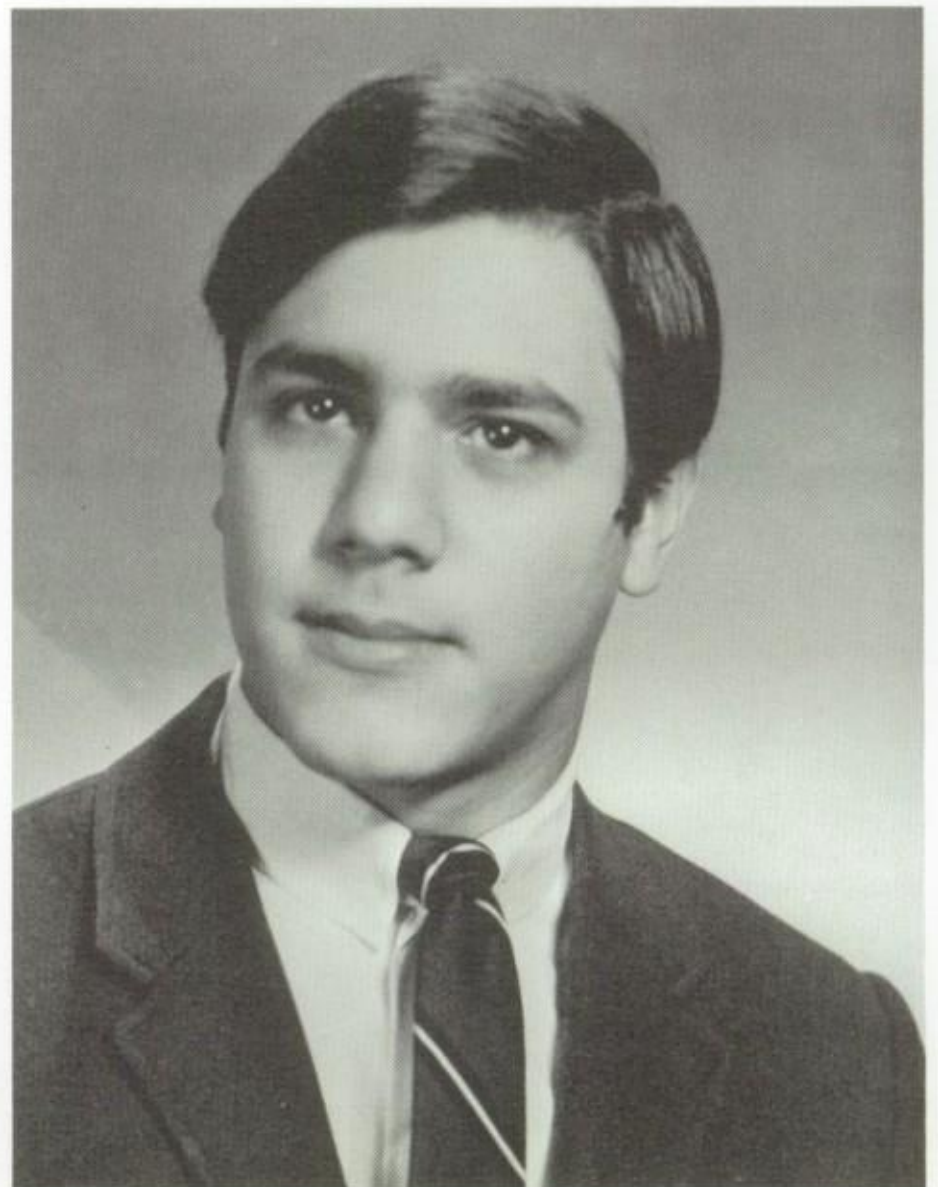

Science Club 4.

Paul entered the Milford Academy in the 1965-66 session. Never at a loss for words, Paul has made a great amount of friends. He is an excellent chemistry student and is active in several of the school's extra-curricular activities. With his constant drive and desire to learn we can expect Paul to do well in college.

Seniors

FRANK BENDAYAN

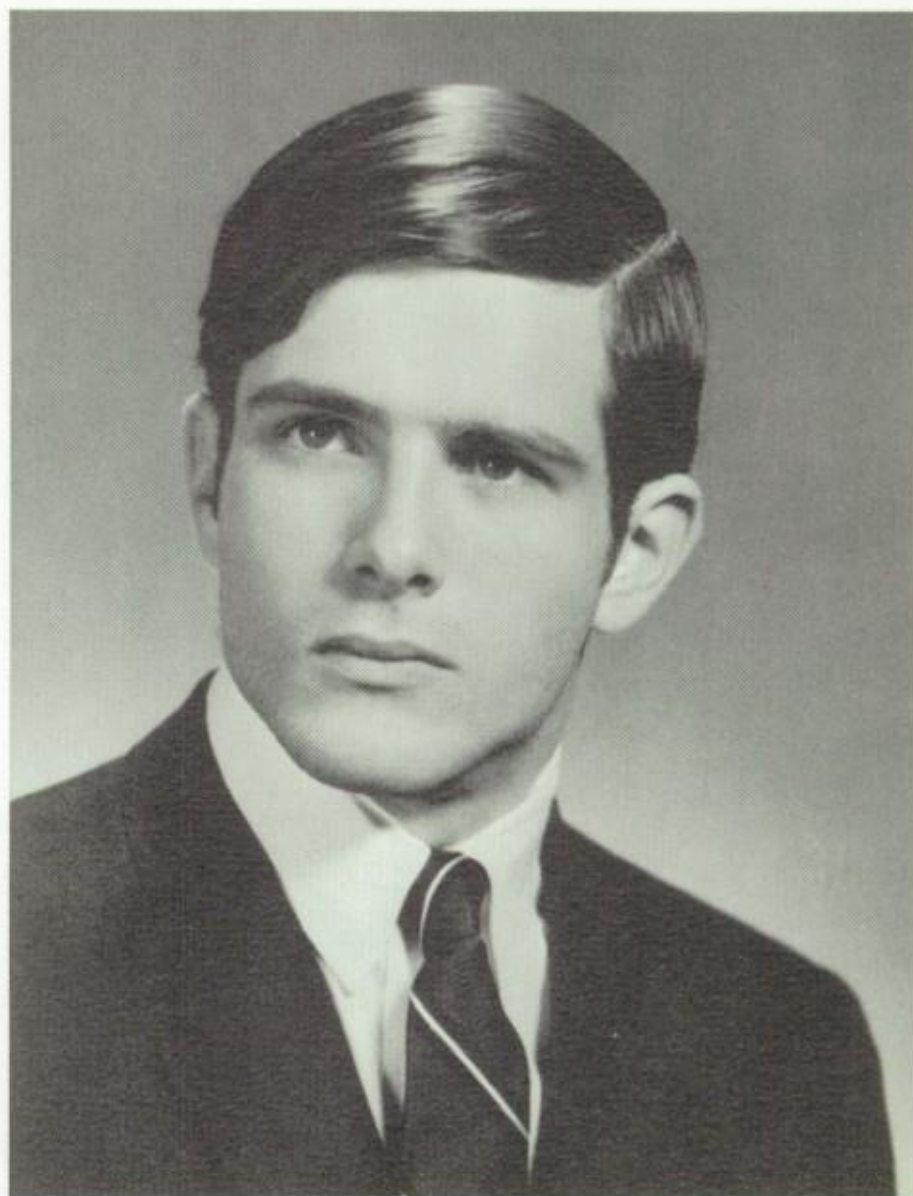

Frank is a new personality at Milford who certainly lights up the darkened paths of Morris Hall. Having graduated from school in Caracas, Venezuela, Frank has come to Milford to further his education. His usual answer to most questions is "no comprende."

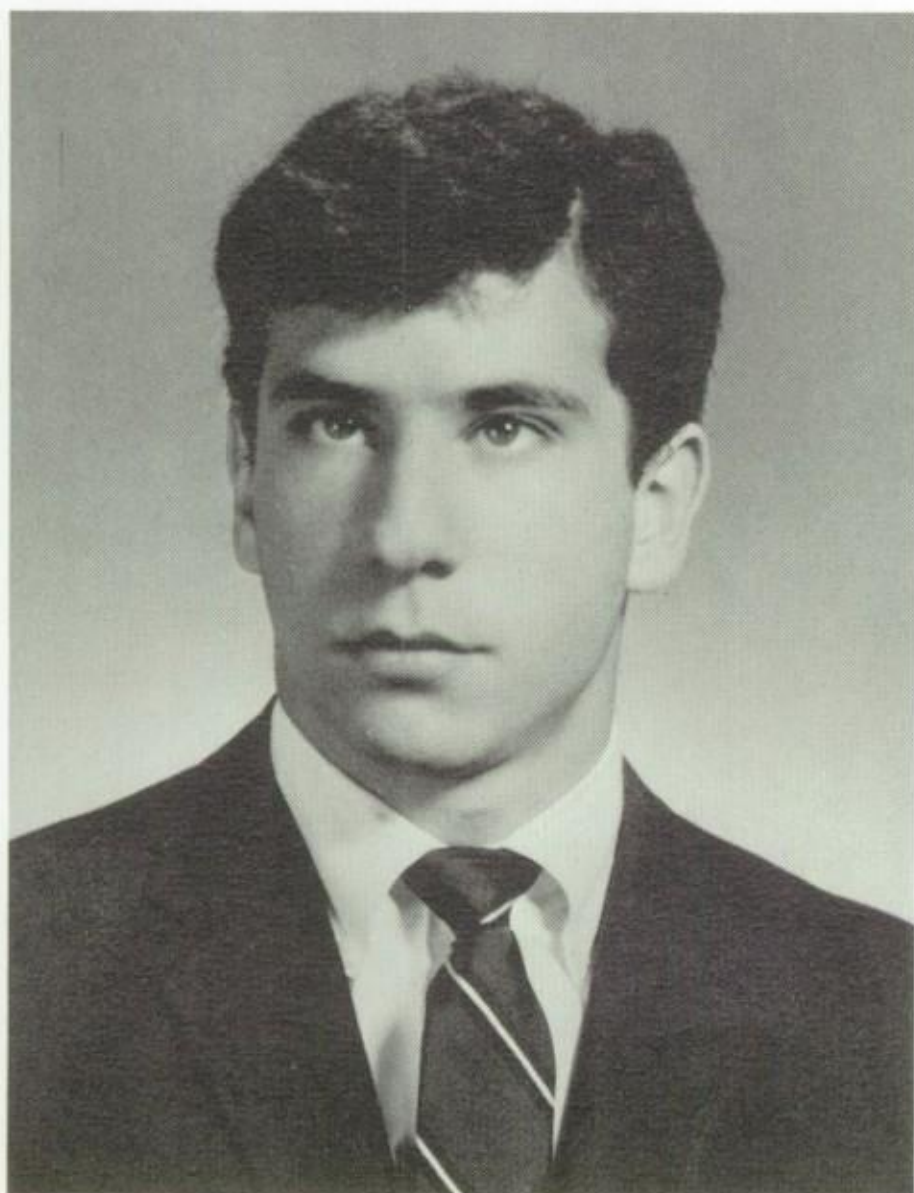

LOUIS BONOFF

Debate Team 4; Crew Team 4; Dank's hate list 4.

This is Lou's first year at Milford. He has met many people and made many friends. He is usually found on the third floor of Morris Hall listening to his "Raga." He plans to go to the University of Pittsburgh where we are sure he will do his best.

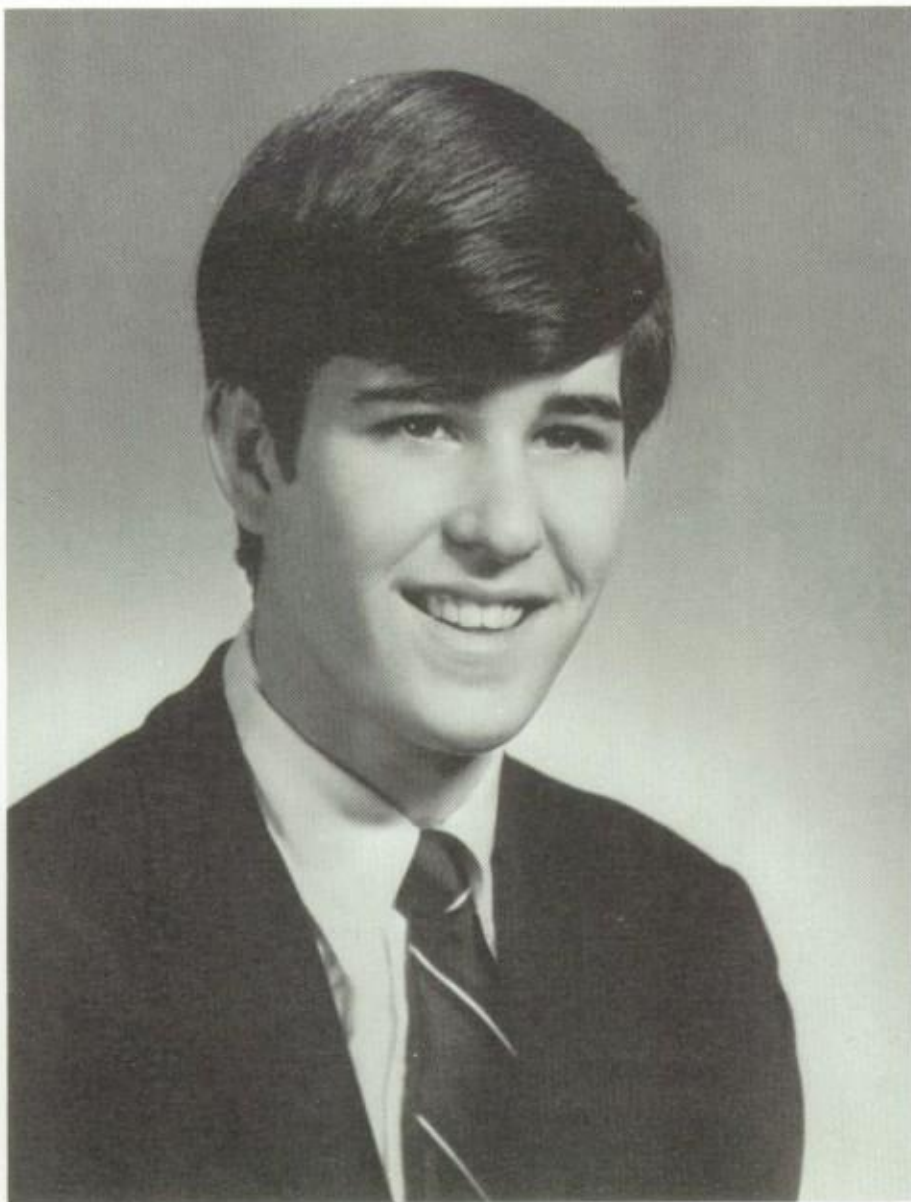

class of 1967

MICHAEL BORNSTEIN

Wrestling 3; Chess Club 4.

Mike likes to tell everyone he comes from Paterson, New Jersey. Why he does this is anyone's guess. Mike is known for his honor grades, excitingly lively voice and his unique sense of humor. Mike, who hopes to go on to Bridgeport next year, will do well in whatever field of study he chooses.

GREGORY BREHM

Baseball 1, 2; Debating Club 3, 4; Literary Magazine 2, editor 3, 4; Current Affairs 2; Soccer 3, 4; Student Council president 4; Prefect 4; Yearbook 4.

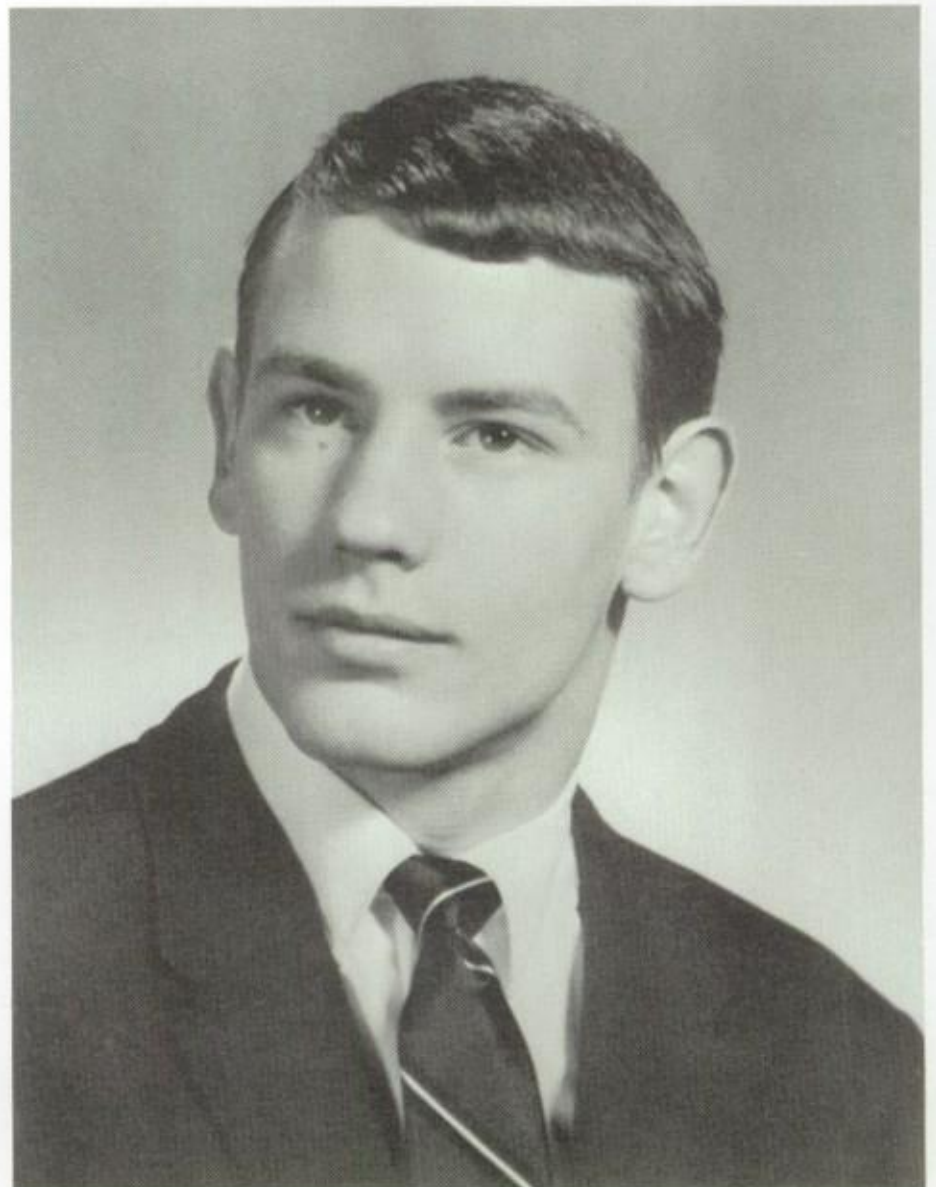

Greg is one of the students who has the real respect and admiration of his fellow school mates. He is currently president of the student council and has played varsity soccer. Greg is a fine writer and is editor of the school's literary magazine. Greg needs no wishes for good luck. His fine attributes will write a success story of many pages.

Seniors

DAVID BRUENIG

Gun Club 1, 2, 3; Wrestling 4.

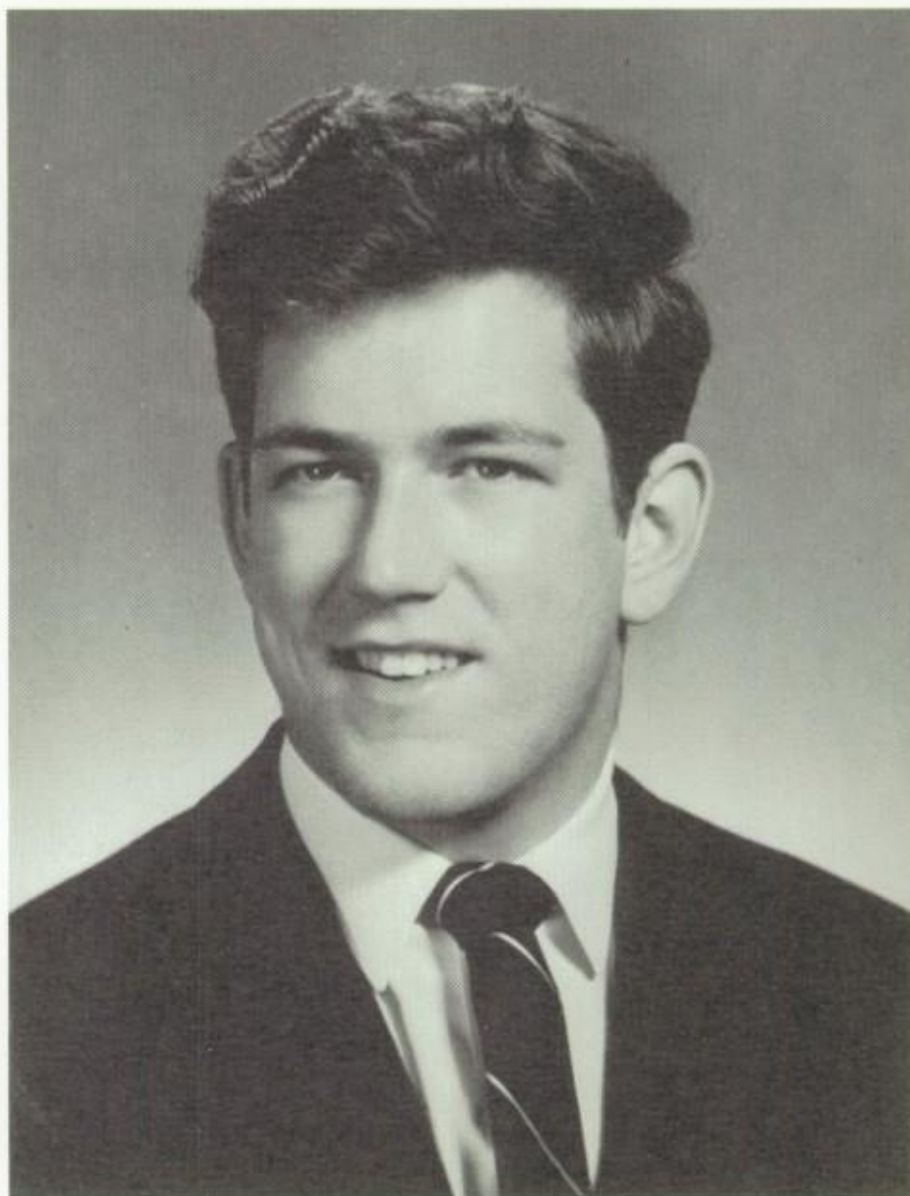

Dave, a day student, has spent his last two years bettering himself. He raised his average, wrestled for the academy, played soccer and was an all round member of this year's controversial class. Dave can usually be found down in the lounge having it out with Welch while Mac stands guard, or leaving a patch after his last class.

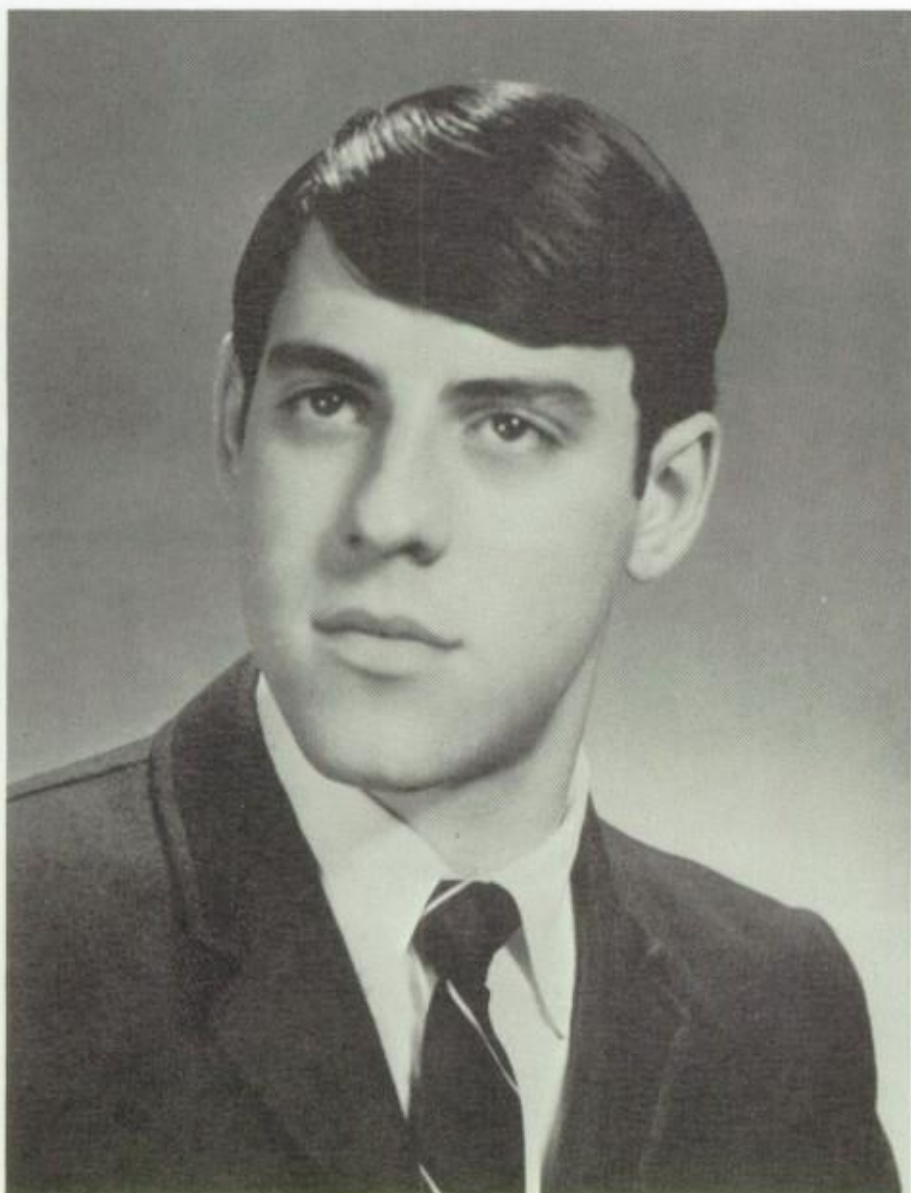

WILLIAM HENRY BRIEDE, II

Track Manager 3; Cross-Country 4; Bridge Club 4.

"Wilhelm," a two year veteran who hails from Ann Arbor, Michigan, is one of the friendliest guys on campus. Bill always has a wink, whistle and handshake for anyone he comes across. He is usually playing a practical joke on someone or "having a joke played on him." Bill was an active member of the Cross-Country team and hurls the javelin for the track team. Bill hopes to matriculate at Ferris State next year where he will be a liberal arts student.

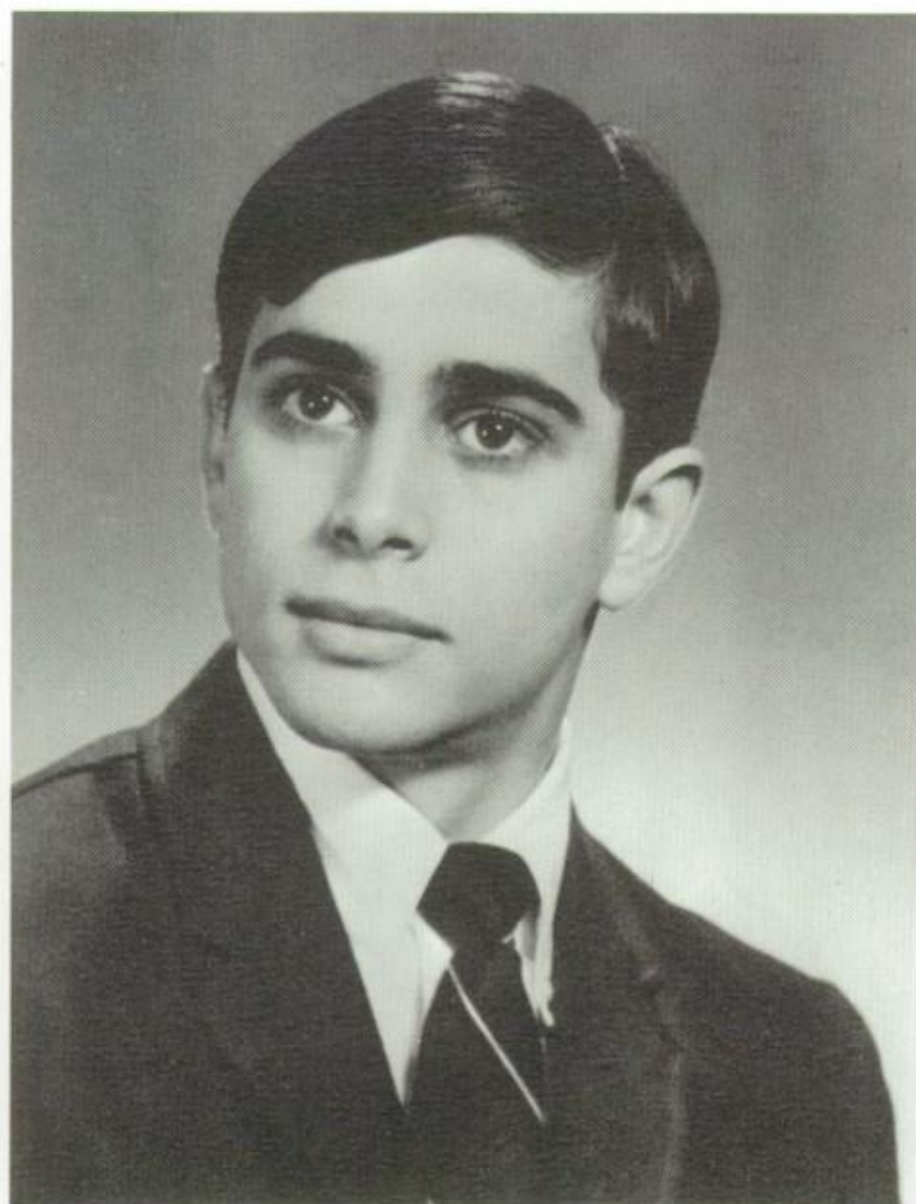

class of 1967

THOMAS BRUCKER

Baseball 1, 2, 3; Debating 1, 2; Soccer 3; Student Council 2, 4; Yearbook 3, 4; Vice President of Class 3, 4.

Tom or "Coach", no matter which name he is called, is the same person. What "dare-devil" has succeeded? The one who has succeeded so well academically and hopes to attend Rutgers. The one who has proven to be one of the most popular on campus. He was elected vice-president of his senior class and has filled the position well. Tom will definitely be missed when he graduates and we wish him happiness throughout his life.

MICHAEL BUCHBINDER

Soccer 3, 4; Tennis 3, 4; Ski Team 3; Yearbook 4; Art Club 3; Dining Room Committee Chairman 4.

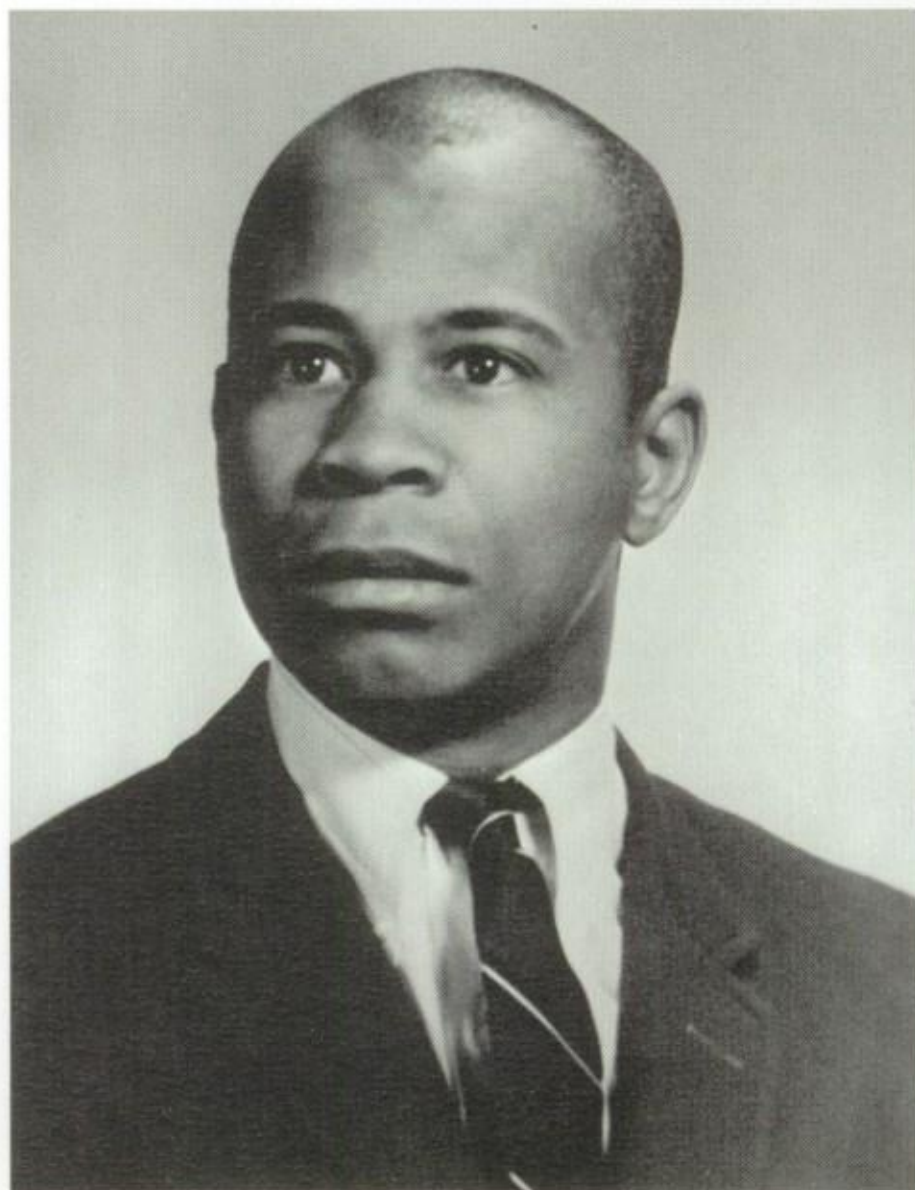

Mike, the other half of the bobsey twins from "All-American Roslyn, Long Island, is a two year man at Milford. Mike excelled on the soccer field. He has also been an active member of the senior class, and is acting as an assistant prefect and a member of the yearbook staff. Mike can be heard telling Dan Lee that it's better to be small and shine than to be big and cast a shadow. This and all of his quick wit will be missed. His first college choice is the University of Maryland which his great-grandfather founded.

Seniors

CLIFTON BUSH

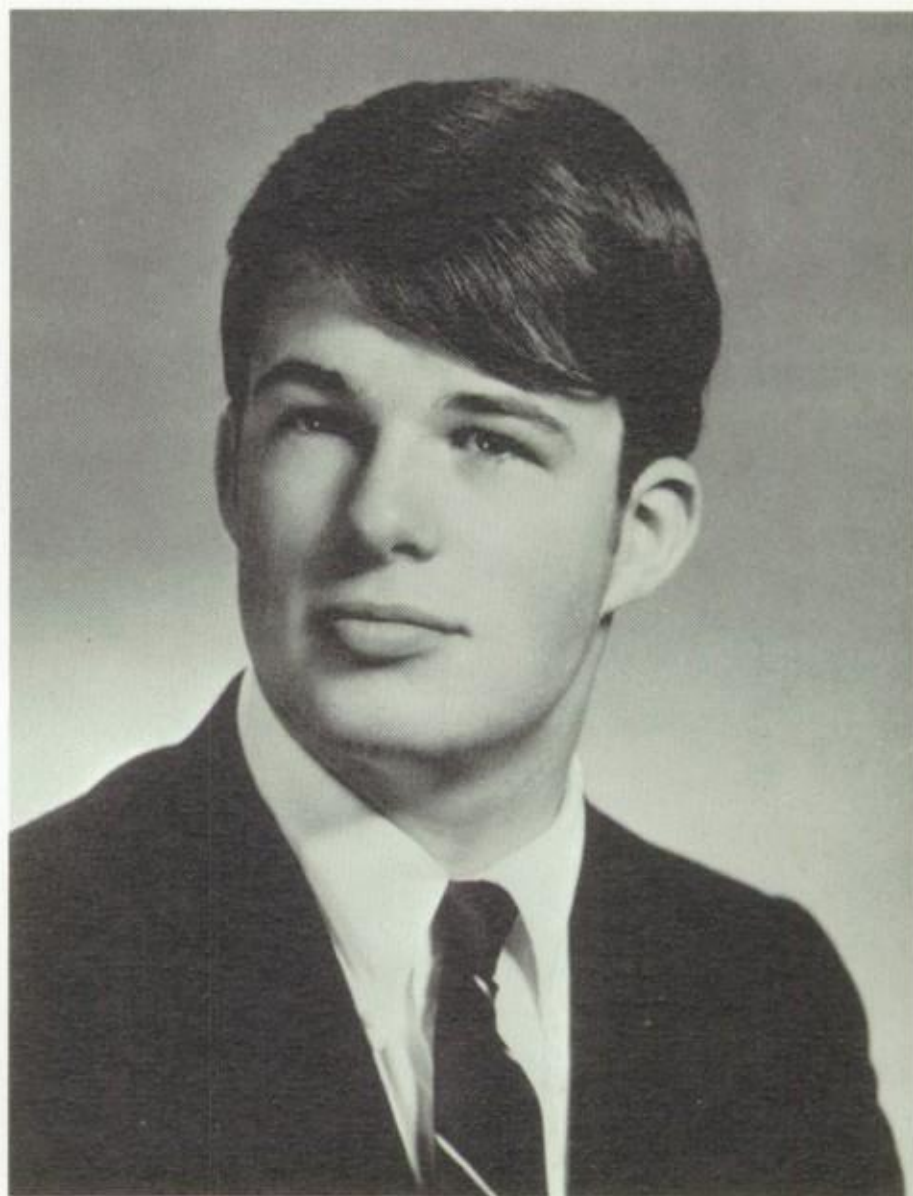

Basketball co-captain 4; Baseball co-captain 4; International Relations Club 4; Cox Fan Club 4.

Squirrel, truly the most versatile athlete at the Academy this year can play any sport with the greatest of ease. He was a star athlete while attending Hillhouse High in New Haven, winning such awards as the "outstanding sportsman." It has been said that Cliff can leap tall buildings in a single bound but we don't see any S on his chest. Cliff has had several offers from major league baseball clubs and if you've seen the squirrel play ball there should be no doubt that he'll make it. He still claims that he can jump higher than Cox. Cliff is one of the outstanding athletes and sportsmen at the Academy this year and we all know where he'll be a tremendous success at the University of Kansas or whatever else he might do later in life. He is a wonderful person to know and anyone who has met him can truthfully say that it has been a privilege.

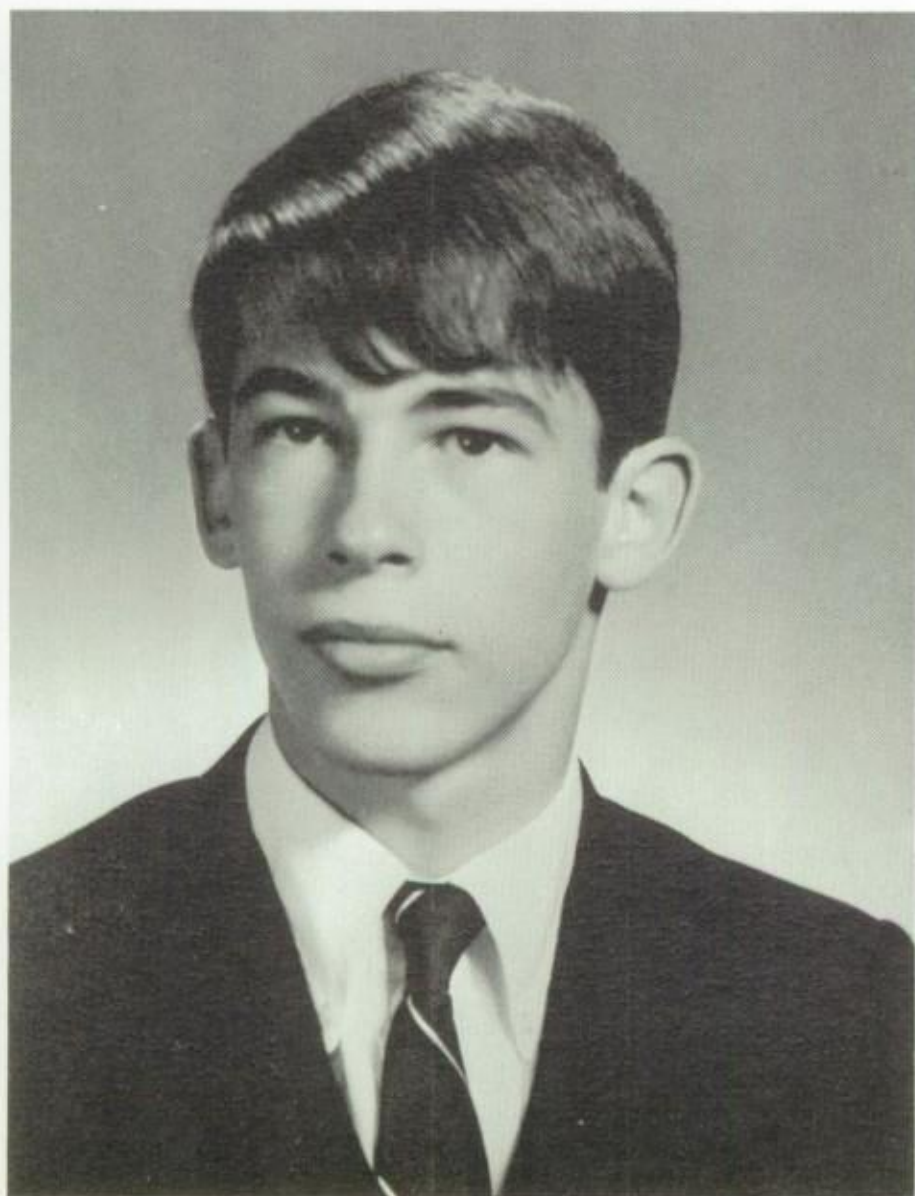

JAMES JOSEPH BUSSMANN

Jim, one of the "Welch's Warriors," has been at the Academy for the past three years. He can be found in a car with the rest of the boys telling stories and doing the previous day's assignments. Jim hopes to attend the University of Connecticut next year or the year after or the year after or the year after or . . .

class of 1967

WILLIAM ANTHONY BUSSMANN

Bill is the quieter of the two terrors. He is always trying to outdo Jim and many times succeeds. He plans to attend Marietta next year where we are sure he will be a success and lady's man.

JOSEPH CARIELLO

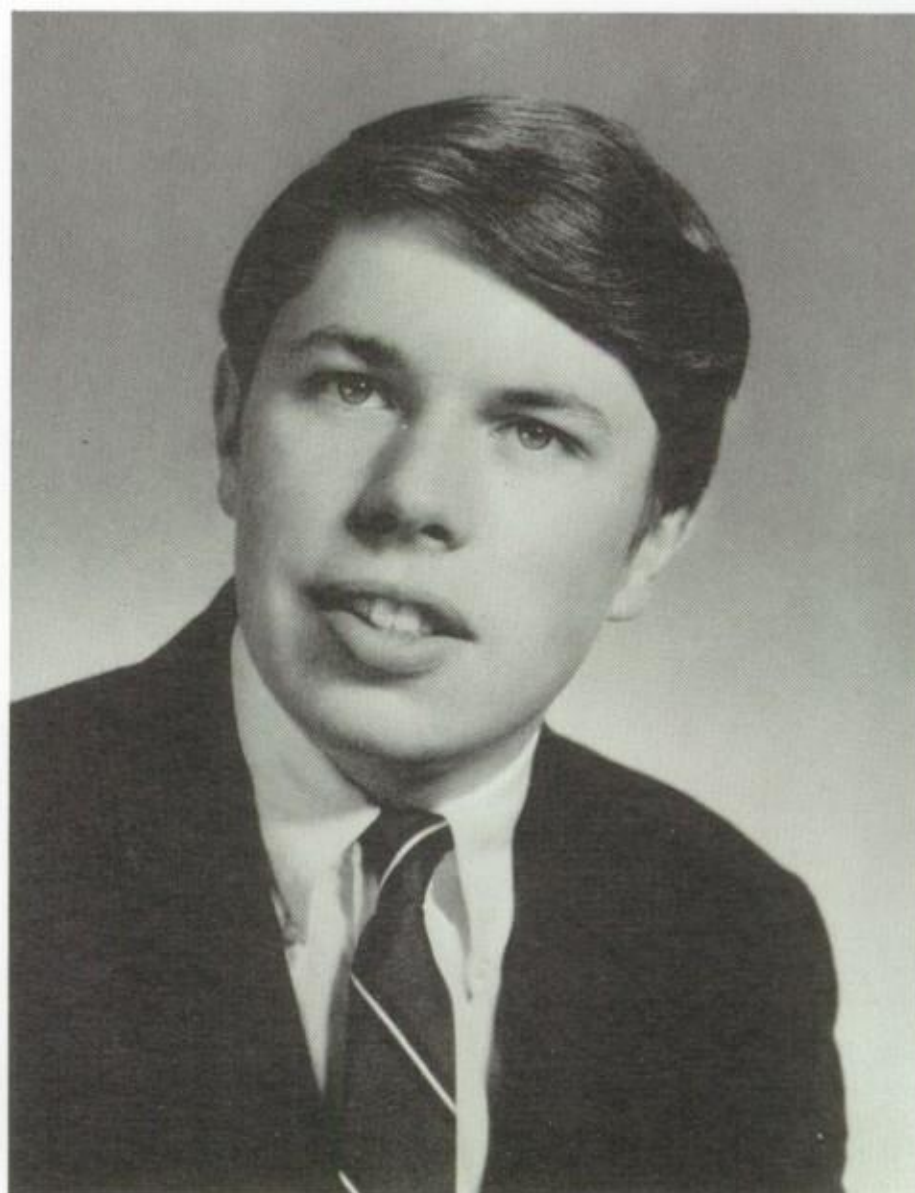

Joe, one of the silent members of the class, just finished his first year at the Academy and said, "It's a little different from high school, but a definite advantage." Being an introvert at heart hasn't kept him from making many friends. All wish him the best of luck at the University of Florida.

Seniors

JAMES CARIGNAN

Spanish Club 4.

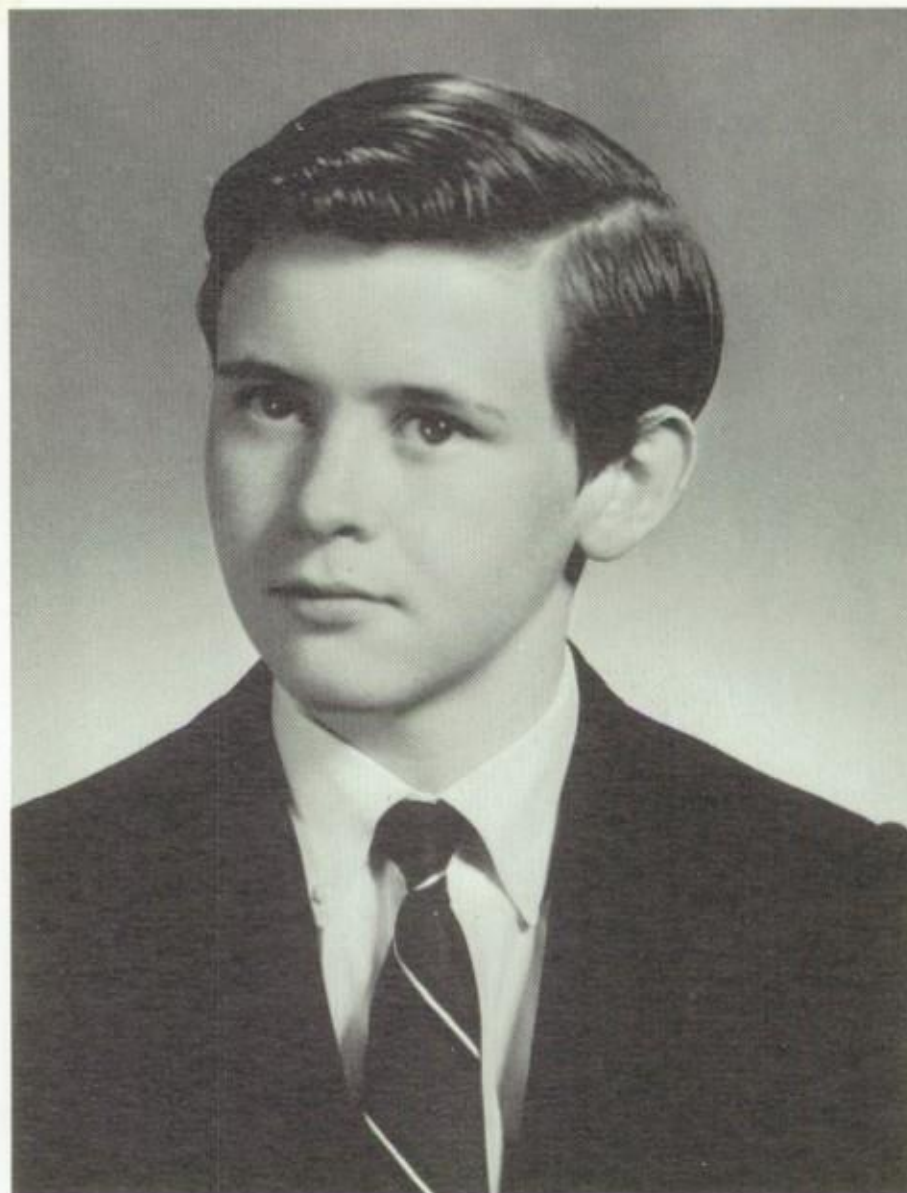

Jim, a day student, hails from Hartford. He entered the Academy three years ago and has done well scholastically since his first year. Jim can be found in the senior lounge during a free period. He will long be remembered for his diligent studying for Mr. Galbraith. The class of 1967 wishes him success in the future.

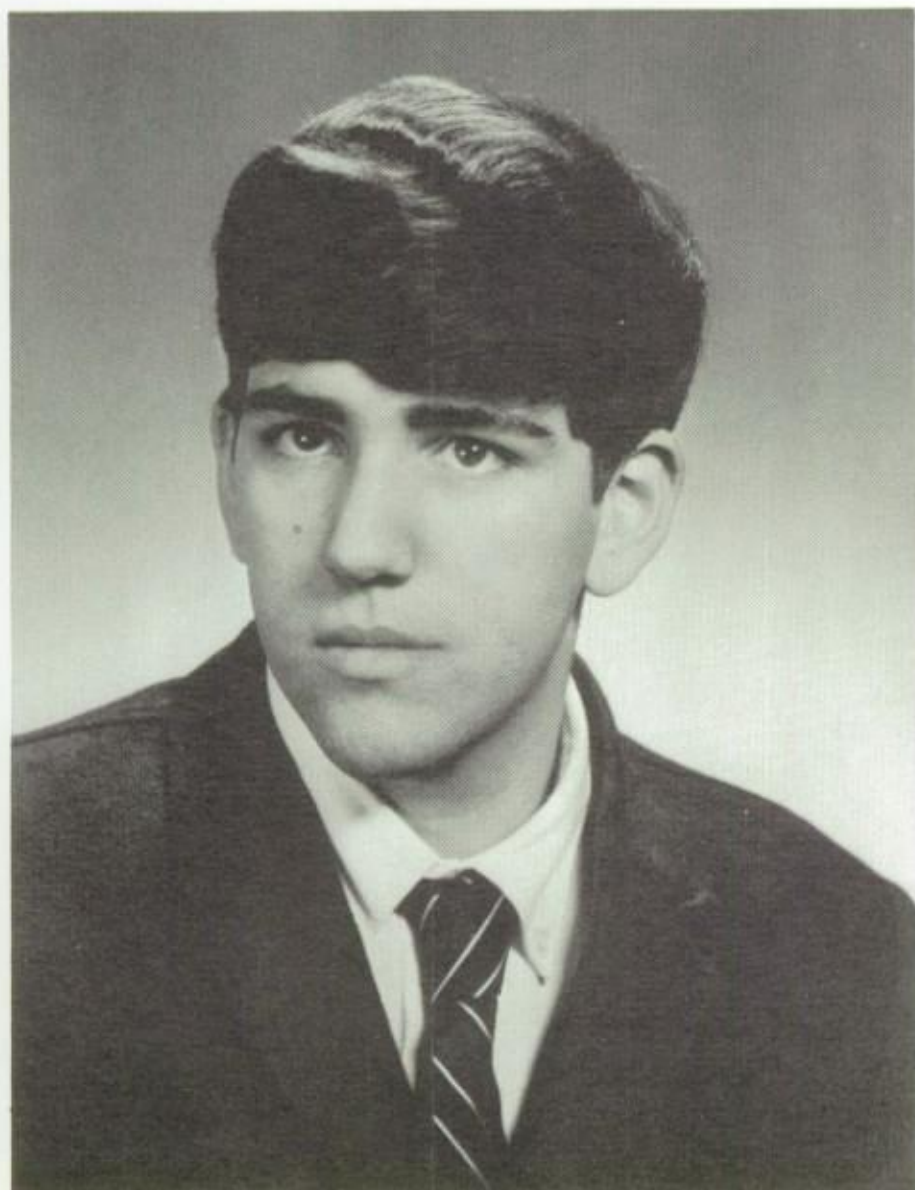

RAYMOND CARMEN

Chess Club 3, 4; Rifle Club 3; Sailing Team 3, 4; French Club 4.

"Carmen" is always quiet and smiling. He is a two year man at Milford and is plotting to run over the college of his choice. Although it is not obvious, word has it that Ray is a "lady's man" and will be one of the first of the class of 1967 to be trapped into marriage.

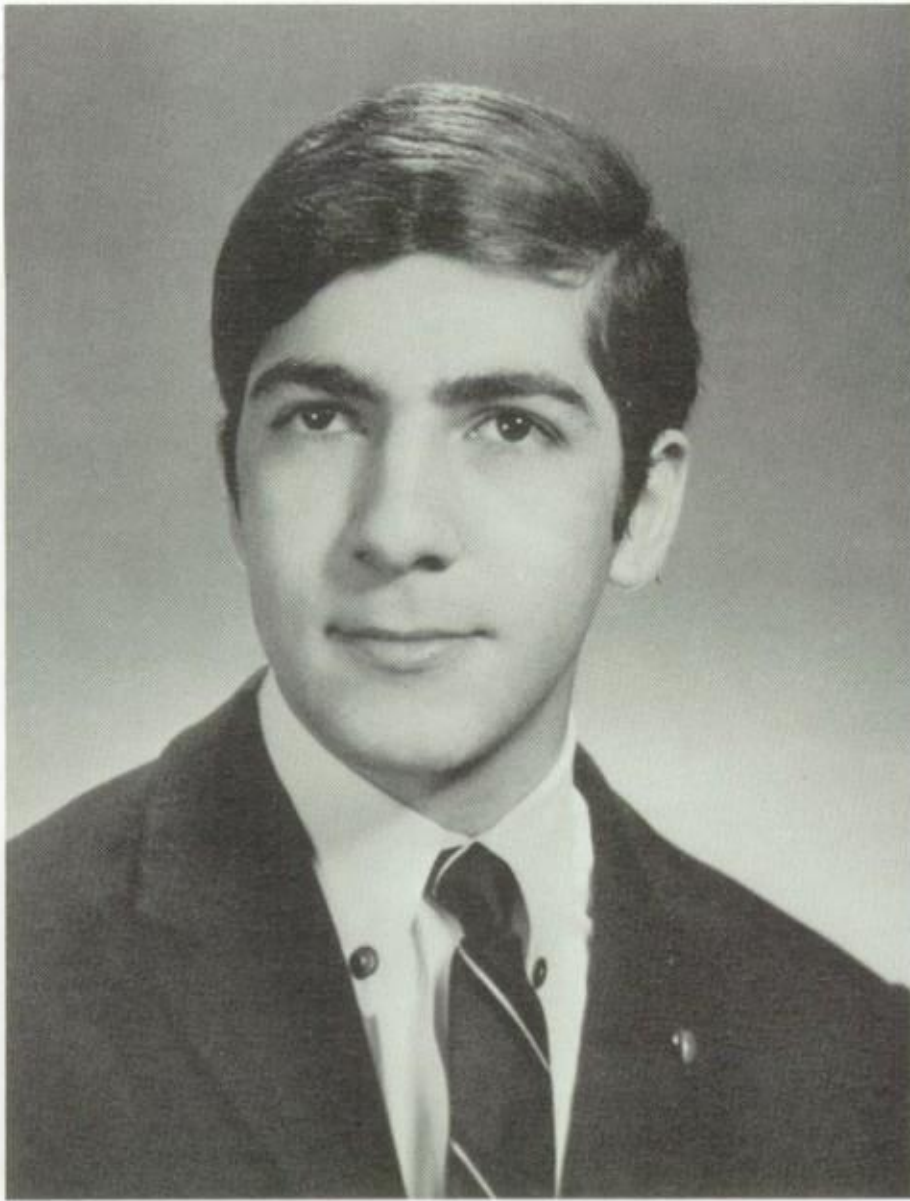

class of 1967

ANTHONY CELONE

Track 3, 4; Library Club 3, 4.

Tony came to the Milford Academy this year after graduating from East Haven High School. He enjoys painting, and he is an avid sports fan. He plans to attend Syracuse University and study art. We know Tony will be successful.

OMAR CHAMMA

Soccer Team 4; Current Affairs Club; Math Club; International Relations Club 4.

The Lebanese Wonder spent one year at Milford, but was an asset to the school. He did exceptionally well in soccer and in everything he worked at. He was the leading scorer for the soccer team for which he was rewarded by being named to the all-Interac team and all-New England team. Omar is looking ahead to the possibility of engineering as his career and will definitely make his mark in whatever profession he finally decides on. We are sure that he will do well at either Columbia or Yale (whichever is luckier).

Seniors

ROBERT COUTTS

Basketball Manager 4; Current Affairs Club 4.

"Big Bob" is the originator of the red "Batmobile." Being a two year man, Bob knows his way around campus and can be found in the math building chatting with Mr. MacBain. We are sure Robert will go on to great success in college.

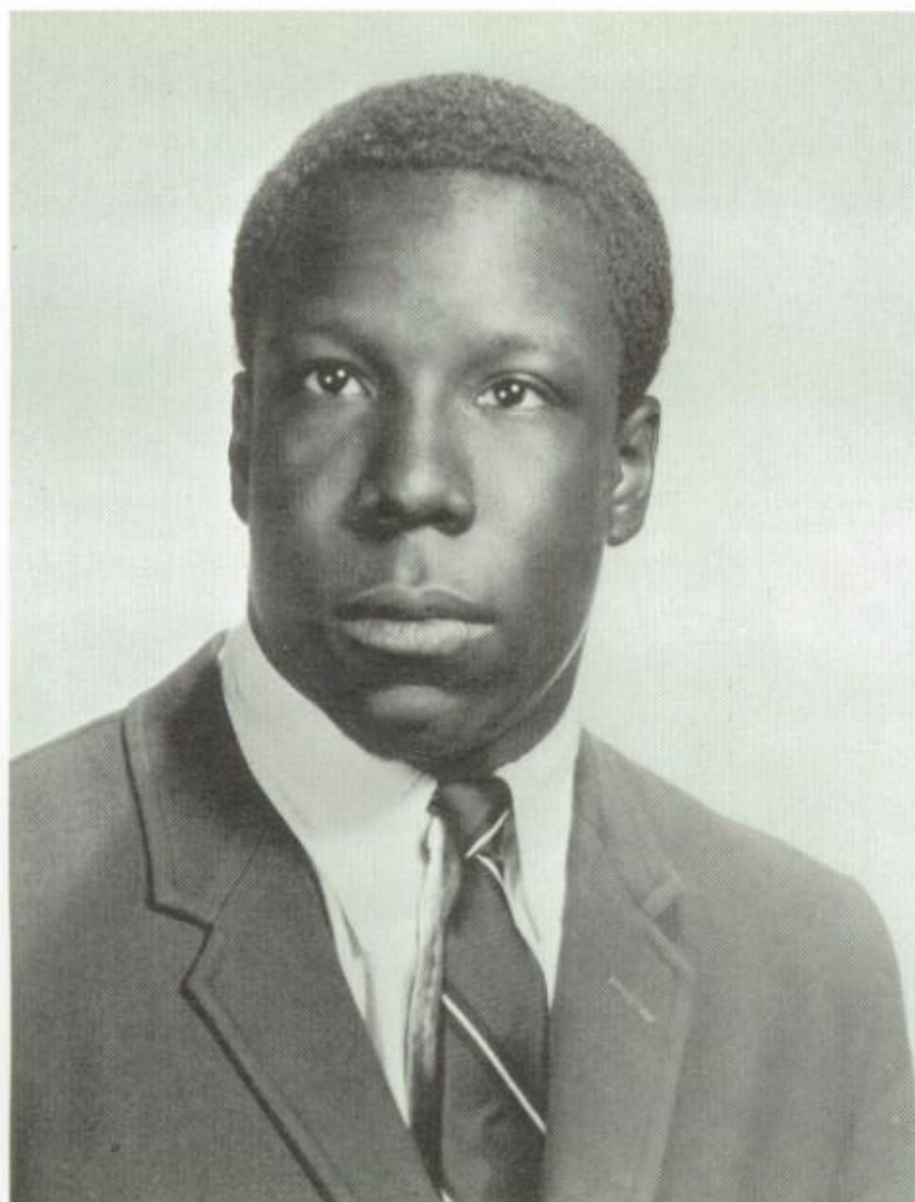

class of 1967

ANDERSON COVEYDUCK

Football 4; Ski Club 4.

A fine student and a hard worker. He's destined for a great future. Andy came to the Prep as a P.G. student is doing a fine job. Best of luck in the future.

RODOCK COX

Baseball co-captain 4; Baseball; Current Affairs Club; Scope Club.

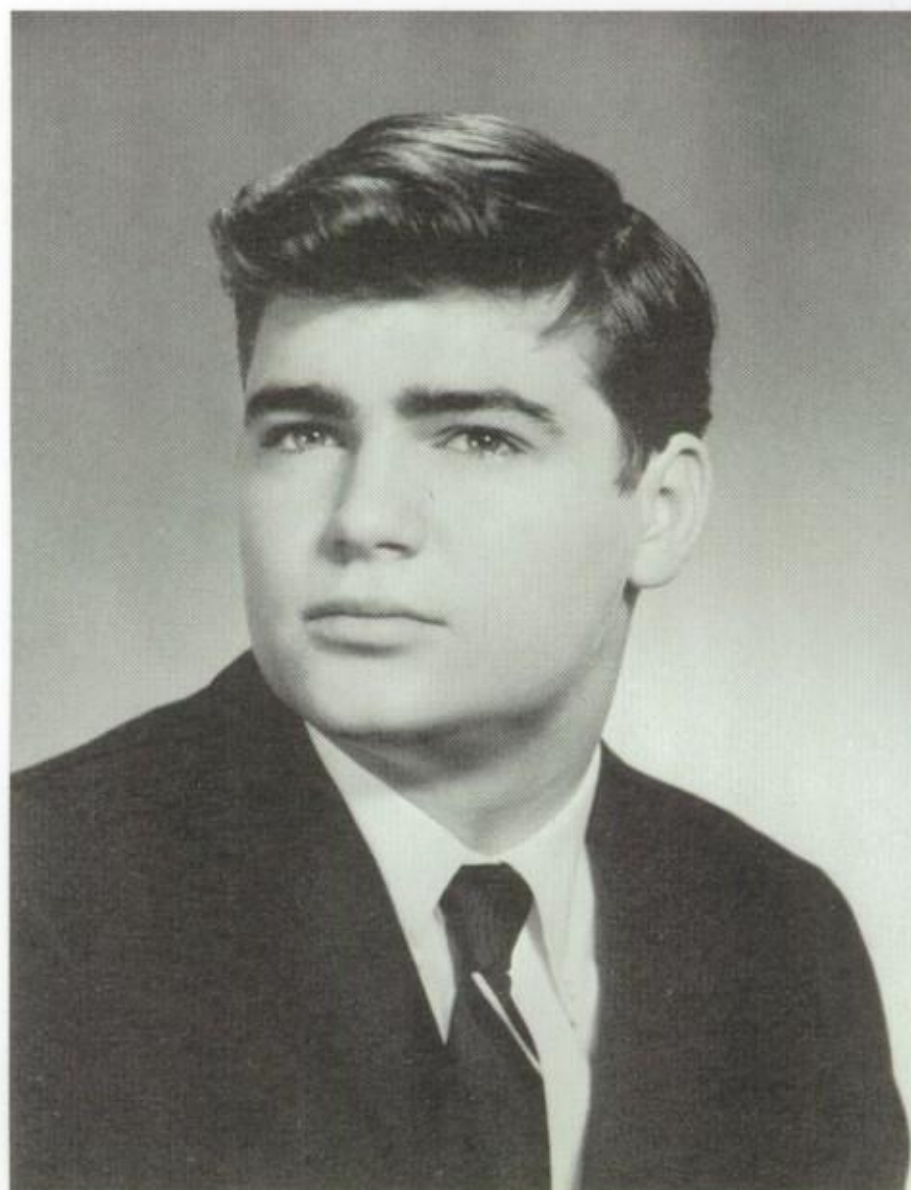

Rod, is a day student at Milford and resides in Bridgeport. Last year Calvin Murphy and Rodock were the two most talked about sports figures in the state. He has had his name in several national basketball magazines. He was selected to the first team all-American Parochial high-school team while attending Notre Dame of Bridgeport high school. He was also named to the second team all-American high school team. His picture has graced almost every paper in the state this year and is an easy bet to make this year's All-New England squad. He has already been touched by the world renowned Harlem Globetrotters and we feel that Rod would fit with those clowns. He can be found in the gym dribbling with his knees or stuffing the pill while reading a book of poetry and eating a sandwich. The senior class is sure that they will be seeing his name in newspapers and magazines while playing at the college of his choice. He will always be remembered for his carefree ways and coping some z's at the college boards. He says if he doesn't make it in the N.B.A. he'd like to sing with the Temptations. Oh yes, he is the nephew of another great ballplayer, Meadowlark Lemon.

Seniors

EDWARD DANKS

Wrestling 3; International Relations Club; Weightlifting.

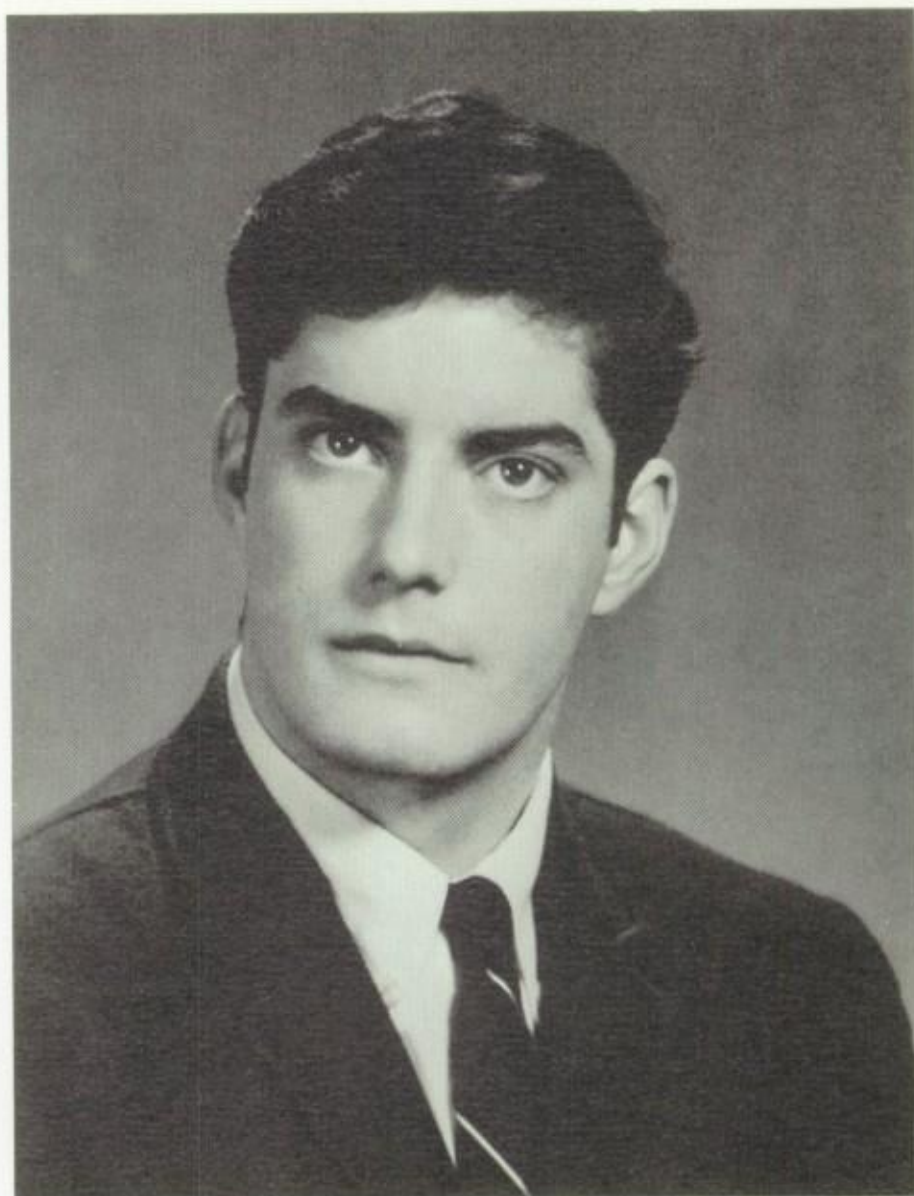

"Fast Eddie", known to all for his friendliness and fantastic tales, is of the true members of the senior class. Ed is the funny man on campus and is an asset to Milford. His many interests include sleeping, weekends, and girls. Upon questioning his dorm proctor, Mr. Bray, Eddie simply replies ". . . Me? What's happening?" Ed's favorite club is of course the weekend club.

MIKE DEHM

Football 4; Scope Club 4; Bowling Team.

Mike can be found anytime during the day laying rubber up and down Edgewood Avenue in his "blown" Chevy. Scoper, was honored by being chosen to the All-New England football team at guard. He hopes to attend the University of Connecticut where Mr. Farrell is trying so diligently to get him in, and if anyone can do it the phantom can.

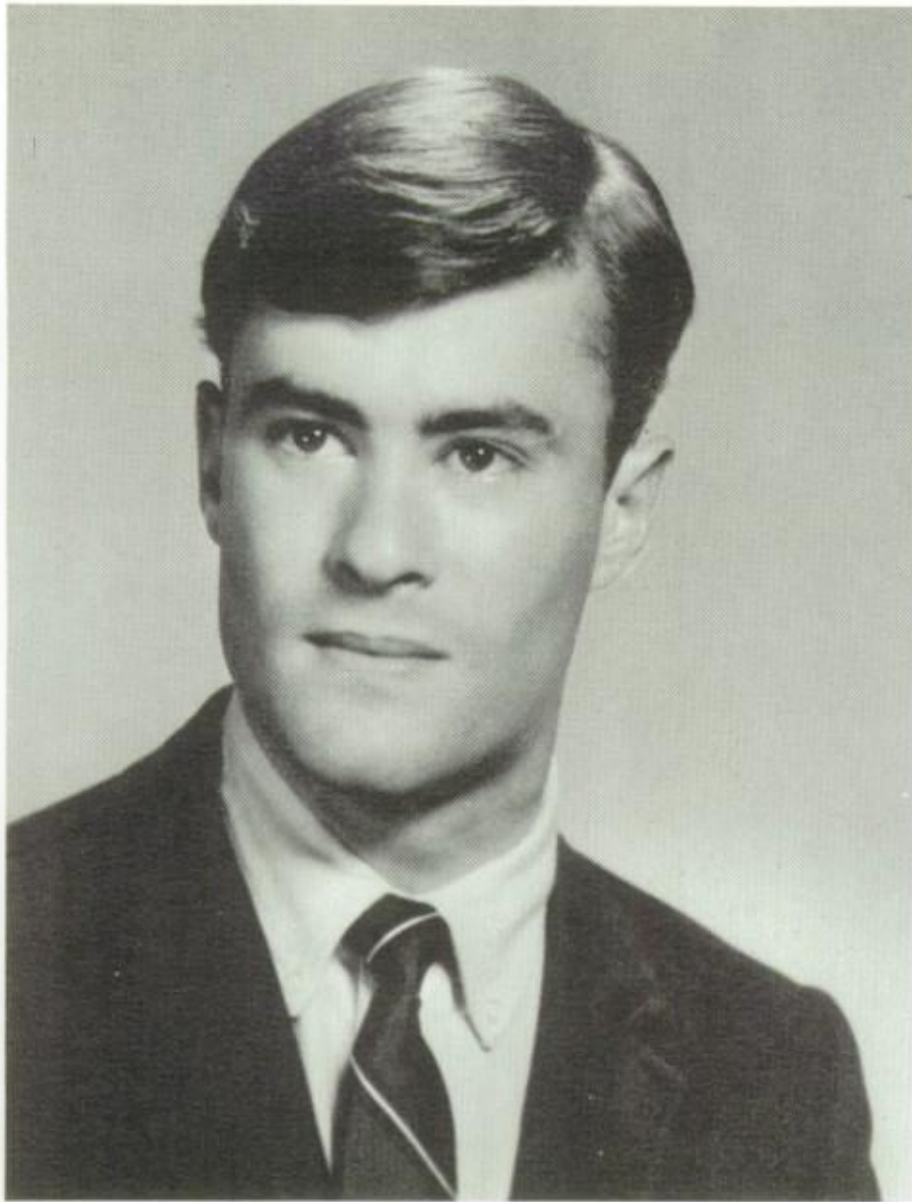

class of 1967

CARL JOHN DEMOTSES

Current Affairs Club 3,4; Newspaper Club 4; Student Prefect 3, 4.

Carl is one of our excellent students. In his two years at the Academy he has consistently made the honor role. Several times he has attained high honors. His easy going personality has made him a friend to all students here. His perseverance will give him unlimited success in life. Milford wishes him true success in his chosen field.

MARK DIAMOND

Baseball 2, 3, 4; Basketball 2, Wrestling 3, Soccer 2, 3, captain 4; Spanish Club 3, president 4; International Club 3, 4; Prefect 3, 4.

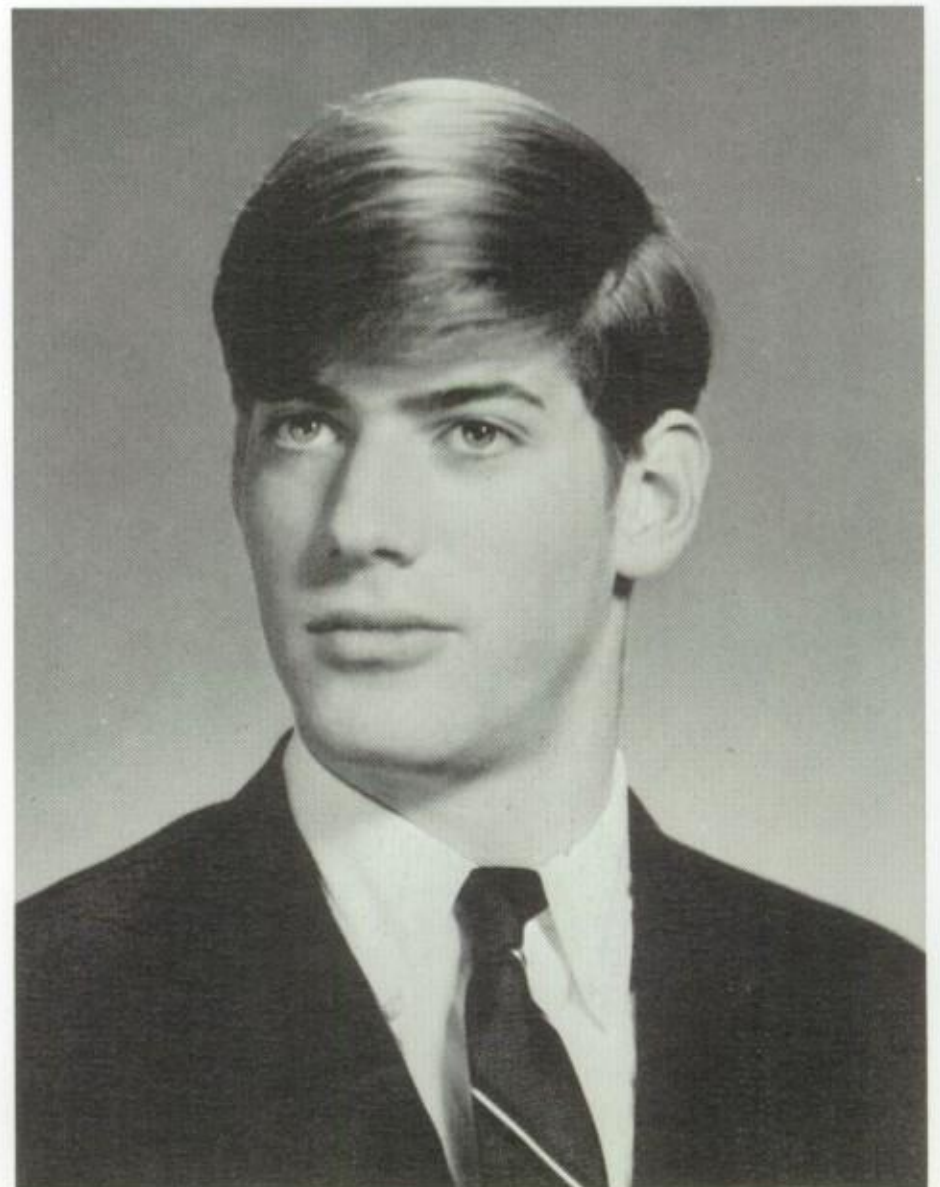

Since he came here, three years ago, Mark has been a very active member of the senior class. He studies hard, quite often he can be found in Kerwin's room in Bailey finishing his homework early in the morning. His ability to play soccer is only out-shadowed by his caustic comments. "Dean" loves the city and a place called "Mike's." His secret love is a girl (?) in New York whose name we shall not mention. Mark is looking forward to attending the University of Virginia and so is the administration.

Seniors

RONALD PETER DRUCKER

Current Affairs Club 3, International Relations Club 3, Rocket Club 3, Tennis Team 3, 4.

Ronnie is one of our more interesting campus characters. In his two year stay at Milford he has distinguished himself as the "Mad Scientist" of Milford. Although he mourned the loss of Mr. Blakemore last year, we know he will miss his roommate Tarzan more. His innocent sarcasm will be absent from the campus scene as he will matriculate at either Cal Tech or Drech Tech. We wish him success in the future.

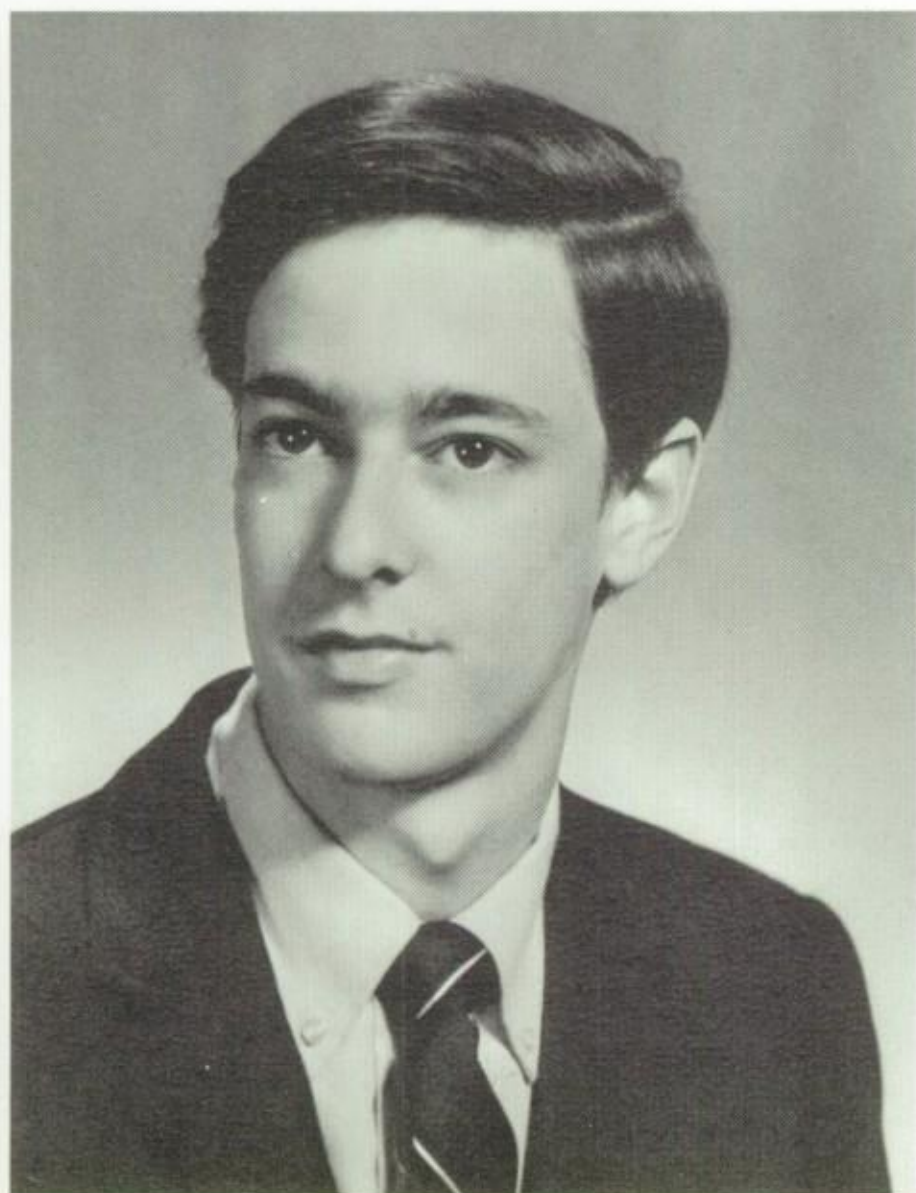

JAMES DUMONT

Current Affairs Club 4; International Relations Club 4.

Jim came to Milford three years ago. A likeable guy. Jim has been in the Current Affairs Club for his last two years. He hopes to attend Quinnipiac College and major in Political Science. We wish him the best in politics.

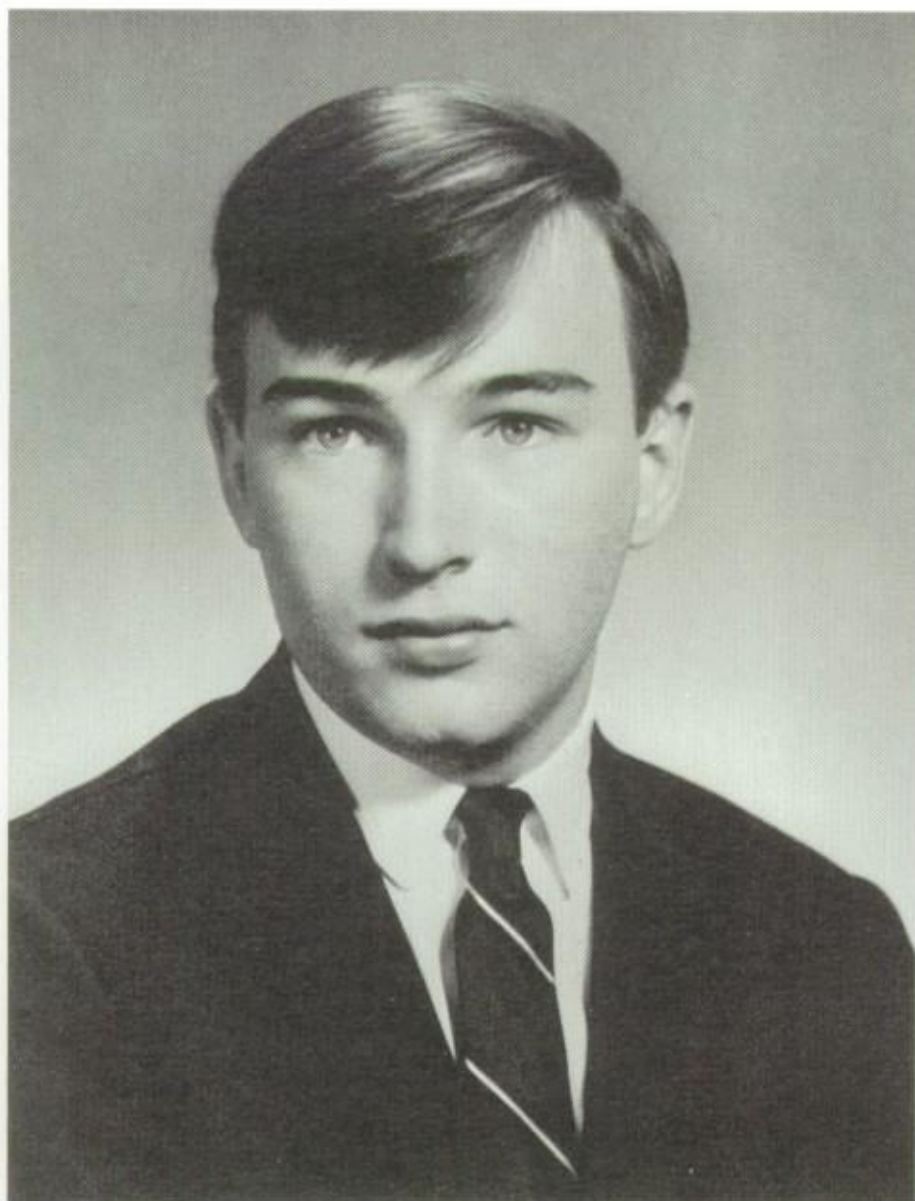

class of 1967

IVAN FASKE

Golf Team 3, 4; Bowling Team 3, 4.

Ivan, who hails from the village of Woodmere on illustrious Long Island, entered Milford in his junior year and quickly became the number one student in his class. Known as "Spiderman" to his friends, Ivan impresses them with his "Village" style clothes and keen humor. His achievements are not only in academics but in athletics as well. Ivan is a star bowler and golfer. Ivan wishes to attend Syracuse University. We are sure he will attain this goal.

JOHN J. FINN

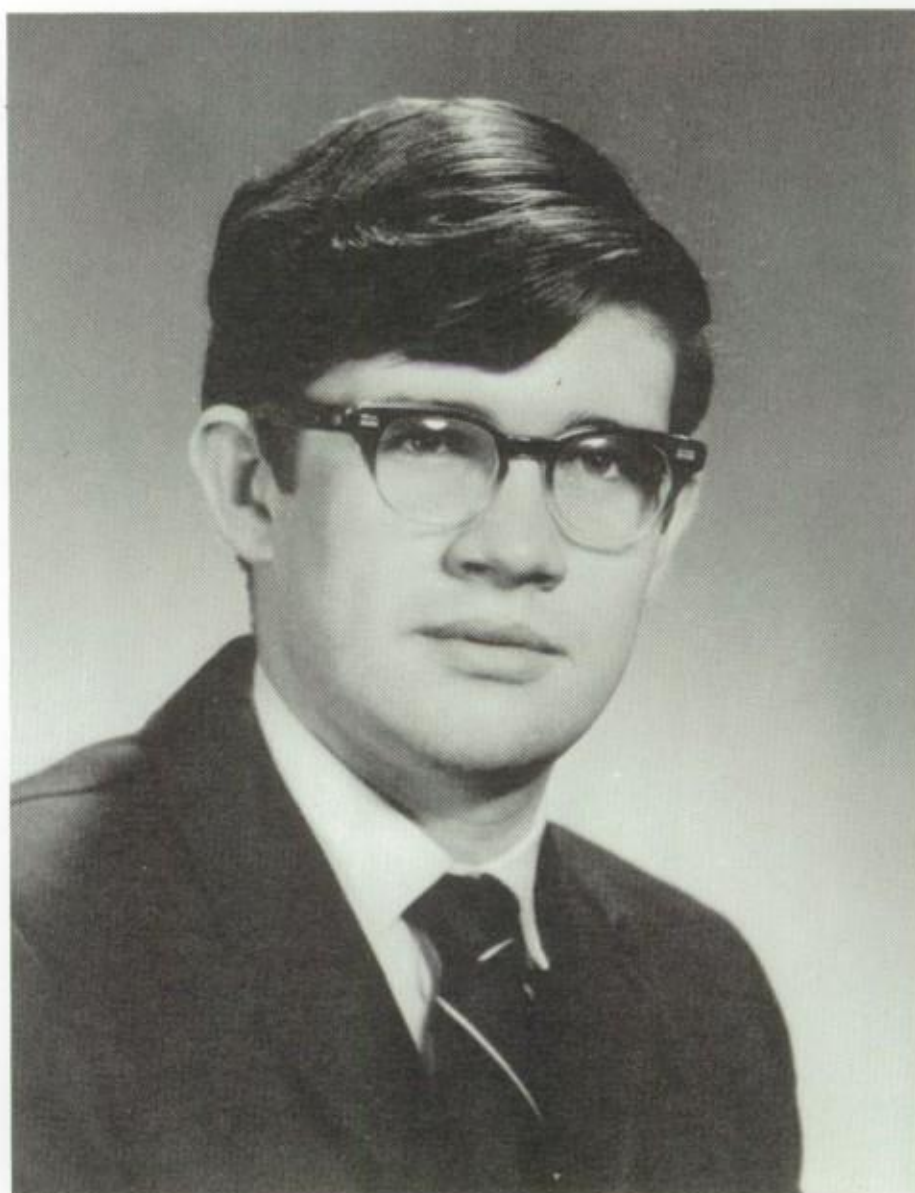

Football 1, 2; Library Club 1, 2, 3, 4; Debating Club 1; Baseball 1; Vice-President Freshman Class; President Sophomore Class; Vice-President Junior Class; Track Team 3; Chess Club 3, 4.

John can always be seen ushering fellow student Al Pigaty around campus and having a broad smile upon his face. Being one of the original members of the class, he has held numerous class offices each year. John also tries to participate in as many extra-curricular activities as possible, while attending to his school work. We wish John the best of luck.

Seniors

RICHARD FOLEY

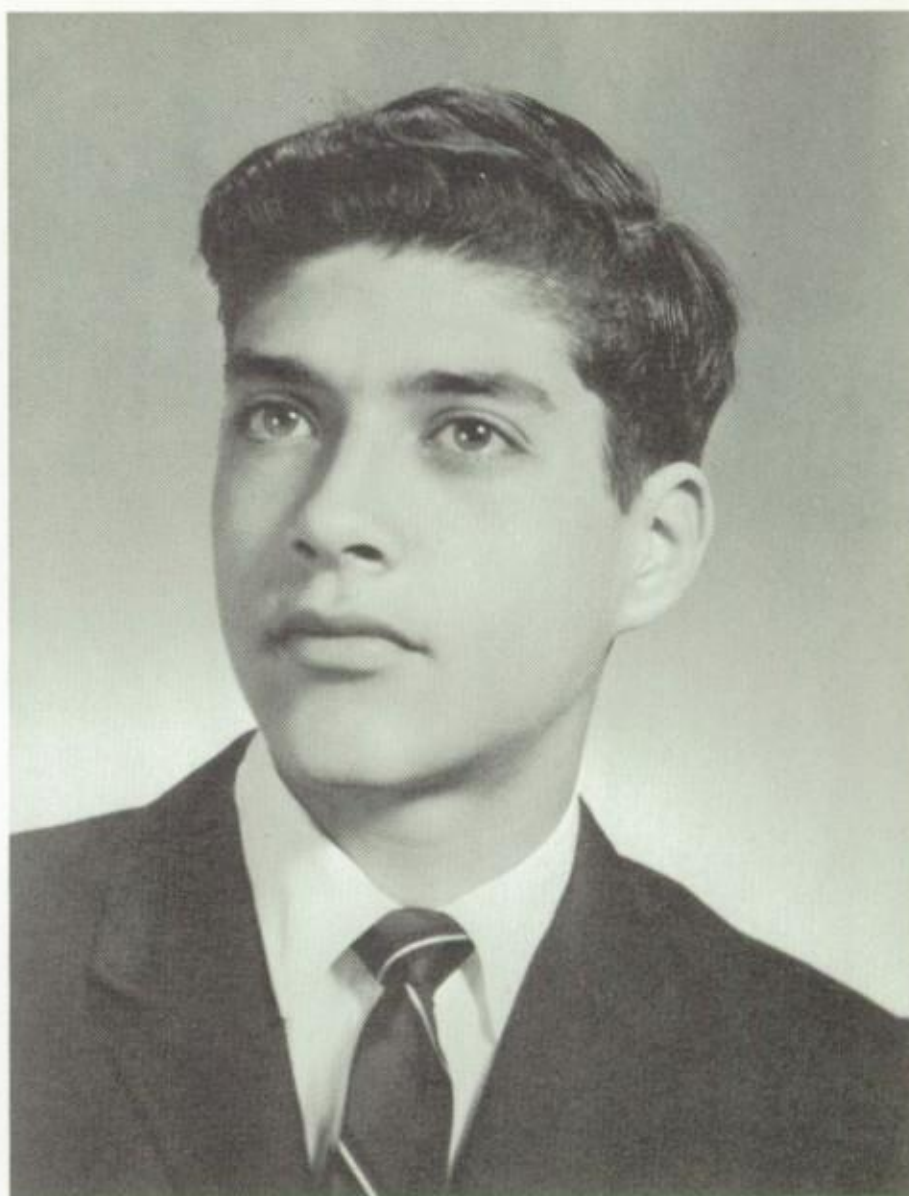

Rich, a one year man of the Academy, will always be remembered for his heated debates with a certain faculty member. He is known as the "Liberal" of the class because of his membership in a "Subversive Organization." We are sure he will do well at college.

STUART FREDERICK

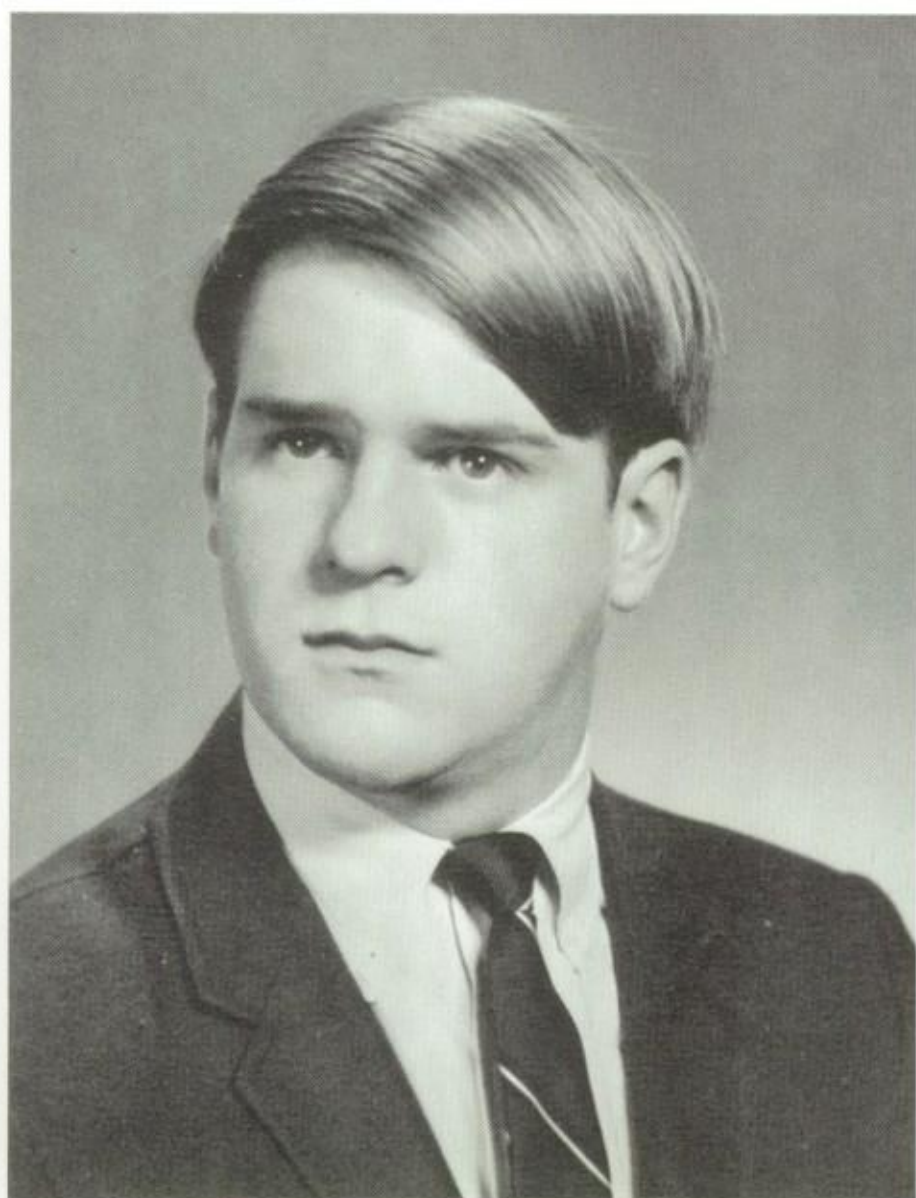

Math Club 3; Baseball 3; Yearbook Staff; Bowling Team 3, 4; Alper Club 4.

Stuart, better known as "Flipper" and "The Foot," hails from Westbury, New York. Stu entered Milford in his junior year and immediately made friends while taking giant strides toward perfection. He became one of the top students in the class, a steady man on the bowling team a star attraction at Bailey. Possessing one of the largest record collections, Stu earned the title of the man most likely to own Sam Goody's. His quick wit and beaming face have made him one of the most likeable fellows around. Stu has been accepted to Rider College where he plans to major in business administration. We wish Stu all the luck in the world and hope he will be a success in the business world.

class of 1967 .

HENRY GAMSBY

Football 1; Soccer 2, 3; captain 4; Lacrosse 3; Math Club 3; National Honor Society 4; Sailing 4.

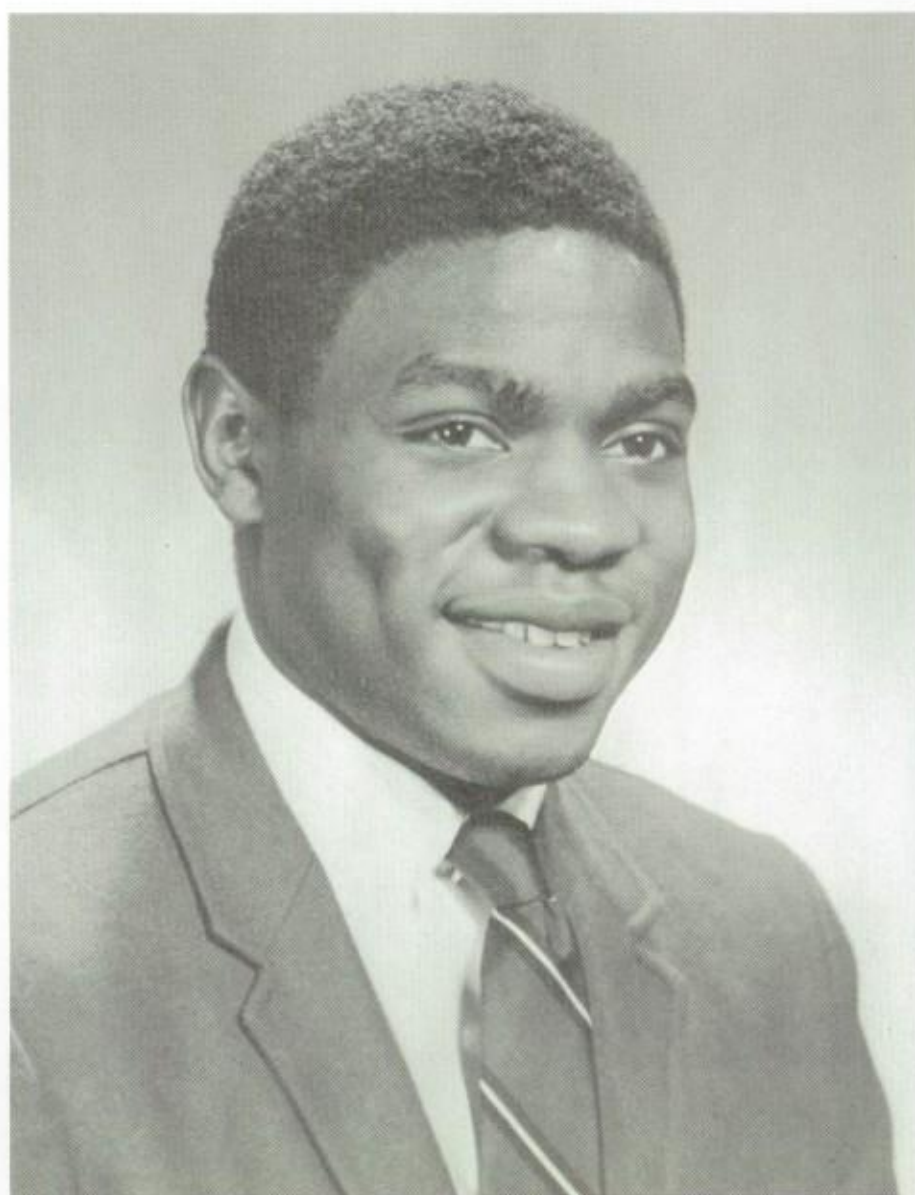

Henry has served Milford well during his four year attendance. He was captain of the soccer team and participated in many other extra-curricular activities. Having an alert mind, Hank is an excellent scientist and a Physics "whiz." Henry plans to matriculate at Bucknell University next year.

Seniors

LAVERN GASKIN

All-American Football Team 4; Basketball; Track; Cox Fan Club 2, 3, 4.

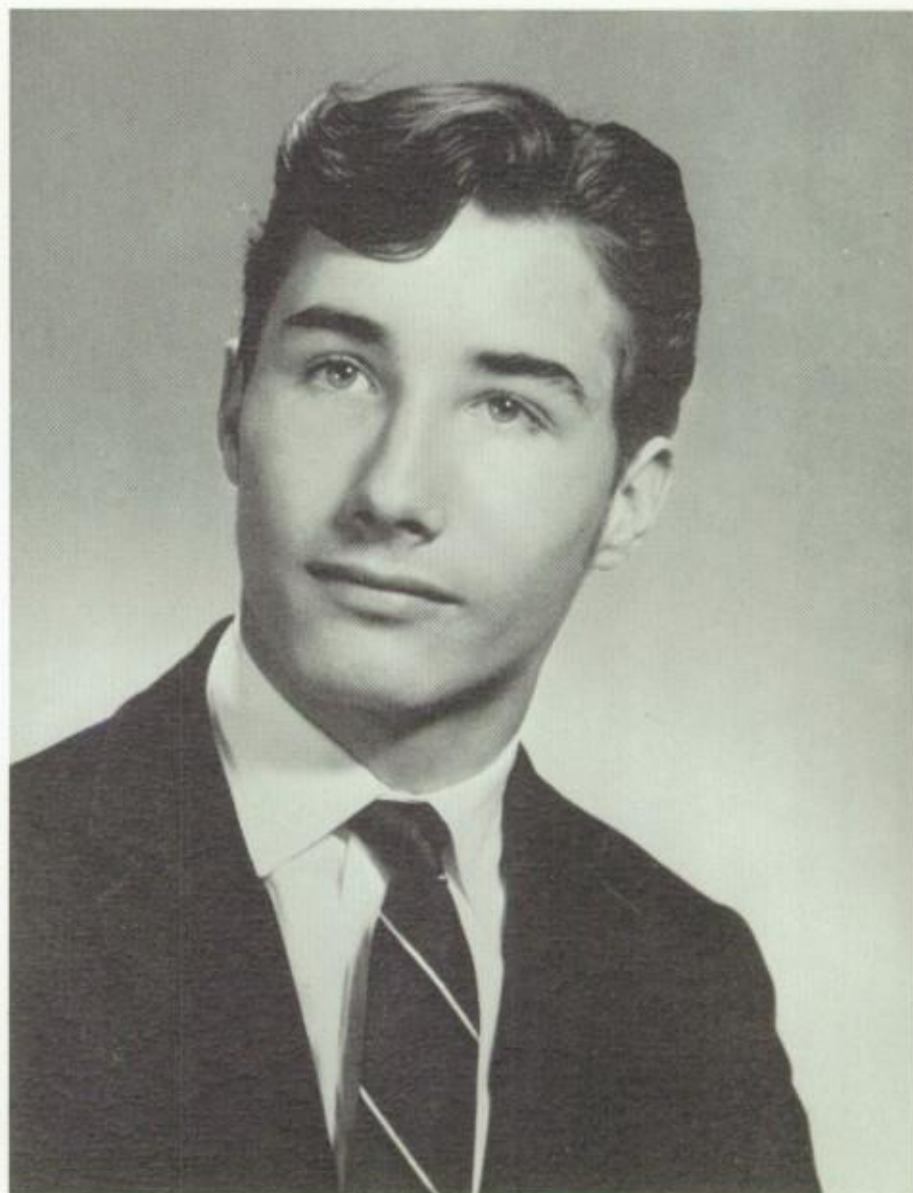

"Vern", alias number 33, was one of the best football players to step on the gridiron since Albie Booth. Being chosen as the All-Connecticut Prep School half-back and also to the All-New England team he goes to Kansas University with impressive credentials. Kansas is where the Kansas Comet (Gale Sayers) played and don't be surprised if a few of his records are shattered. A very affable gentleman off the field and a terror to his opponents on the field, Vern is respected by all who cross his path. Vern is also a very proficient track man running the hundred in 9.6 seconds he is one of the fastest schoolboys in the state, although Rodock swears he beat him. Lavern has been a credit to himself and the Academy and we wish him the best in the years to come and he knows we mean it.

PHILLIP GERLACH

Wrestling 2, 3, captain 4; Soccer 2, 3, 4; Varsity Club 4.

Phil manages to keep himself "engaged" in many activities. He has been a member of the wrestling team for three years and is one of this year's captains. He has definitely advanced the team with his own great individual record. He hopes to continue his avid interest in sports by majoring in Physical Education.

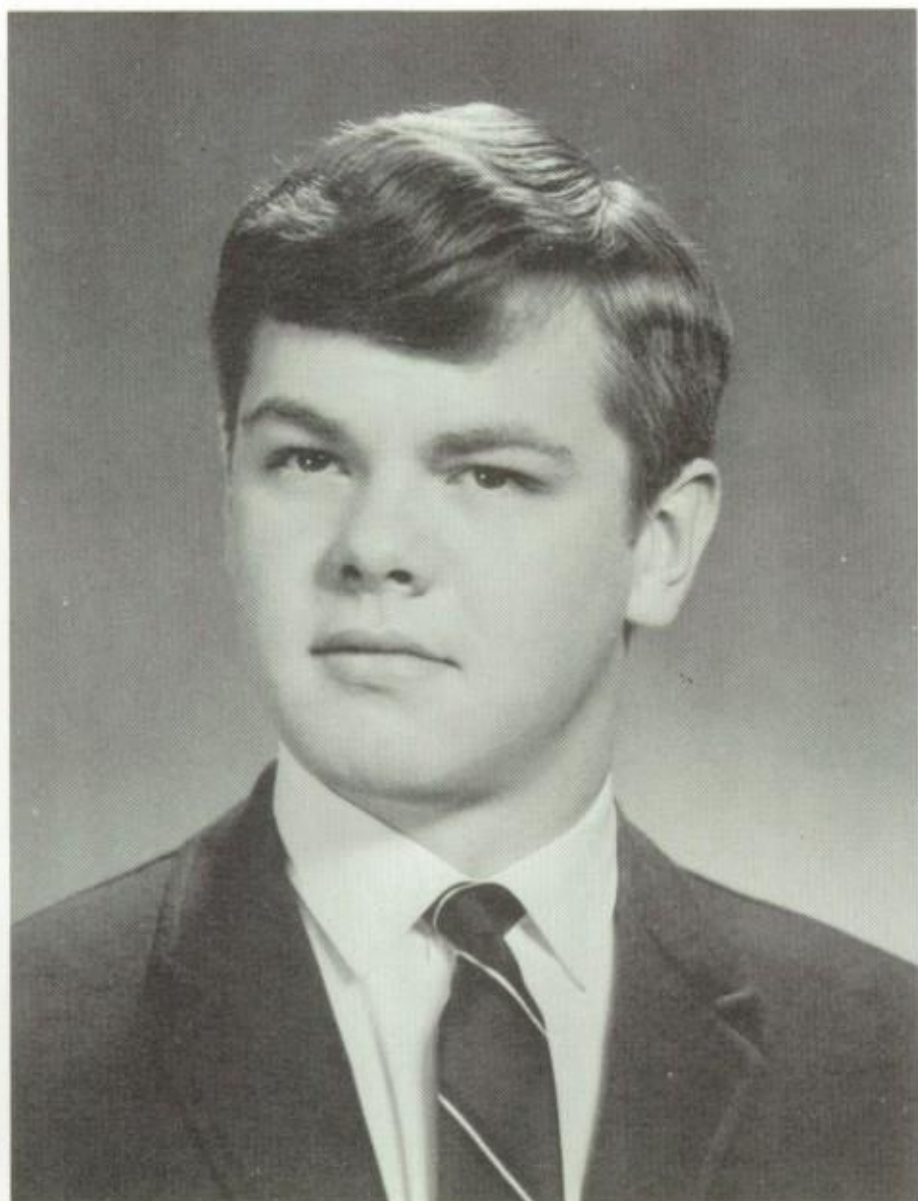

class of 1967

KERRY GLASSER

Science Club 3, 4; Tennis Team 3, 4; Bowling Team 3, 4.

Kerry has haunted Morris Hall and it's proctor for two years. Aside from that, "He Delights" his dinner companions with his "infamous" stories. Kerry along with his school brother Ivan, enjoys bowling and pool. We wish him luck in his future years.

ROBERT GREGORY

Press Club 4; Math Club 4.

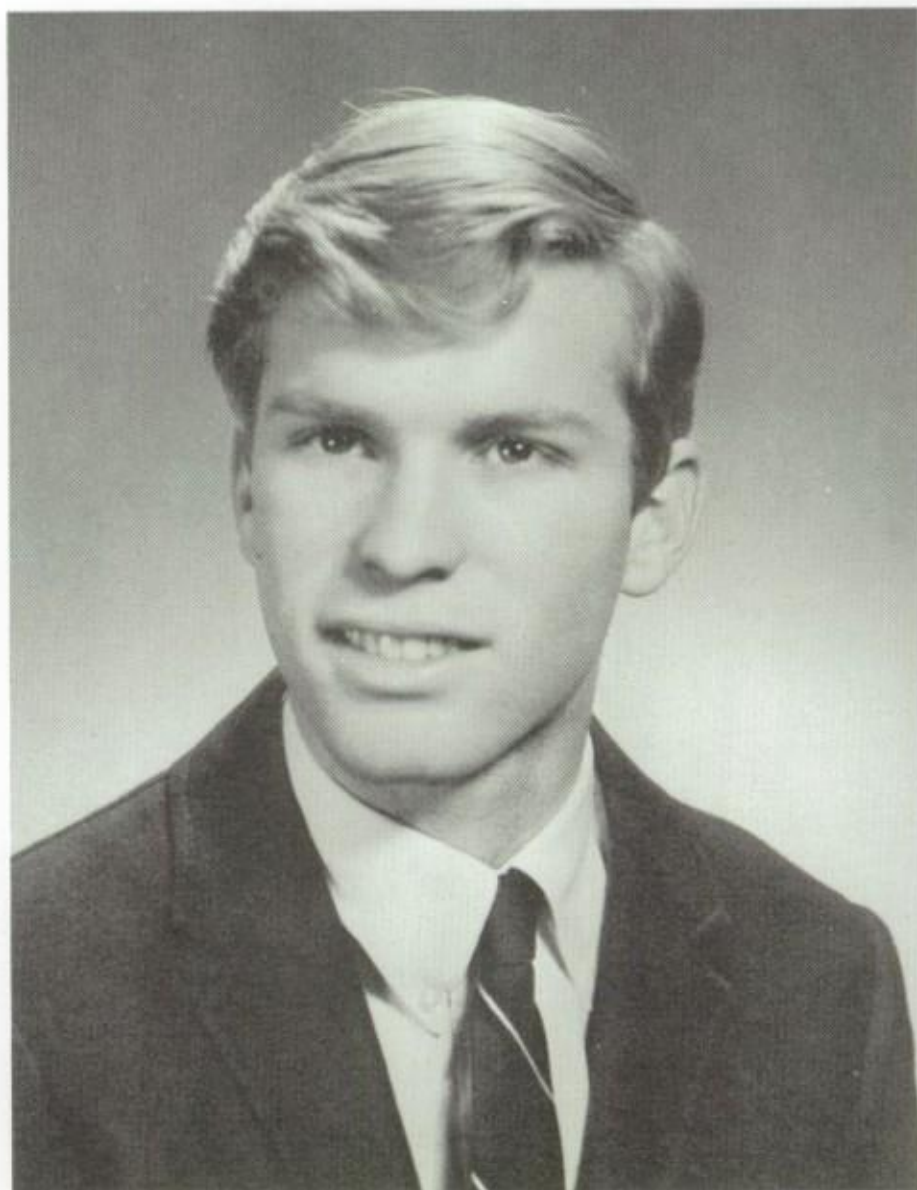

Robert entered The Rock in his senior year and immediately became known all over campus for his academic achievements. A whiz in all his classes, Bob excels in his chemistry class having achieved a straight A average. His ability in English, has enabled him to be placed in Mr. Jensen's advanced English class. We are sure that Bob with his exceptional academic ability will be a major success in college and in the field he intends to pursue.

Seniors

LARRY GROSS

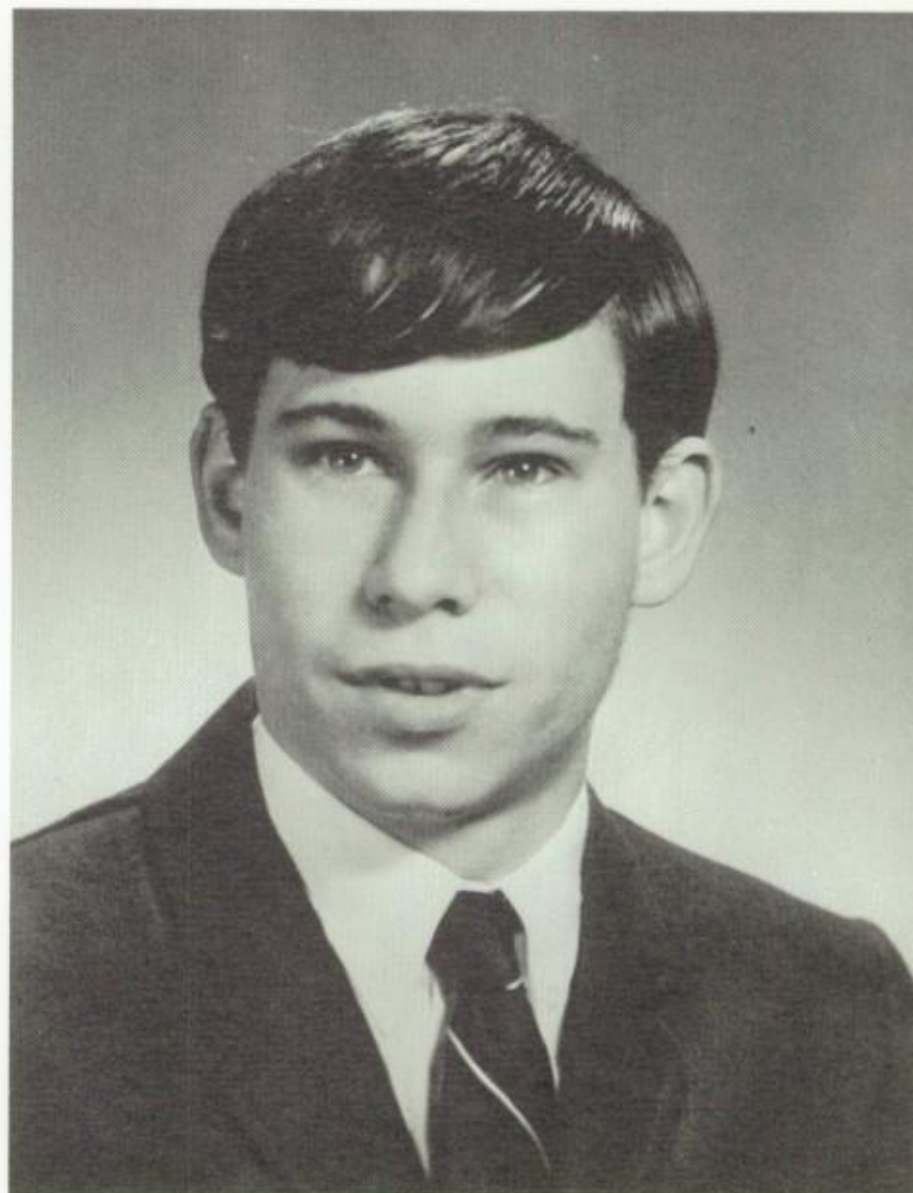

Bowling Team 4; Baseball 4.

Larry entered the Prep with illusions of grandeur but Mr. Bray changed all that. Residing in Morris Hall, Larry is known as the T.V. guide in Mr. Bray's room. In addition to being an outstanding math student for Mr. Rosenbaum, Larry also participates in the intramural program and bowling team. He is an important man on the team with a 195 average. We are sure that Larry will be a successful person in the future.

PETER GRUEN

Pete, a two year student and one of the few surviving men from Michigan and the Motown sound, is one of the nicest guys on campus. He is an avid basketball player and fan. Rumor has it that Pete has been giving Rodock a little something on the side for every time he stuffs the ball. He hopes to attend Bradley University where he will major in business administration with the intention of entering the field of law. We wish him the best of luck and are sure that he will be a success.

class of 1967

WILLIAM HARLOW

Ski Team 3, 4.

Bill has spent two years at Milford after attending Saint Thomas Moore for a year. You can usually find Bill on the slopes of Stowe or tagging along with Welch. He is a true gentleman and will gladly light your cigarette for you. Mr. Harlow says his fondest recollections of Milford were his little excursions on Wednesday and Saturday afternoons with Welch and the "Bailey Boys" last year. With Bill goes our best wishes and we are sure that a bright fire will always burn to light his path.

HERBERT HENKEN

Football 3, 4; Track 3, Co-Captain 4; Prefect 4.

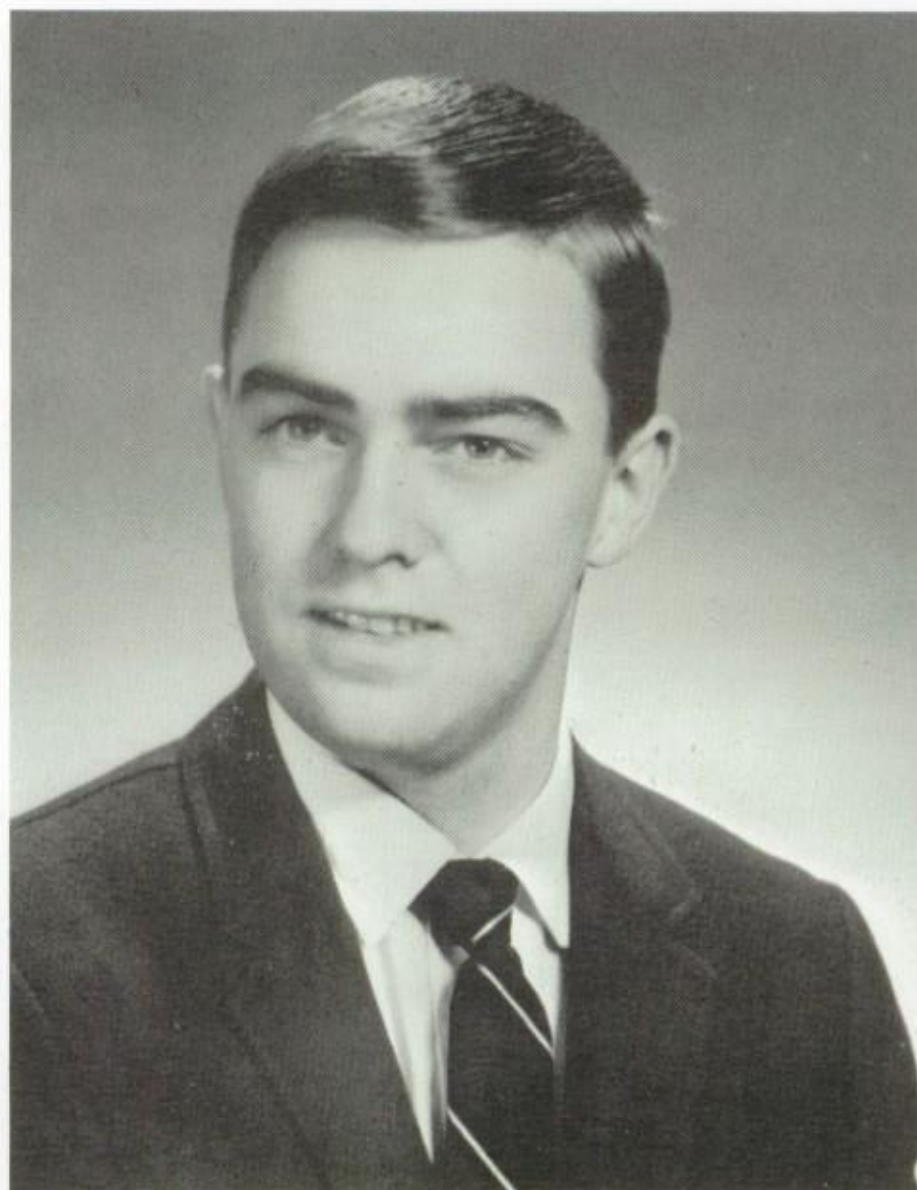

Herbie resides in Bayside, N.Y. but commutes daily from New Haven. Possessing one of the better builds on campus, we think Herbie over did President Kennedy's physical fitness program a little too much with his 20 inch arms. Herb is a P.G. spending his second year at the Academy so he can attend Yale University. He was one of the frightening sights on the grid-iron this year as a stand out tackle. The class of '67 looks for big things in his future and wishes him the best of luck in everything.

Seniors

RICHARD HILL

Chemistry Club 4; Bowling 4.

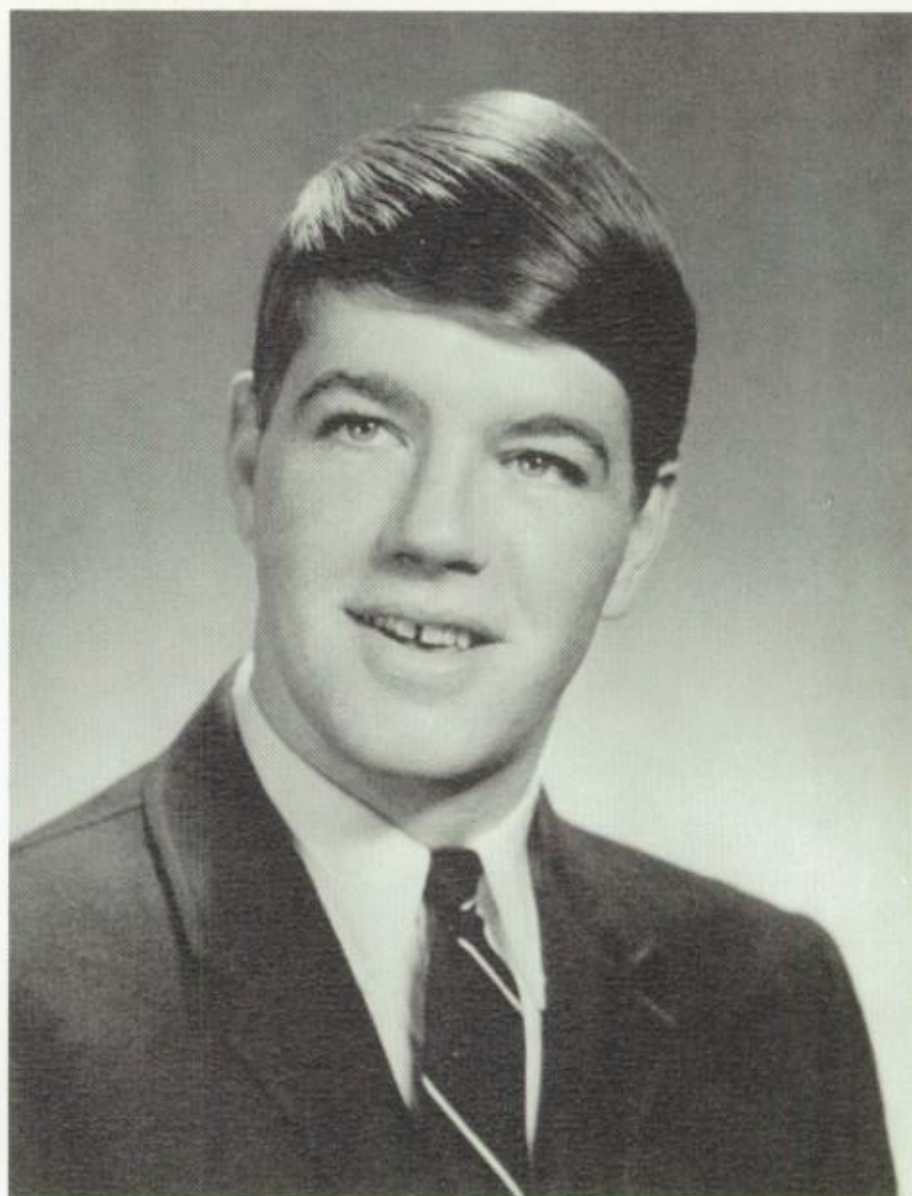

Rich, a P.G., is a new face on our campus. He is not often heard but his statements are profound. He is known for his collegiate "crew cut" and he wears it well. We hope that Rich will accomplish much at the college of his choice.

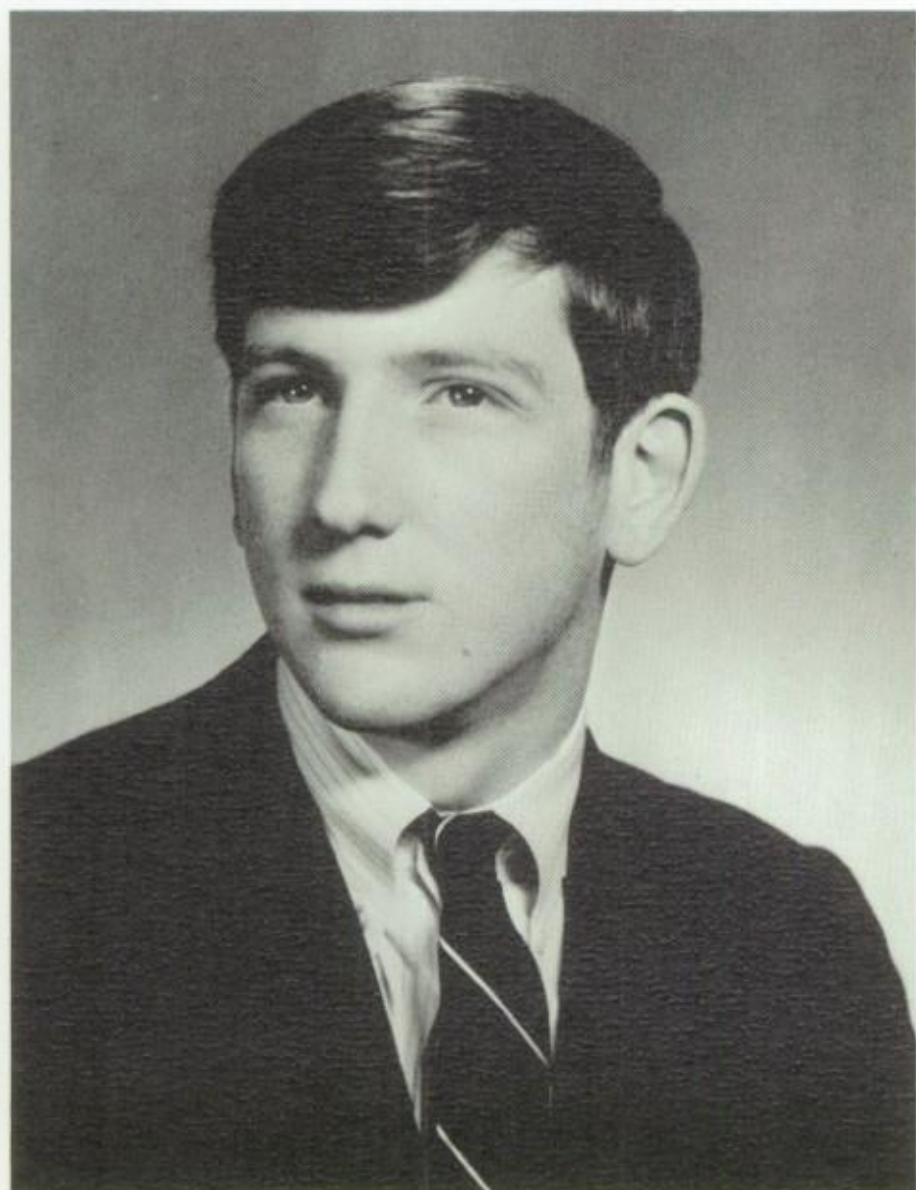

ROBERT W. HUCKABEE, JR.

Basketball 4; Baseball 4; Milfordian Staff 4; Current Affairs 4.

A cheerful addition to the Senior Class this year, "Huck" is a person of many qualities. He is probably best known for his taste of humor and the way he uses it. With that "Bostonian" accent, his jokes are . . . well . . . different. Besides his usual joking self, his reliability in his academic subjects is nothing to fool around with (You might even think he's serious). As far as athletics go, "Huck" has contributed his share. He is a member of this year's starting five on the basketball team where he averages close to ten points a game. On this year's baseball team, he is supposed to be a threat to all opponents. Along with athletics, music takes up much of his time. His favorite song is, "When Johnny Comes Marching Home."

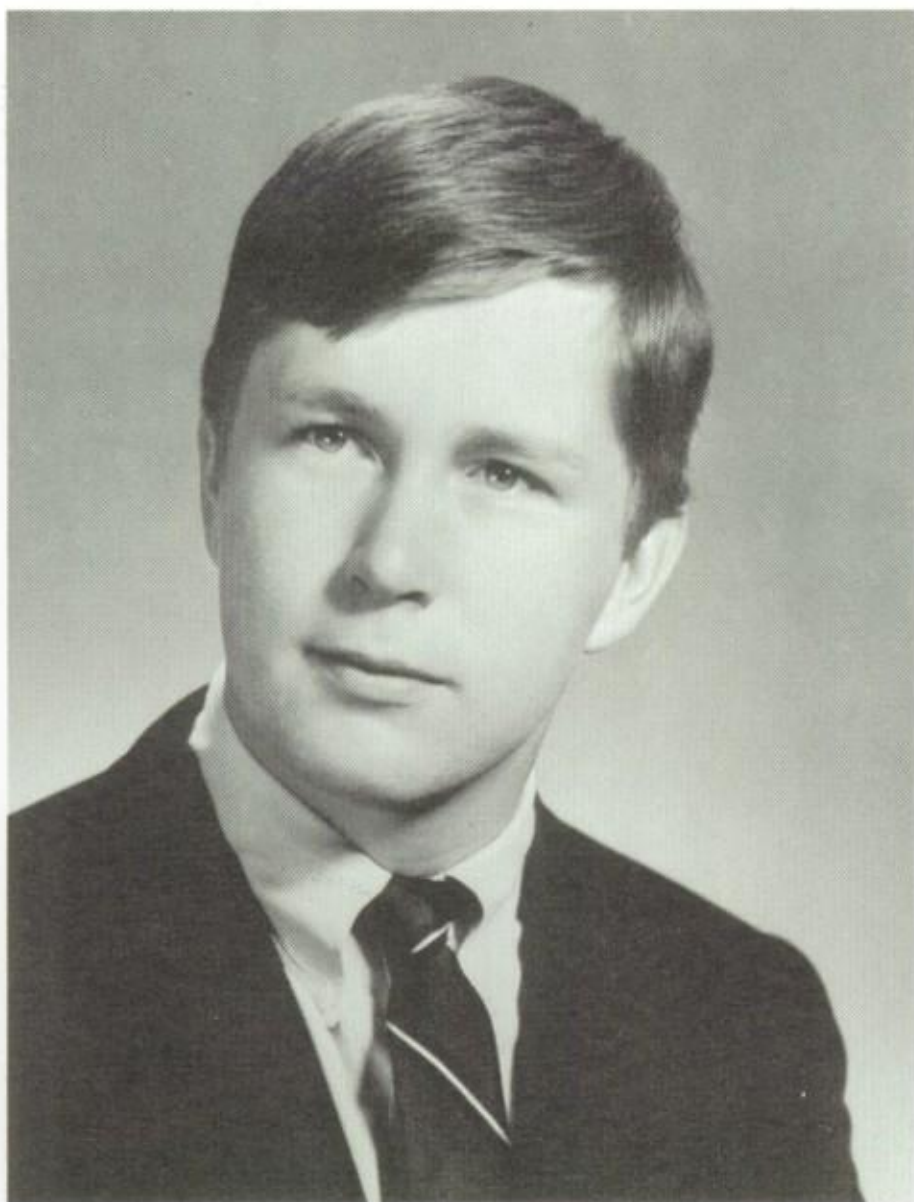

class of 1967

MICHAEL IANOTTI

Basketball 1, 2, 3; Football 1, 2, 3; Baseball 2, 3, 4.

Mike is a well known figure at Milford. Mike! Mr. Farrell is still waiting for his pen! Known for his yellow Tempest, Mike can be seen riding around in his car during school. We are sure he will have much success in the college of his choice.

MICHAEL INJAYCHOCK

Basketball 2, 3; Baseball 2, 3, 4; Football 2, 3, 4.

Mike was one of the biggest surprises on this year's football team. He was chosen one of the most valuable linemen by the team. One can usually find Mike in the senior lounge having it out with Welch and the rest of the crew, and if you're lucky you might even catch a view of him and Dehm night-hawking on a Saturday night on the Milford "Strip". "Chocker" hopes to attend the University of Connecticut to stay with Dehm and terrorize Storrs.

Seniors

ROBERT JOHNSON

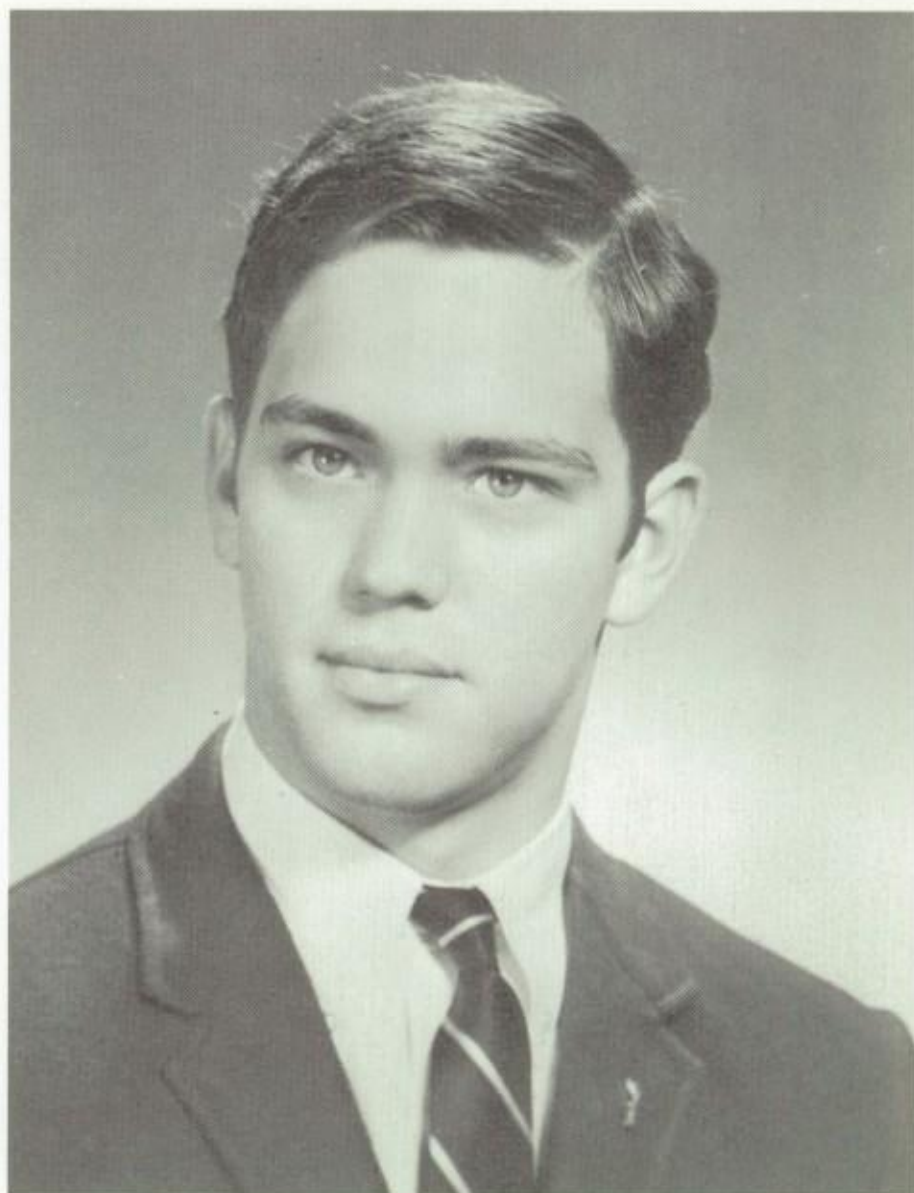

Bob came to the Milford Academy for his post graduate year after graduating from Milford High. His main interest is in the field of sports, followed closely by his acquaintances with the "Opposite Sex." We hope Bob the best of luck in the years to come and are sure of his success.

STEVEN JOLIS

Social Committee 4; Football 4; Prefect 4.

Steve is attending the Academy for the first time. He was an alternate lineman on this year's 6-0 football team and was always ready to do a good job whenever called upon. Steve will have no trouble getting into the college of his choice. We wish him luck in whatever he may do.

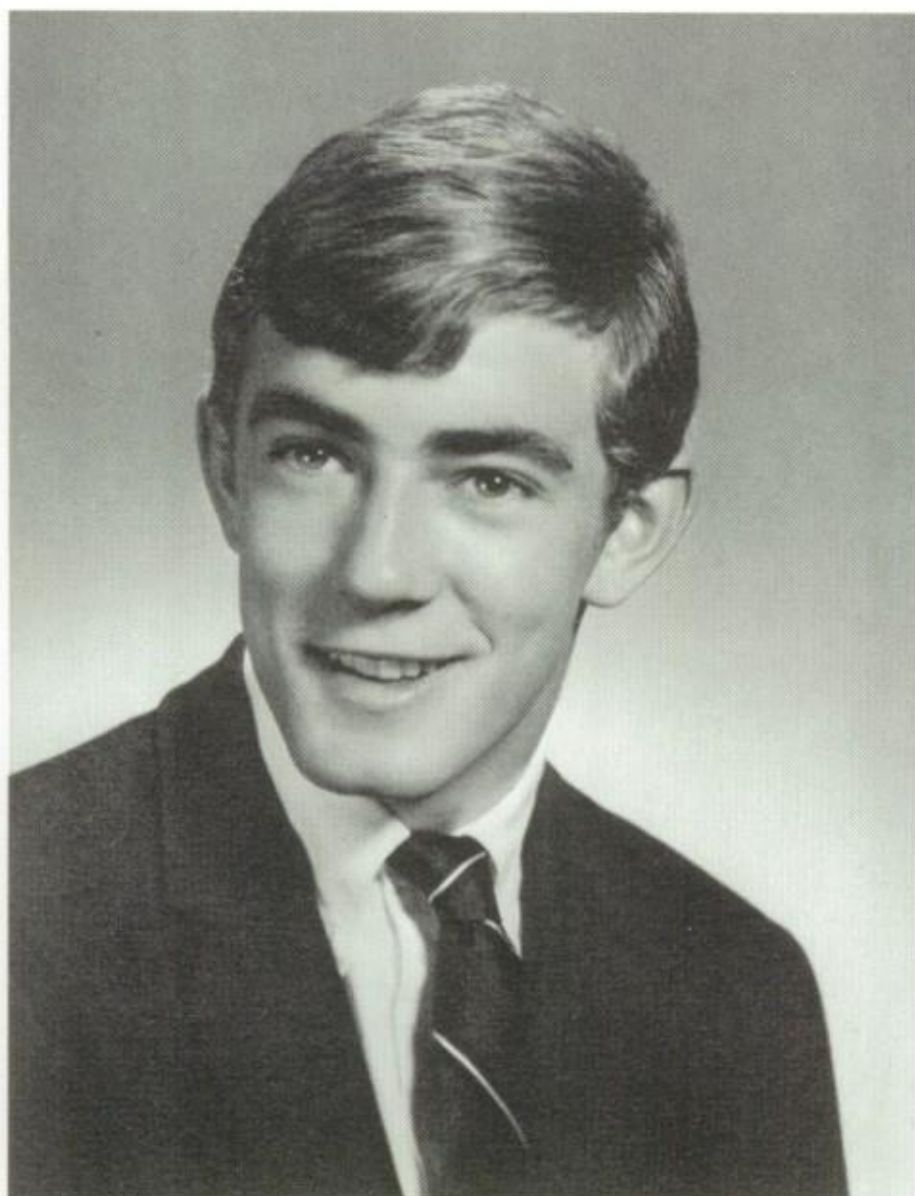

class of 1967

GREGG JULIANO

Often seen in the lounge with "The Boys." Gregg is one of the New Haven "Flashes." He is known for his meticulous taste in women. Always the life of the party and always gay.

EDWARD ROSS KERWIN

Wrestling 2; Basketball 2, 3; Soccer 3, 4; Lacrosse 4; Press Club 4; Milfordian Sports Editor 3, 4; Typhoon 3, Sports Editor 4; International Relations Club.

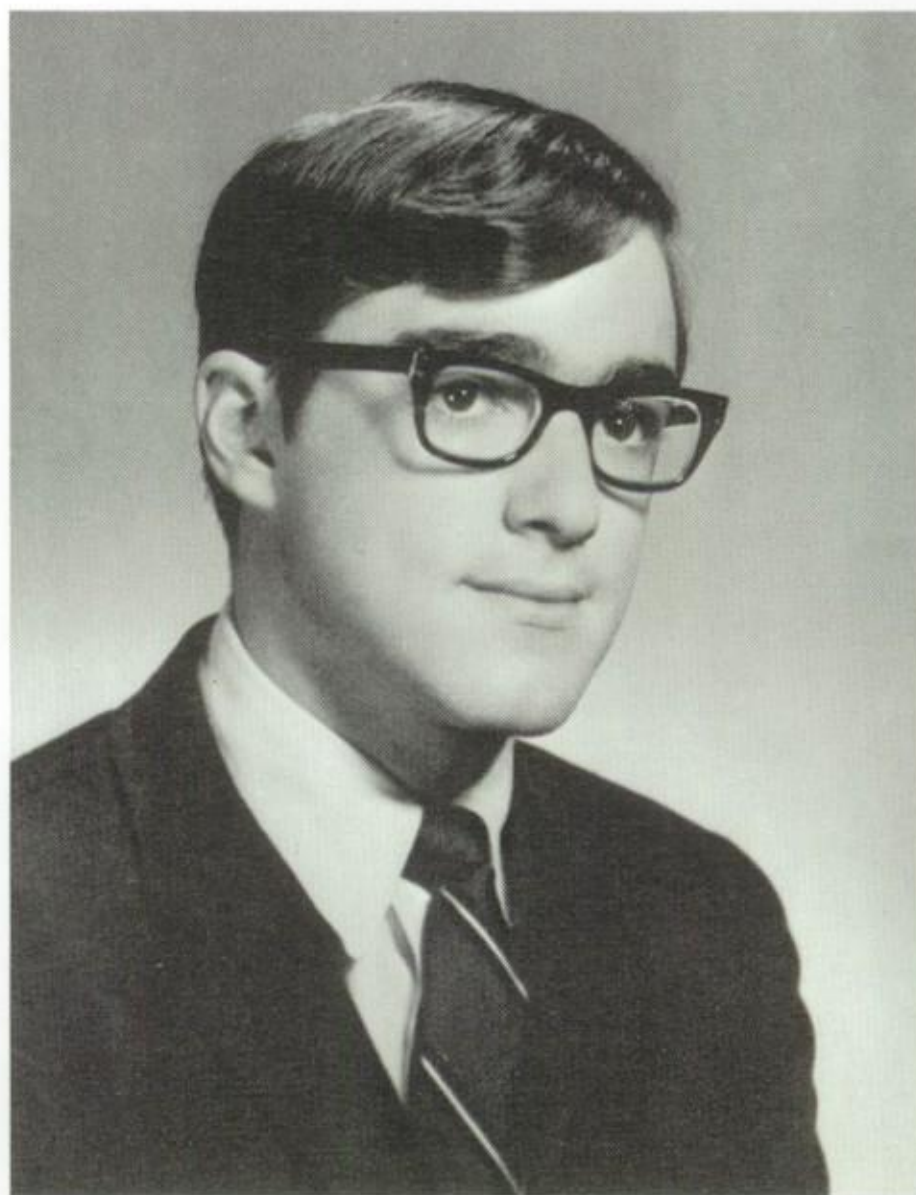

Ed, a veteran of three years at Milford, is one of the most popular boys on campus. Coming from the "Garbage State", he is best known for his quick wit, smiling face and good looks." A great athlete, Ed excels in all sports. A star on this year's soccer team and intramural football and basketball teams he always made his presence known. He hopes to attend Washington and Jefferson College next year. We all know Ed will be a success in whatever field he chooses and wish him the best of luck in the coming years. Milford will not be the same without him.

Seniors

MITCH KOMISAR

Newspaper 1, 2, 3, 4; Typhoon 2, 3, 4; Tennis 3, 4.

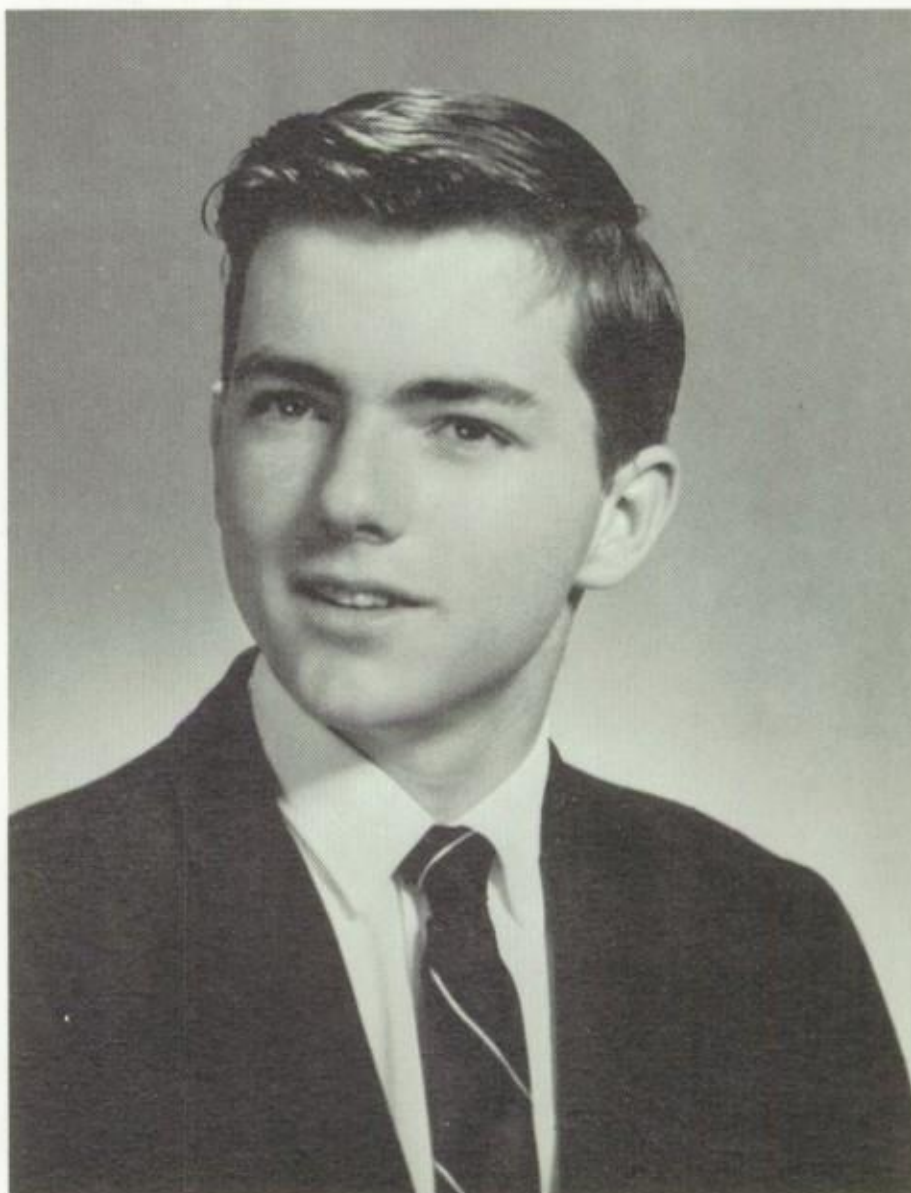

Well-dressed, well mannered, well liked; that's Mitch. Mitch is the type of friend that a person would really like to have. He is liked by all the seniors. You can tell Mitch is coming towards you because there is always a smile on his face. Mitch is in; but he feels that many of the things on the Academy are out! We hope that Mitch makes a good mark when he goes to college and we wish him luck throughout his life.

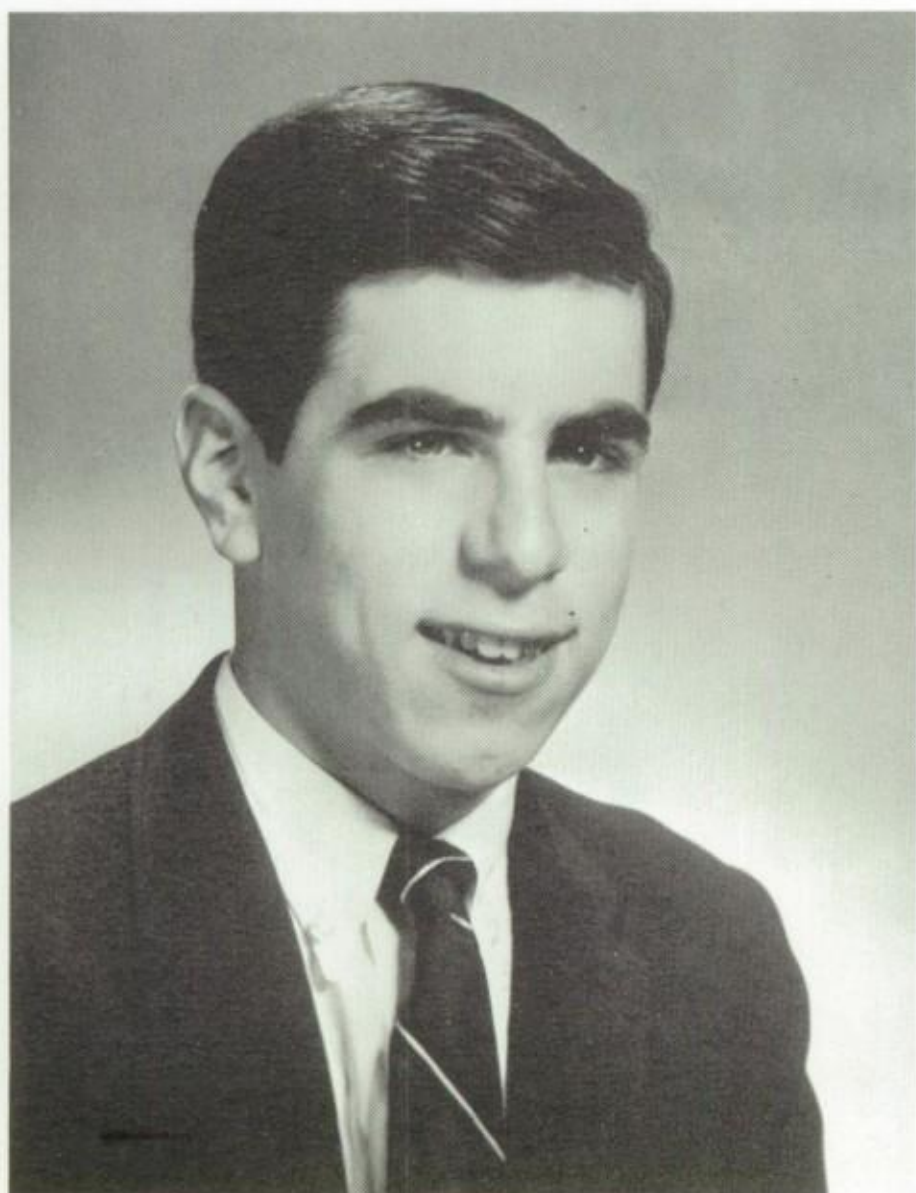

GLYNN KRUGER

Basketball 2, 3, 4.

"Krug", as he is known to his friends, is one of the original members of the class of '67. He has earned a place on this year's varsity basketball team, a feat which is not easily attained. With an outgoing personality Glynn has had no trouble making friends on campus. We are sure that his lasting desire for knowledge will aid him in his future years at the college of his choice.

class of 1967

STEVEN KWIAT

Varsity Club 3, 4; Math Club 3; Basketball 3, 4; Tennis 3, Captain 4; Newspaper 4; Yearbook 4; Biology Club 4; Dorm Committee 4.

"Panch", a two year man at Milford, hails from Paterson, New Jersey. Because he's fast as lightning on the basketball court and has the quickest tennis racket in Milford doesn't keep him from being modest. Steve, besides being an athlete, is a superior student and is constantly on the honor role. Steve has made many friends here with his friendly and helpful ways. We know a superior person like Steve can do nothing more than succeed in life.

ROBERT LaROCCO

Library 1, 2, 3, 4; Typhoon 1, 2; National Honor Society 3, 4; Drama Club 2, 3, 4; Milfordian 4.

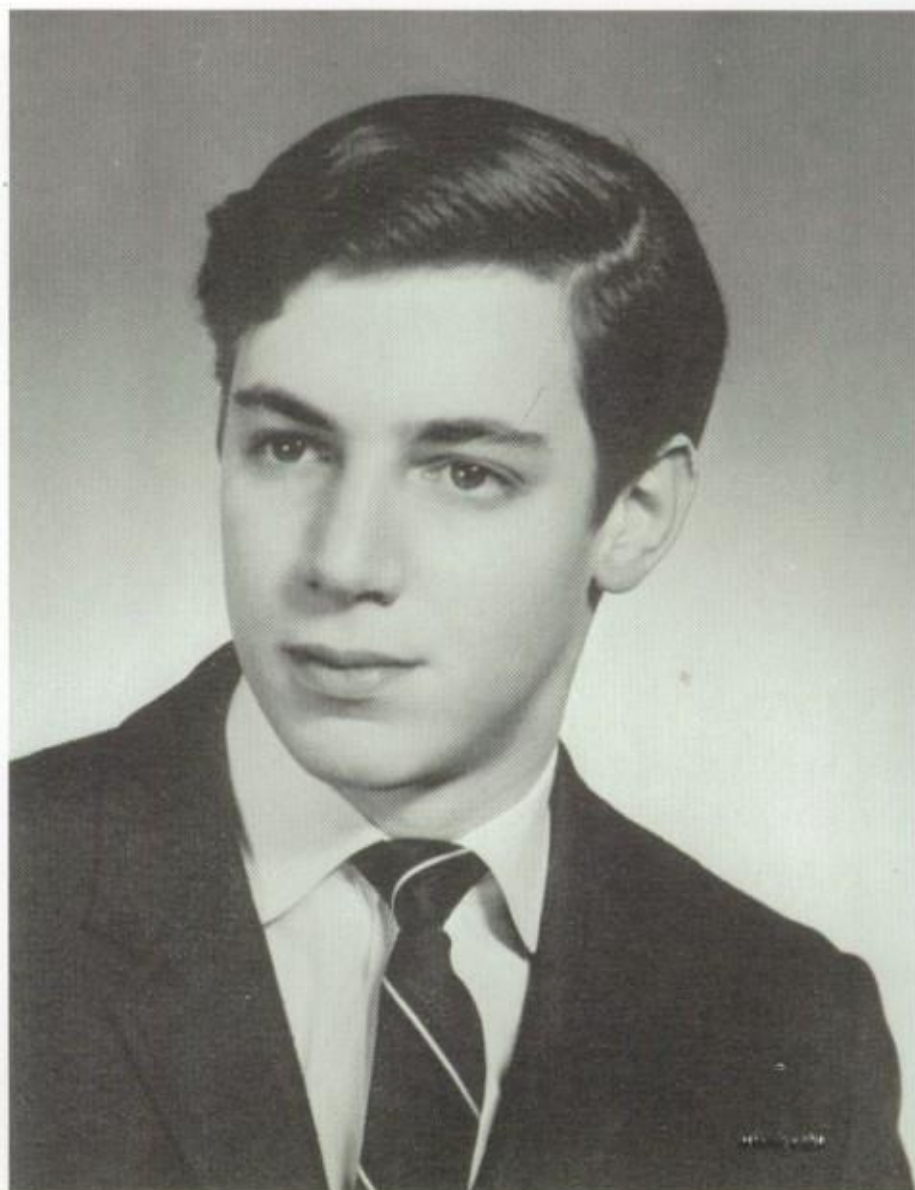

Bob, the winner of the Evelyn Pearson Cup, has been an outstanding member of our class for four years. He is a true friend to all and is very often found assisting his fellow students. During Bob's leisure time at the Academy he would often display his talent at the piano. One of Bob's greatest achievements was to be elected to the National Honor Society. Bob will attain other such honorable achievements in the future years.

Seniors

PETER LANDIN

Debating Team 3, 4; Biology Club 3, 4; Chess Club 3, 4.

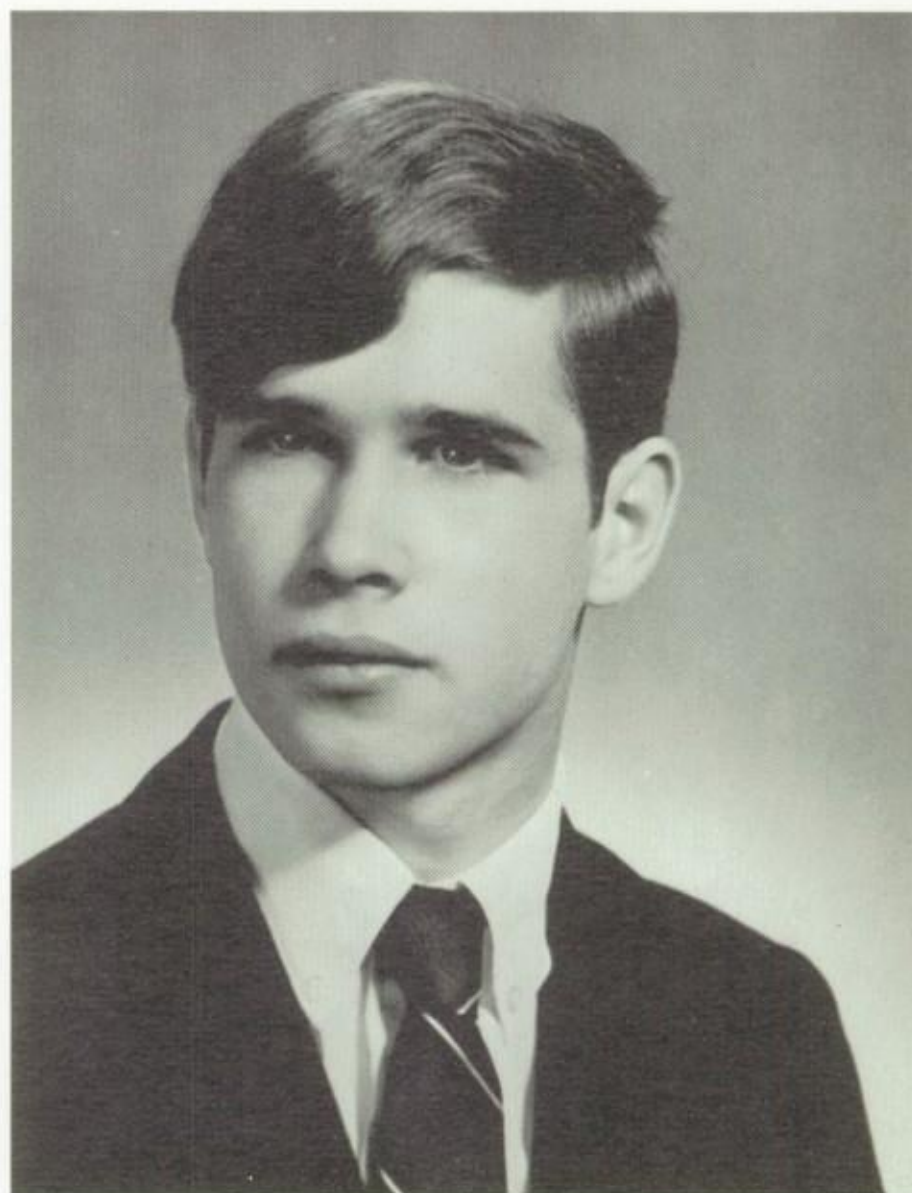

Pete is another of the many boarding students who hail from the Empire State. Pete's great ear for sound has fooled many a language novice. A consistent student and wrestler he will leave many fond memories with classmates and schoolmates alike. We wish that all Pete's dreams come true.

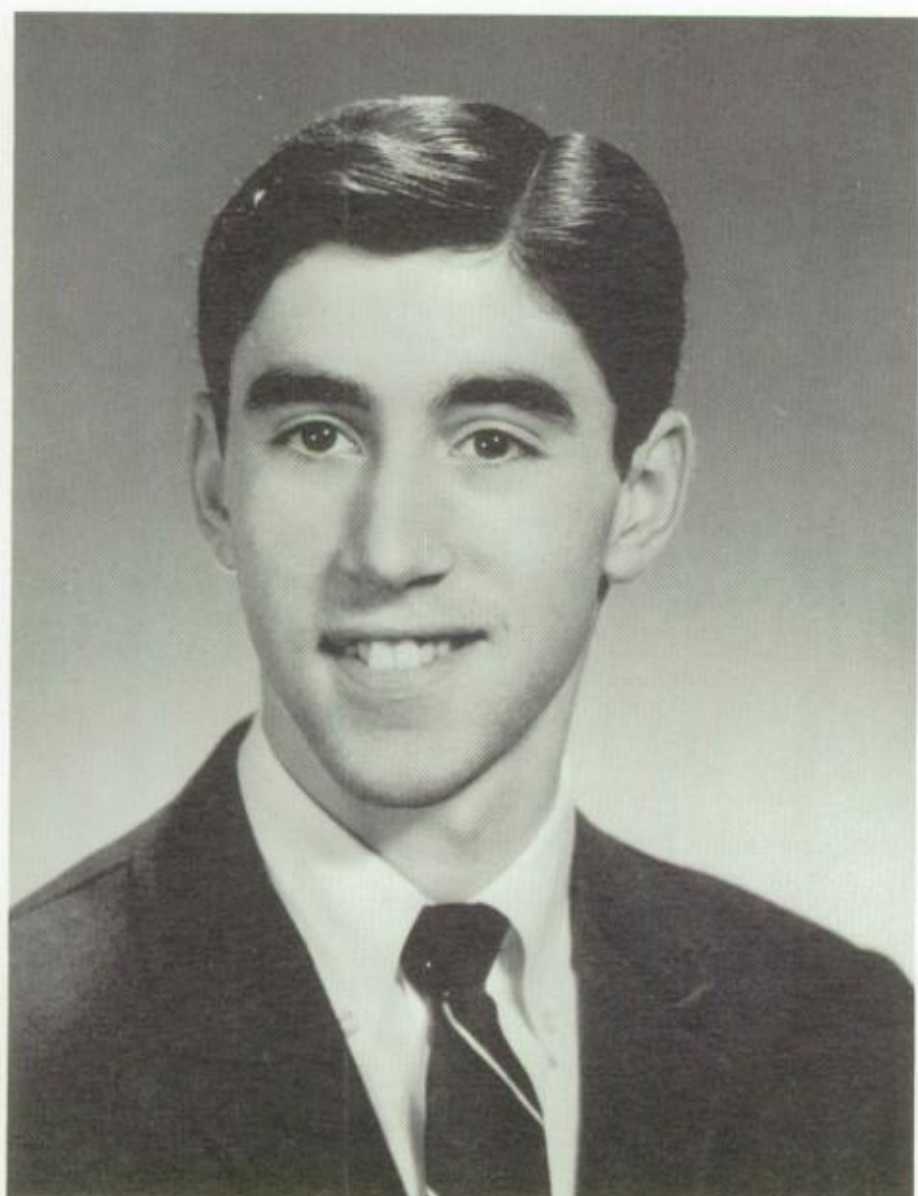

ROBERT LEPPER

Basketball 1, 2, 3, 4; Baseball 2; Library Club, Vice President 2; Math Club 3; Spanish Club 3, President 4.

Bob is one of the original members of the class of '67. He quickly established himself as one of the more prominent men on J.V. Basketball team in his sophomore year. Academically, Bob is a well rounded student excelling in Math and Spanish. Bob's superiority in Spanish led to his being elected president of the Spanish Circle. With his fine personality and determination, he should have no trouble succeeding in the future.

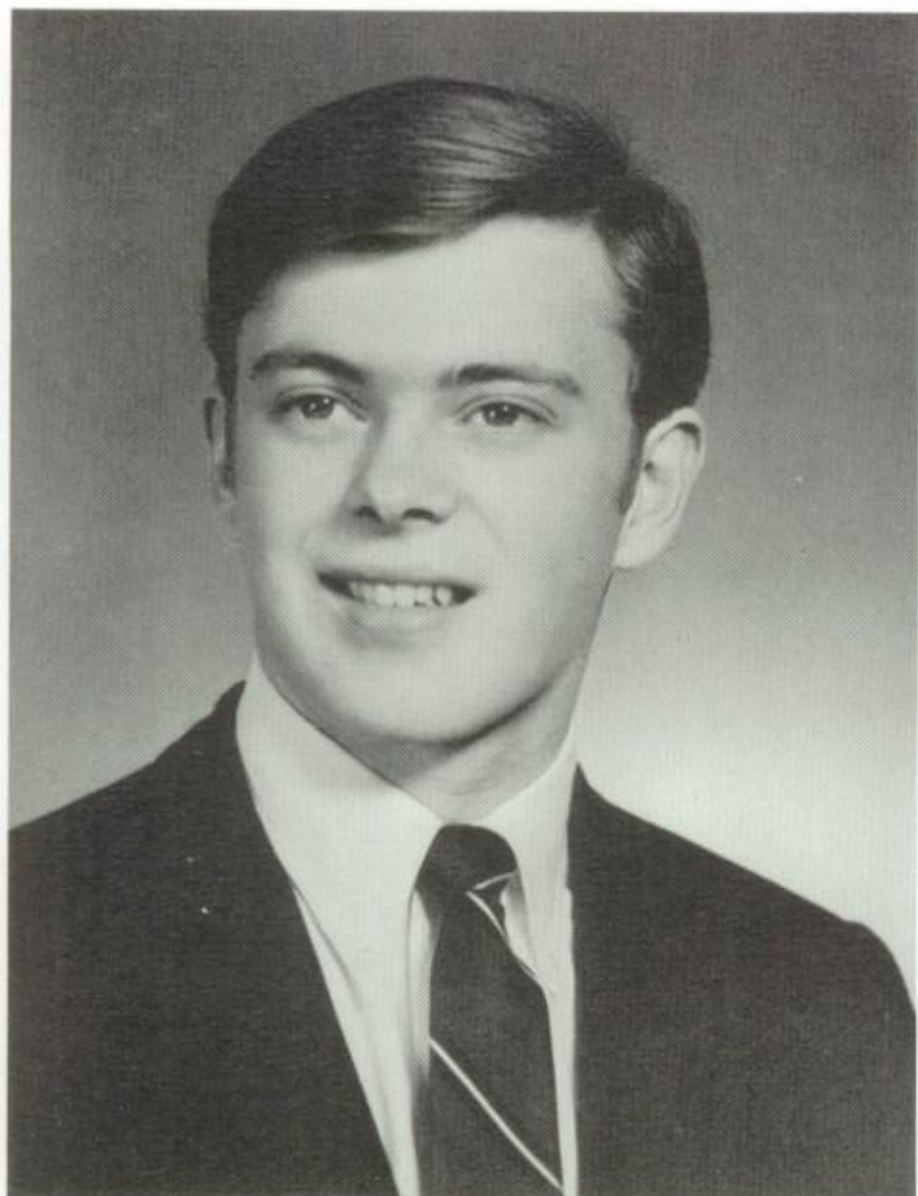

class of 1967

RONALD LIPSHER

Milfordian Staff 4; Globetrotters 3, 4.

Ron came to us for his last year from Hillhouse High, New Haven. He is the tall, silent type. When he speaks it's wise to stop and listen for you can learn something. Ron likes to show his finesse on the basketball court, inside or out, and he should be considered as a fine prospect for the team. We all know Ronnie will achieve whatever he sets out to do.

MALLORY LOEWE

Track 2; Football 3; Ski Team 3, 4; Chemistry Club 4.

Mal is a three year man at the Academy. During those years he has won friendship and the respect of all his classmates. Mal has left a memorable past at Milford and the students will remember him. For Mallory we wish that sunshine lights every path he may walk.

Seniors

DAVID LONGHI

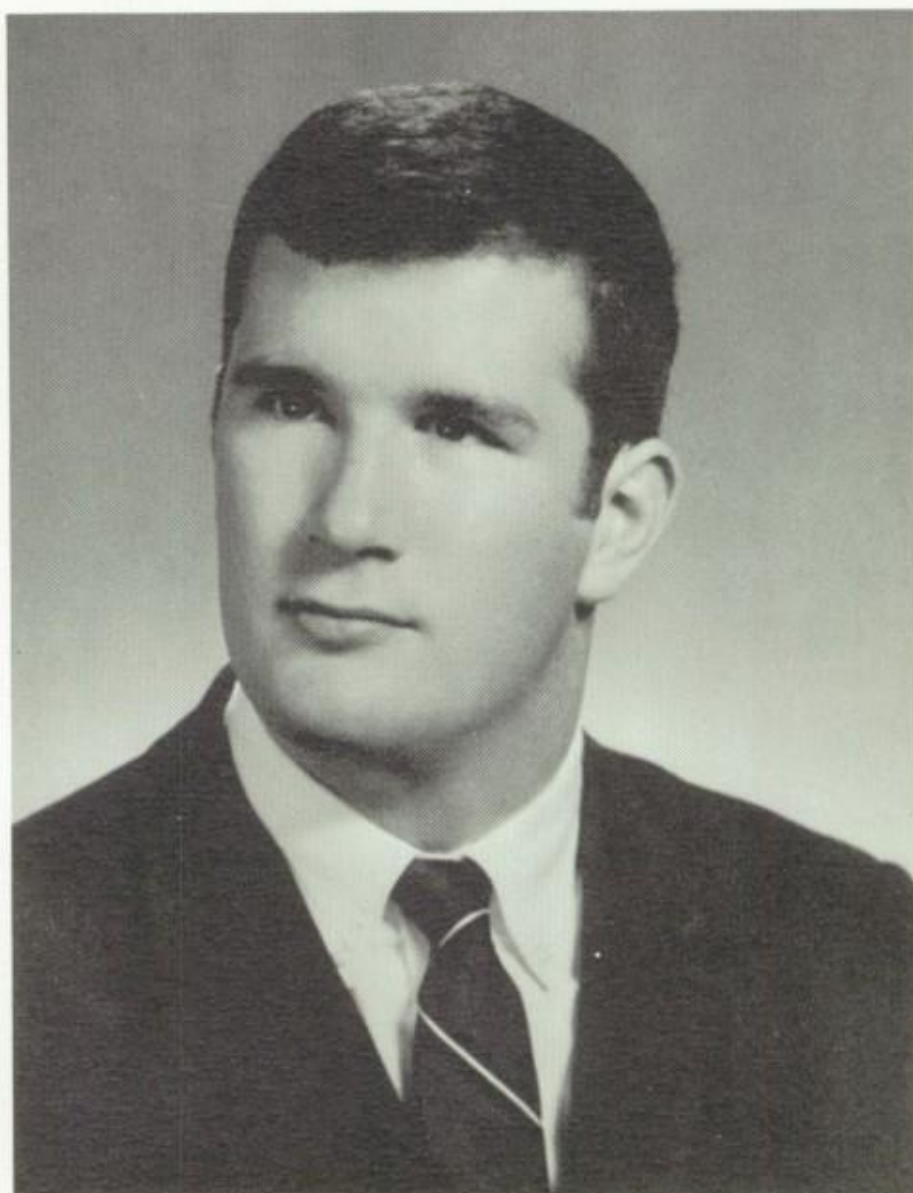

Football 3, 4; Basketball 3, 4.

Dave is one of the most personable students at the Academy. His adaptness in class has won him the honor of being one of the ten top students. As well as being a constantly good student. He has also been a mainstay on the Varsity basketball team for two years. His good nature has endeared him in the hearts of his classmates and we will long remember him. The graduating class of The Milford Academy wishes him all the luck in the world.

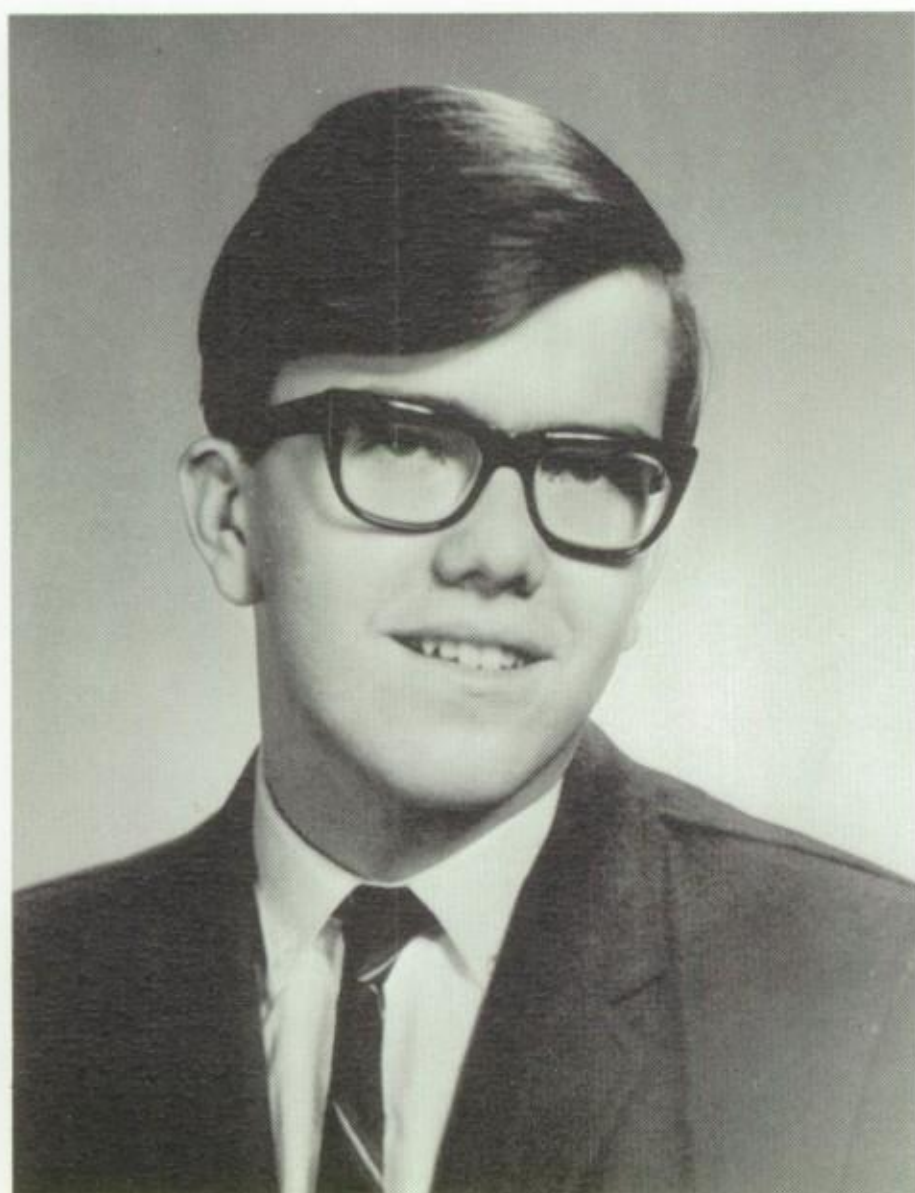

KENNETH MacKENZIE

"Half-A-Pac Mac", as he is fondly referred to by his schoolmates, is probably one of the nicest guys ever to graduate from this school. His wit and keen sense of humor have livened up many a football and wrestling practice, not to mention Bruenig-Welch word wars. We know that Mr. Downey will never forget his clowning in practice and his performance on the gridiron, nor will Mr. Gorman forget his excellent performance in chemistry. We wish Ken the best of luck in whatever he may do.

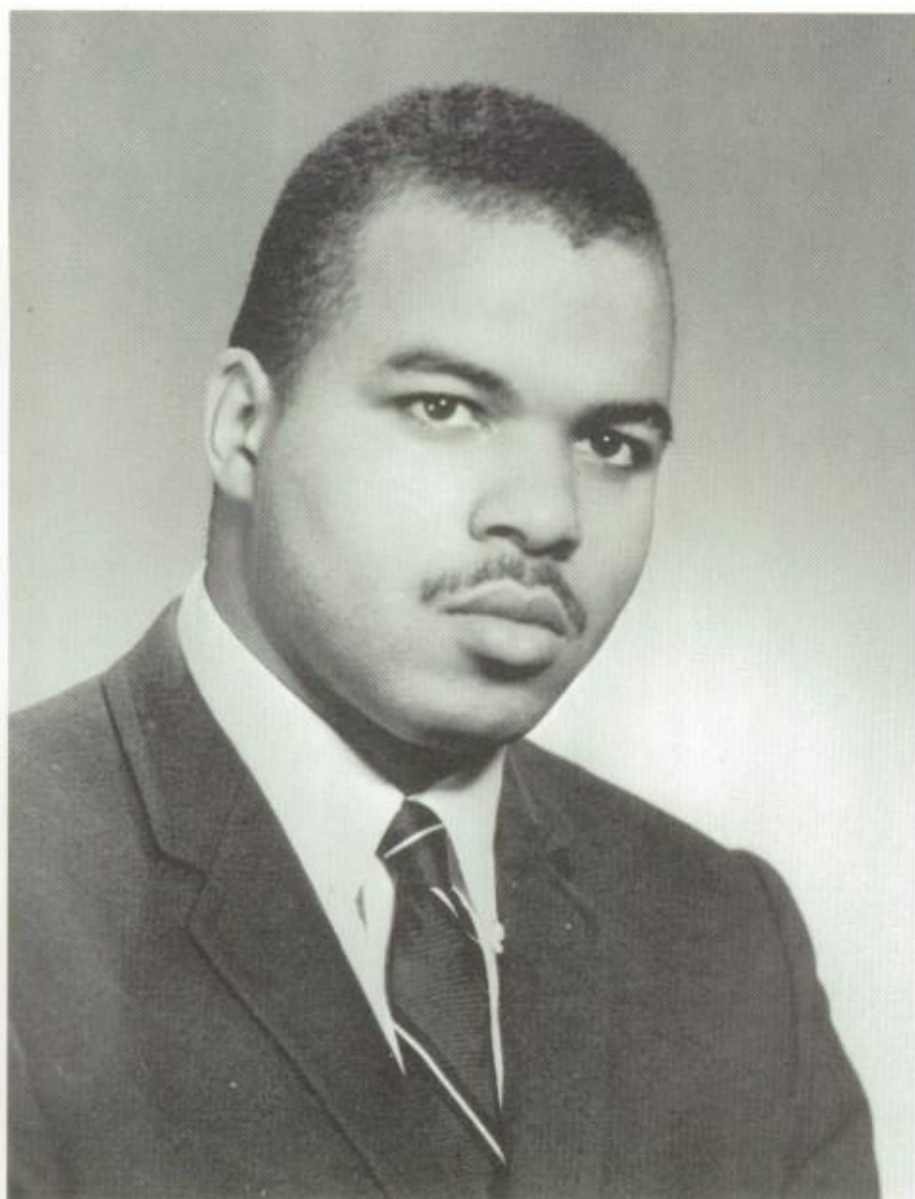

class of 1967

ROBERT EDWIN LUCHT

"Bob-a-Lou" has been a very active member of this year's class as his credentials will show. Bob's hang-out is the library, that is where he can always be found. Next year Bob will be going to the University of Michigan, where he hopes to major in history. The senior class wishes Bob "Lots of Luck."

CLIFTON McCLURE

Cliff is one of the truly generous guys at Prep. You'll never see him without a smile or a cheerful "hello." He has a terrific sense of humor when you're in a tough spot and always comes through with the key line. Cliff just made it here, for he almost got caught by his famous uncle, Sam that is. Cliff still admits that English is his best subject; that is if he can have Mr. Farrell for it! Cliff has the desire to make it the field of his choice, and only needs a bit of time before he'll make the top.

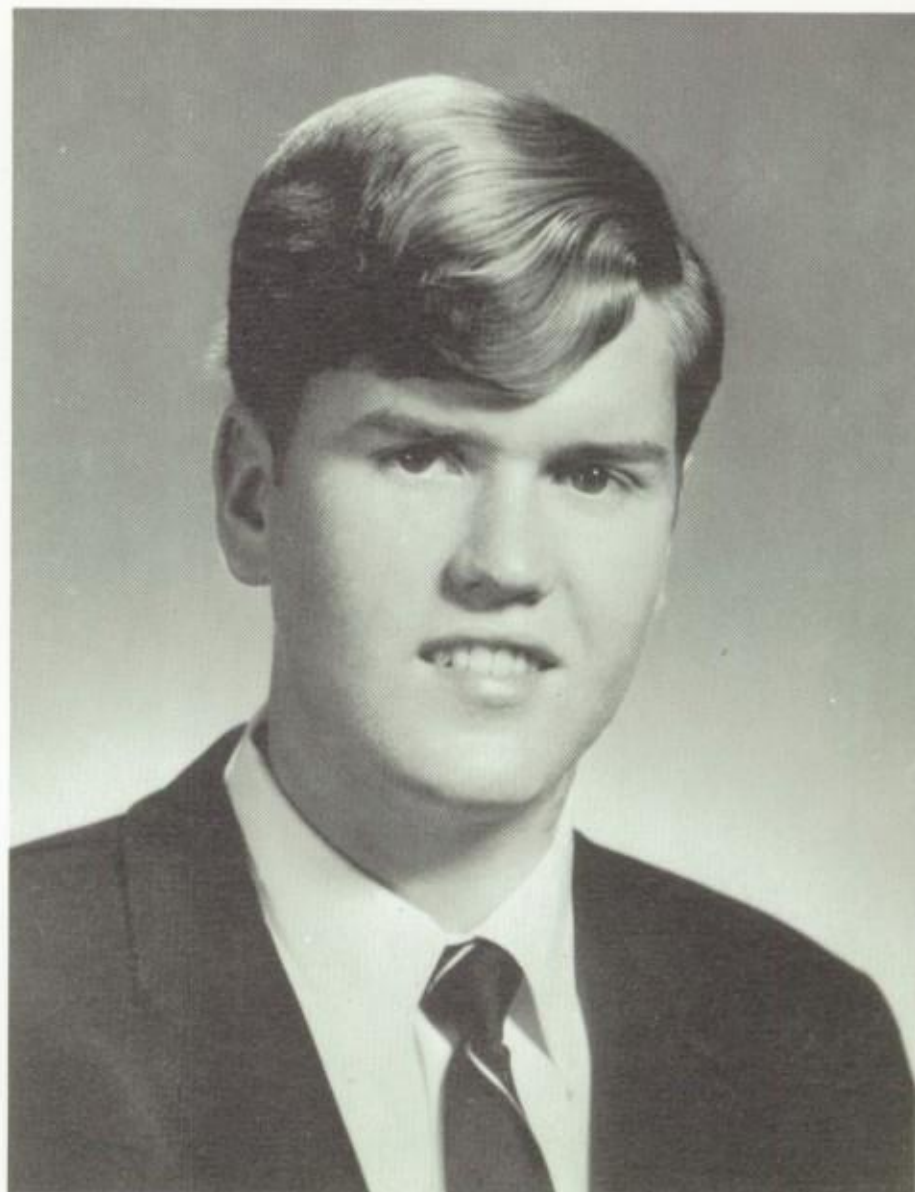

Seniors

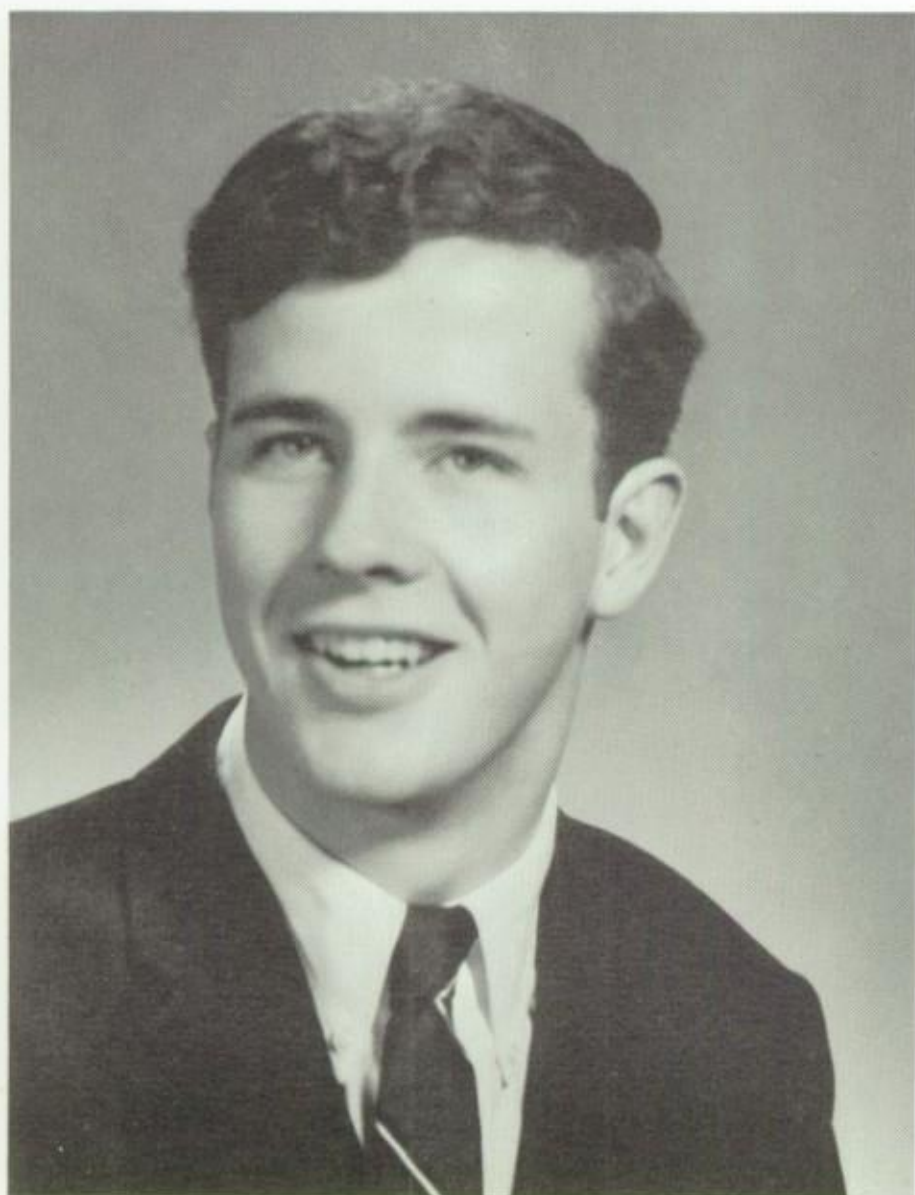

JAMES PATRICK McGOVERN, JR.

Debating Team 3, 4; Current Affairs Club 4, Basketball 3.

All of us who enjoy a good laugh at 8:30 in the morning will miss Jim next year. He was the only student on campus who was awake all day. An excellent English student he is still wondering whether Mr. Jensen had a lot of "hybris" or was just an old "sophron." We are sure that Jim will be successful in college and life.

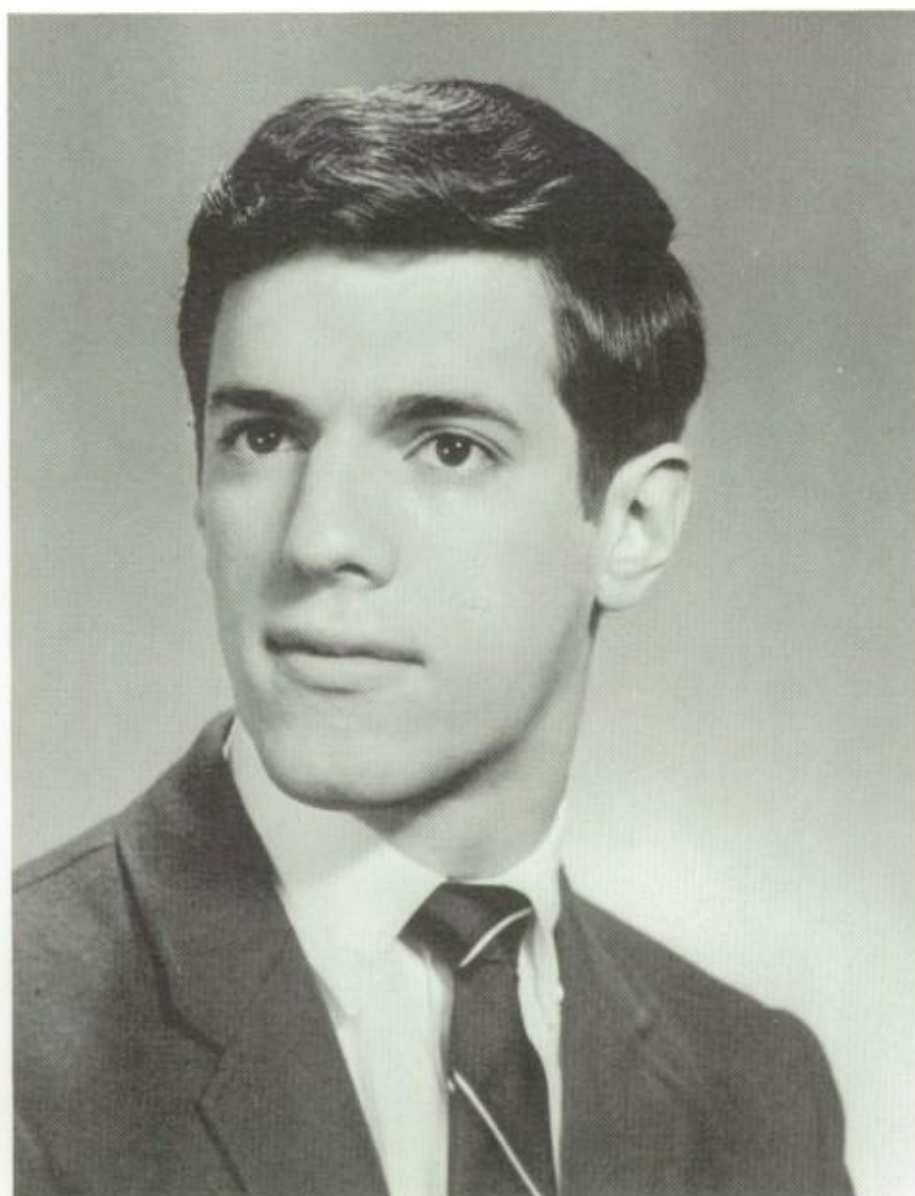

class of 1967

DAVID JAMES McKEONE

Yearbook 2, 3; Newspaper 2, 3, 4; Tennis 2, 3, 4; Social Committee 2, Chairman 3, 4; Prom Committee 2, 3, Chairman 4.

Dave, a three year man at Milford Academy comes to us from Wilton, Conn. He will long be remembered for his ability to convince G.T.C. that he was right no matter what the case! Some people called him the "Miracle Worker" after starting the most successful program of dances in the schools history. He can also be classified as the most daring waiter ever to go near Harry. His battles with "Winnie the Pooh" should become part of American History. His journalistic ability for writing famous articles for the newspaper on such topics as the "Library" is known by all and won fame along with his complaining about his heavy social life. We wish him success in attaining his law degree.

SOLOMON MICHELSON

Varsity Soccer 4; Biology Club 4; Wrestling 4.

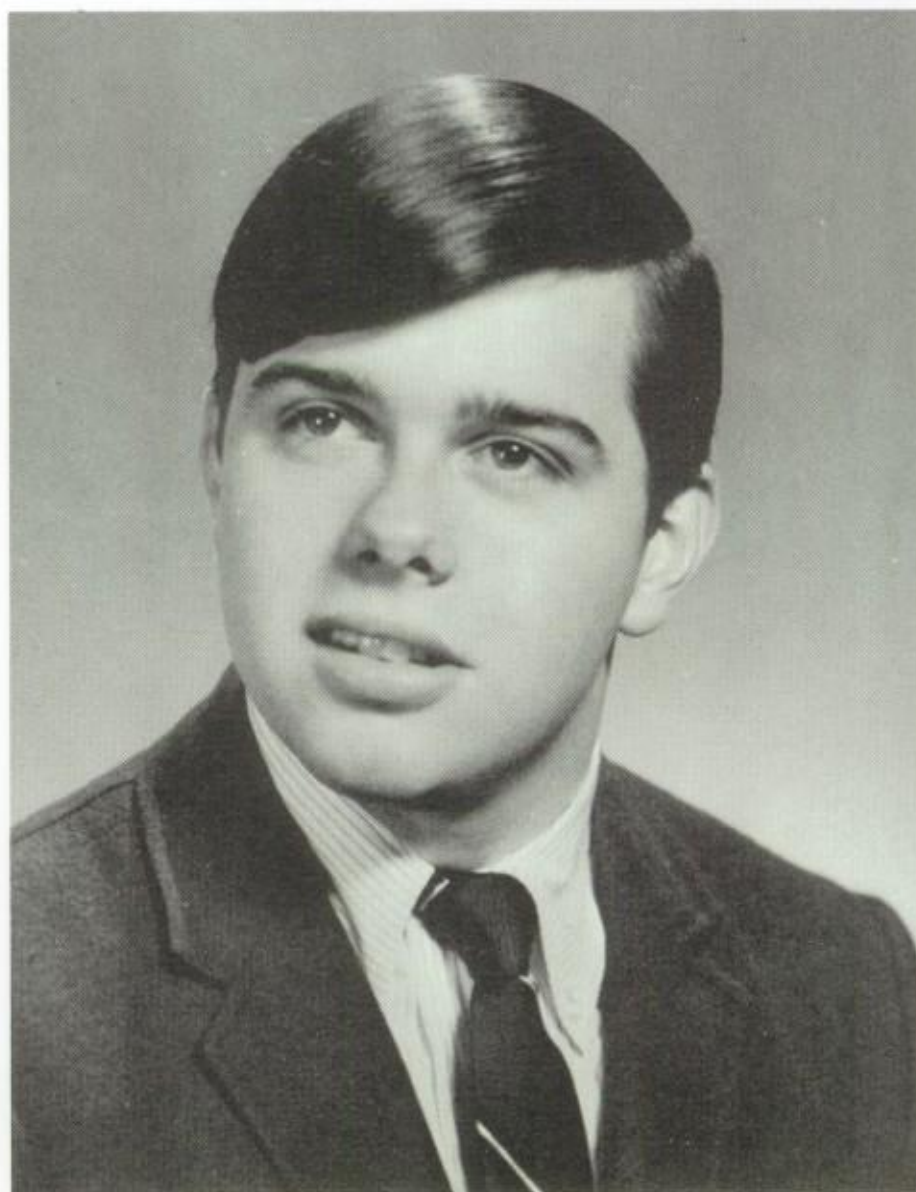

This was Sonny's first year at Milford Academy, and he is most likely known as the "Gentleman" of the senior class. His high values, high goals, and sincerity are respected by his classmates. Sonny will attend Brandeis University on a full scholarship next year which was his first choice. Soccer was Sonny's contribution to the Academy athletic program. He showed great potential in becoming a terrific "booter." It was evident that in his playing Sonny displayed two of his most outstanding characteristics, determination and skill. His touch of humor is defined by Bill Cosby's "NOAH." We, the members of the senior class and "Typhoon" extend our best wishes for his success.

Seniors

GREG MILLER

Soccer Team 4; Track Team 4.

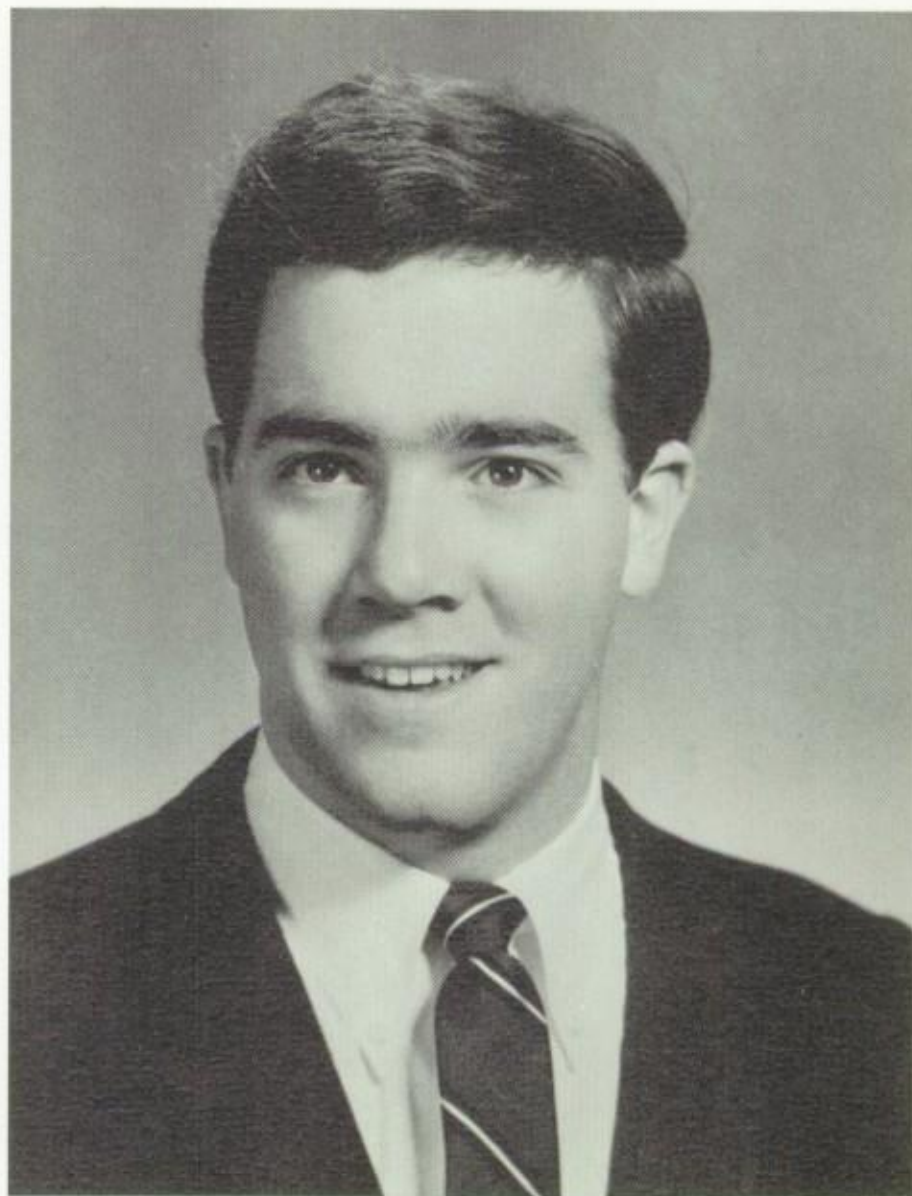

Greg, an ardent soccer player, has won him the M.V.P. and All Interac awards. He has also proven to be an excellent student. Coming here as a P.G. from New Jersey he hopes to increase his chances of getting into college. During his stay at Milford, Gregg has raised a few questions, one being, "What happened to the Milford girls?" We know that Gregg will do well in whatever he studies and wherever he may attend college.

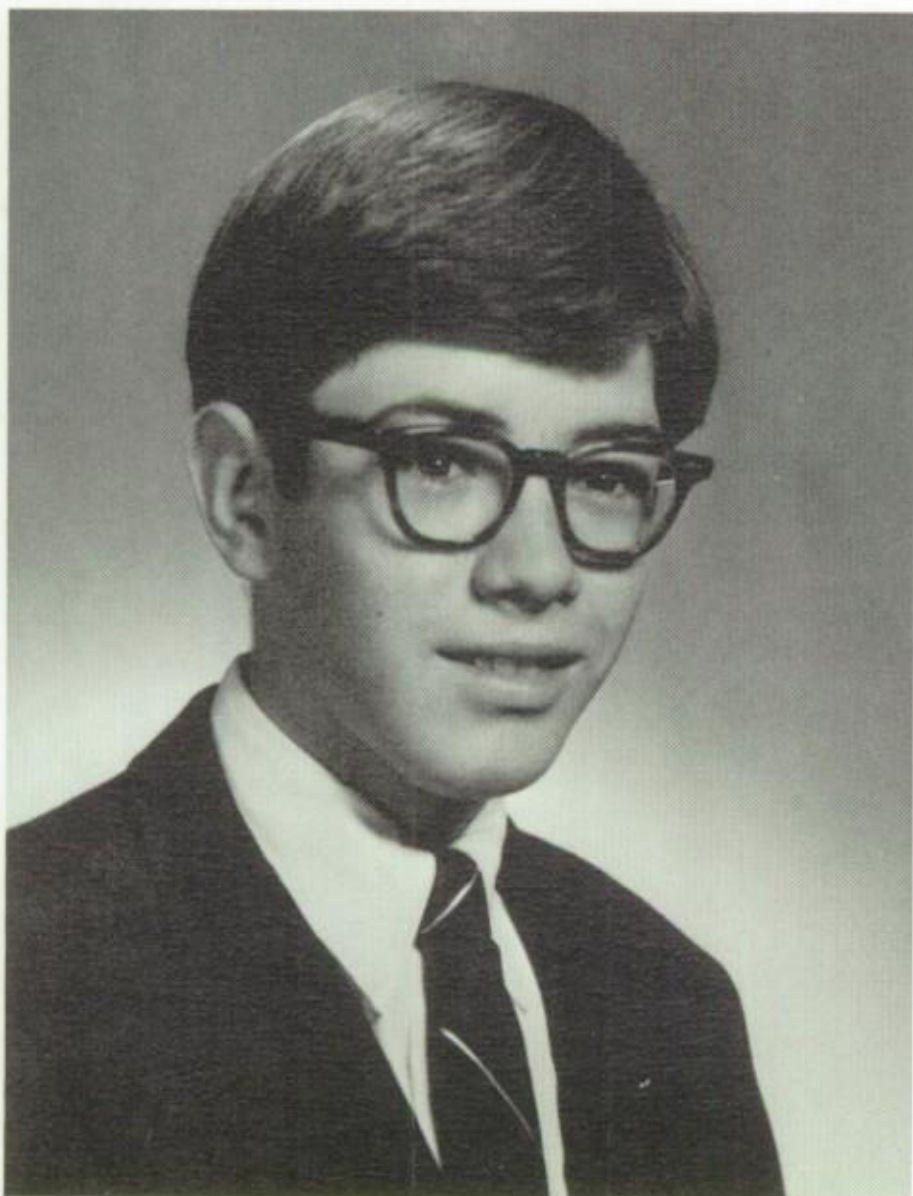

GARY MONTANO

Library Club 1, 2, 3, 4; Football 2, 3, 4; Prefect 3, Spanish Club 3, 4.

"Tanto" one of the most colorful seniors is often chasing all the Milford girls away from his car. Gary has been one of the more active students during his four year stay, playing football and a top officer in the celebrated "scope" club. Friday nights are Gary's favorites for it is then that Dehm, the "Chocker" and Tanto wheel out the famed "Tantomobile" and go nighthawking. His favorite class in his stay here was Mr. Alderman's class last year where he excelled as a clown. Tanto plans on doing UCONN a favor by going there next fall.

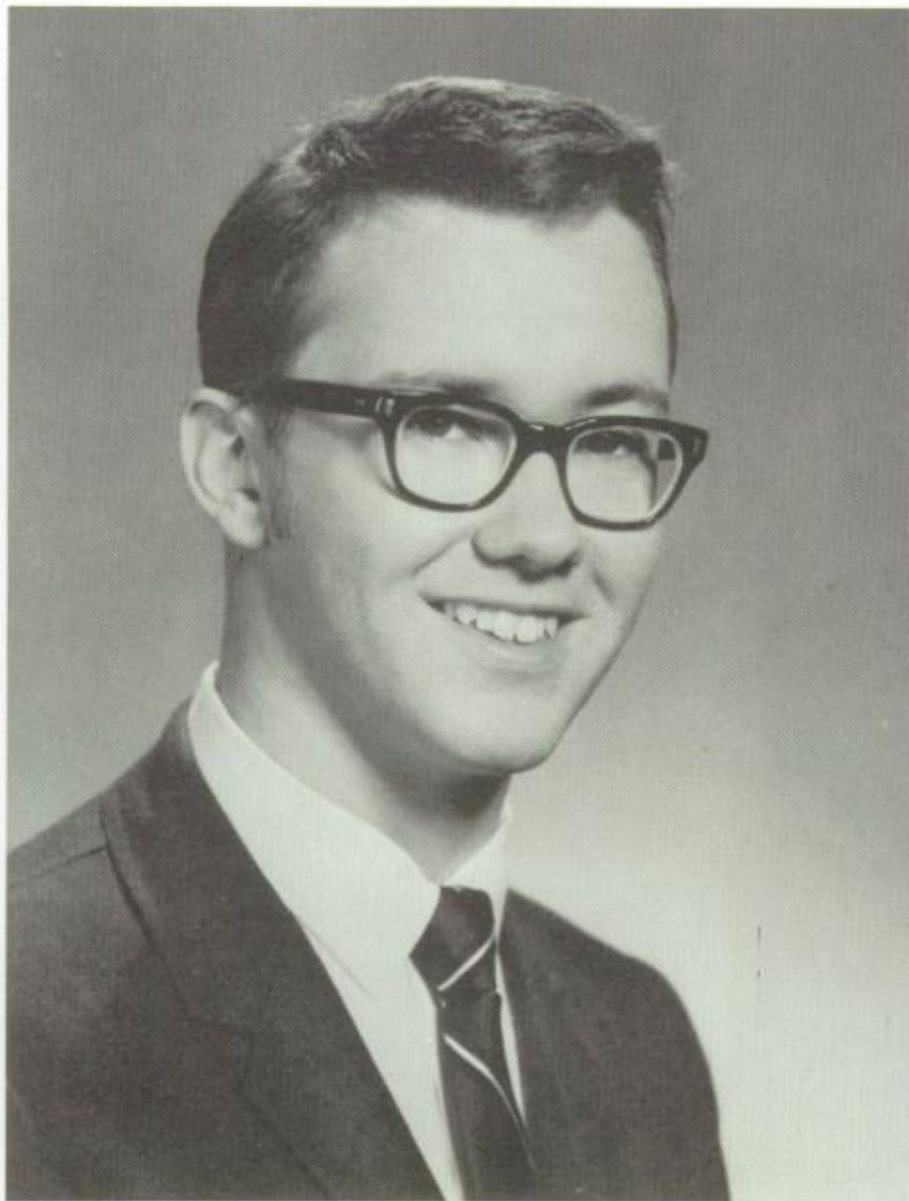

class of 1967

ALAN J. MULHERN

Basketball 3, 4.

"Muldoon," as we all know him, is one of the under-estimated ball players on campus. His lack of size is compensated by his great hustle and desire. His friendly attitude is marked by his giving everyone the "skin," and he will always control the conversation with his terrific wit and humor. With his ambition toward goals, Al will always succeed. By the way "Hern," "Squirrel" really appreciates his taxi service.

ROBERT MURRAY

Baseball 1, 2; Soccer 3; Library Club 1, 2, 3, 4; Prefect 3, 4.

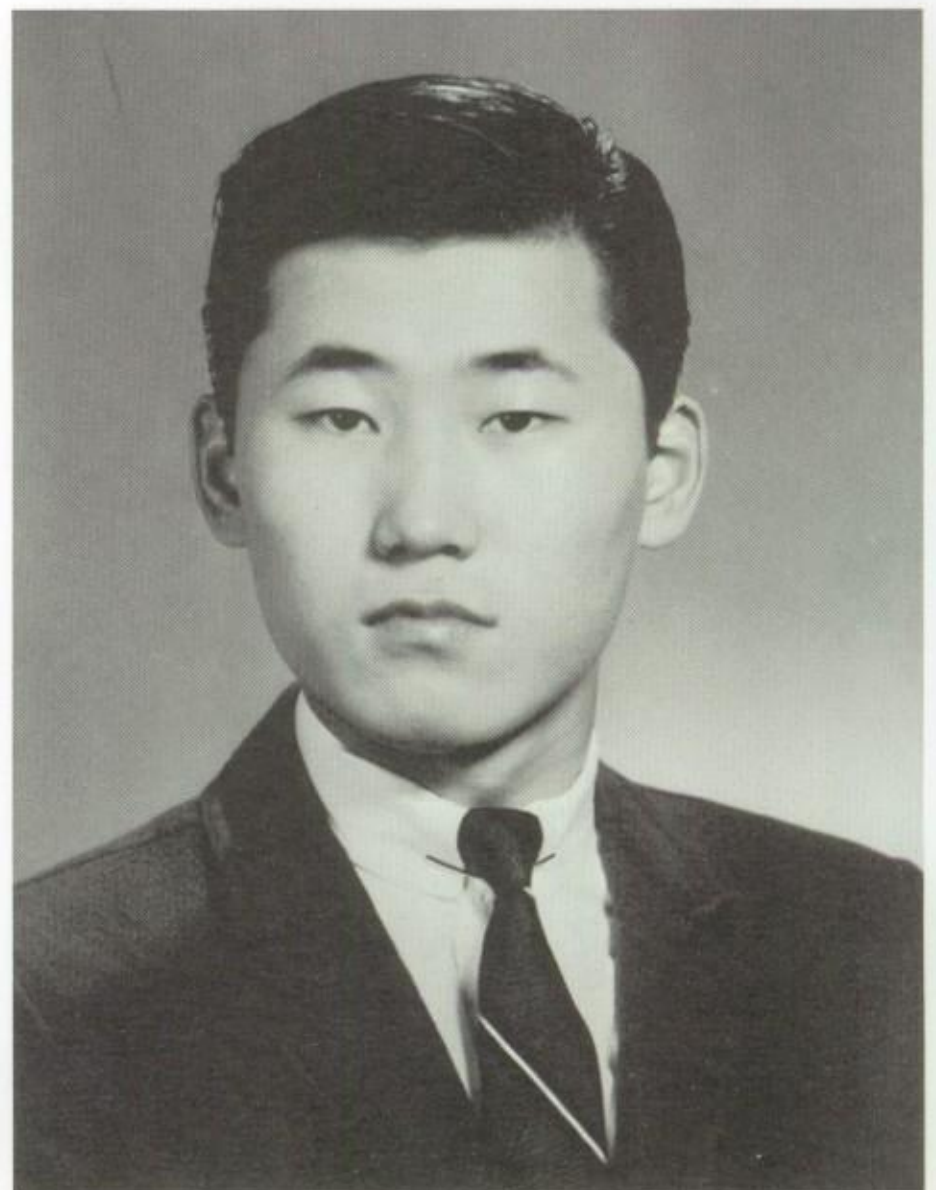

Bob can always be noticed in a crowd by his *tan* and friendly smile. In his four years at Milford, he has achieved well both scholastically and in extracurricular activities. In many respects one may call him the tall, silent type, but when it comes to being a prefect in the Library, Bob's actions are heard by all. Having good board scores, we know that Bob will achieve at the college he attends.

Seniors

BUB NAMKOONG

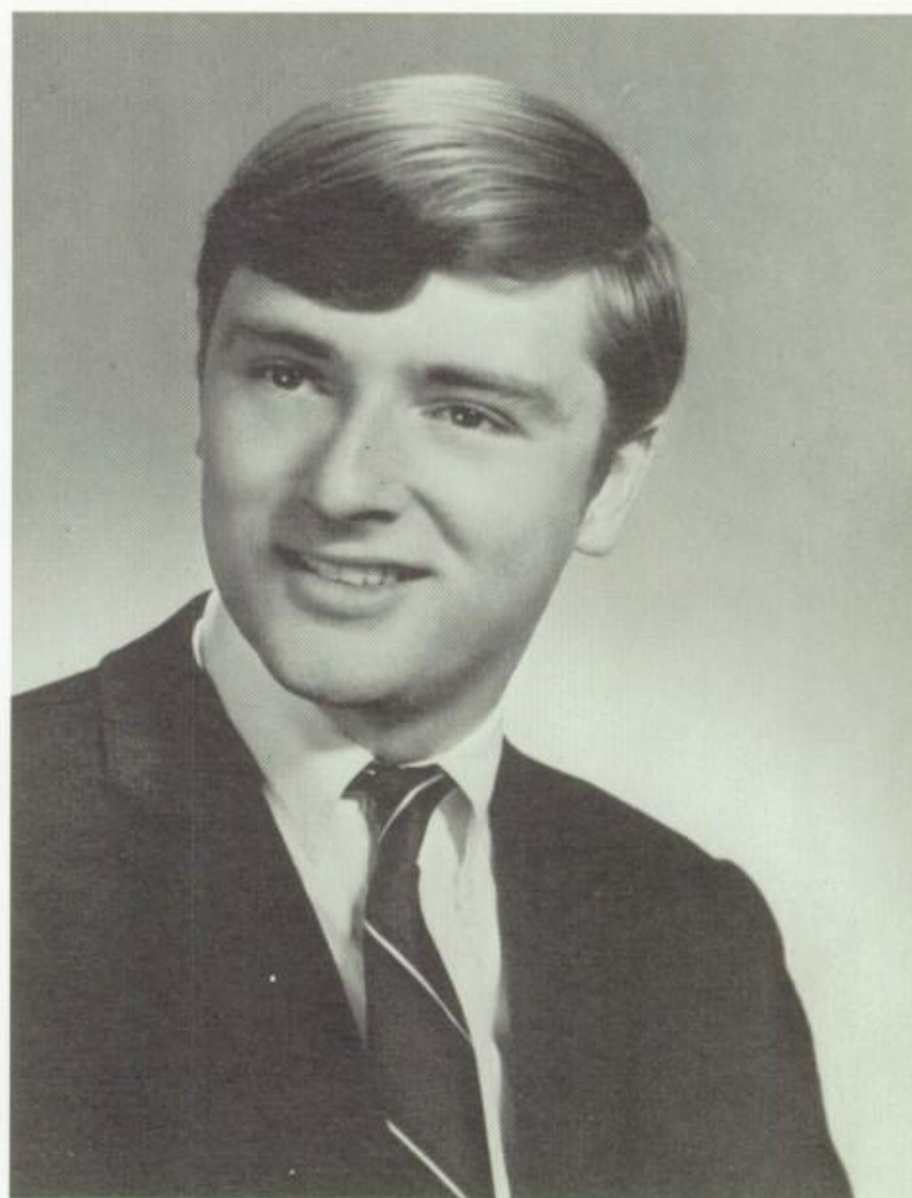

Soccer 4.

Bub, one of the Academy's foreign students, has become a prominent figure on the schools campus. He came to the Academy this past summer, and as a result of his fine work and friendly disposition, he attended the Milford Academy this fall. Bub hopes to attend Yale or Cornell University. We are confident that he will be a success.

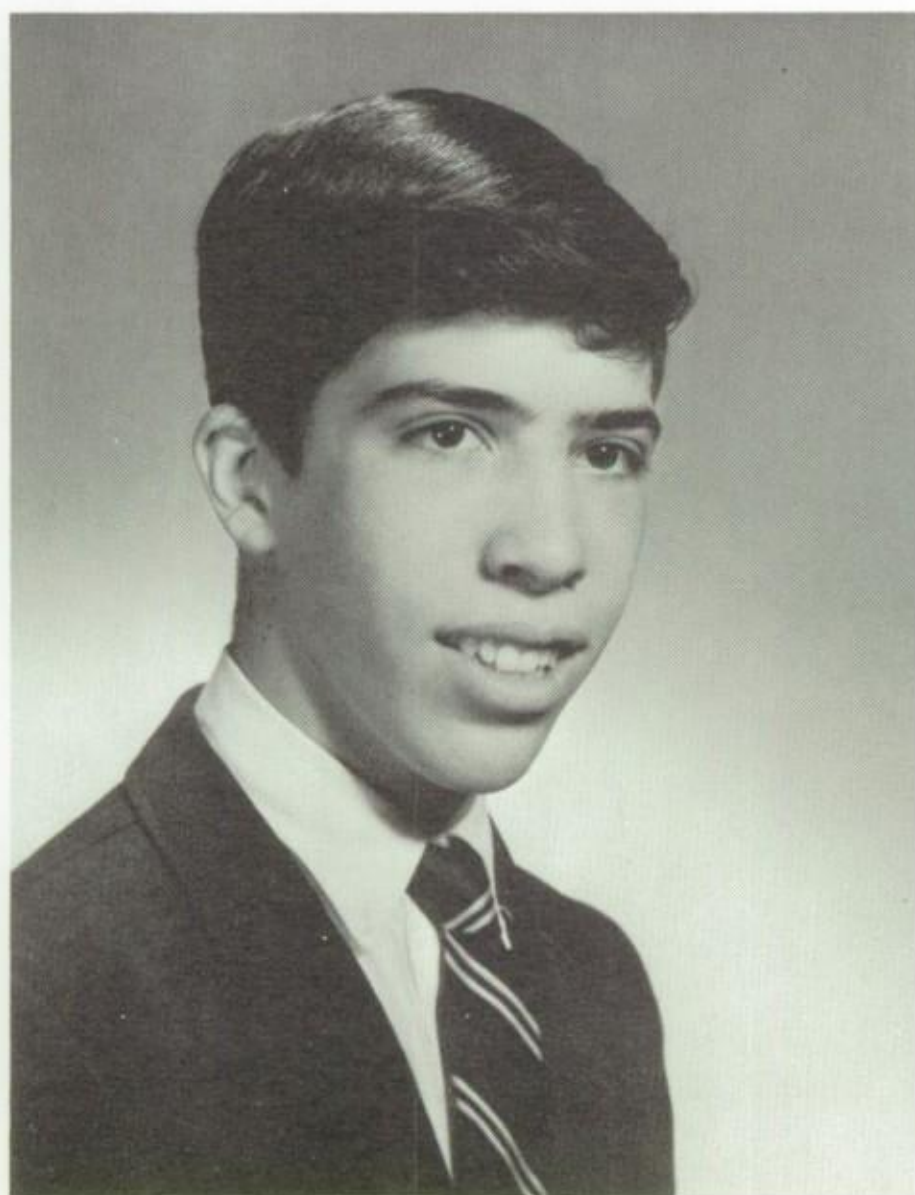

DAVID RUSSELL NEWMAN

Dave, Milford's answer to Billy Kidd, can be found in his home away from home, the senior lounge, sitting in with the sessions. He's the only one around here who still has a ski rack on his car in June. Dave plans to mount the slopes of Colorado next year while he attends the University of Chicago, where we hope he becomes a "New Man."

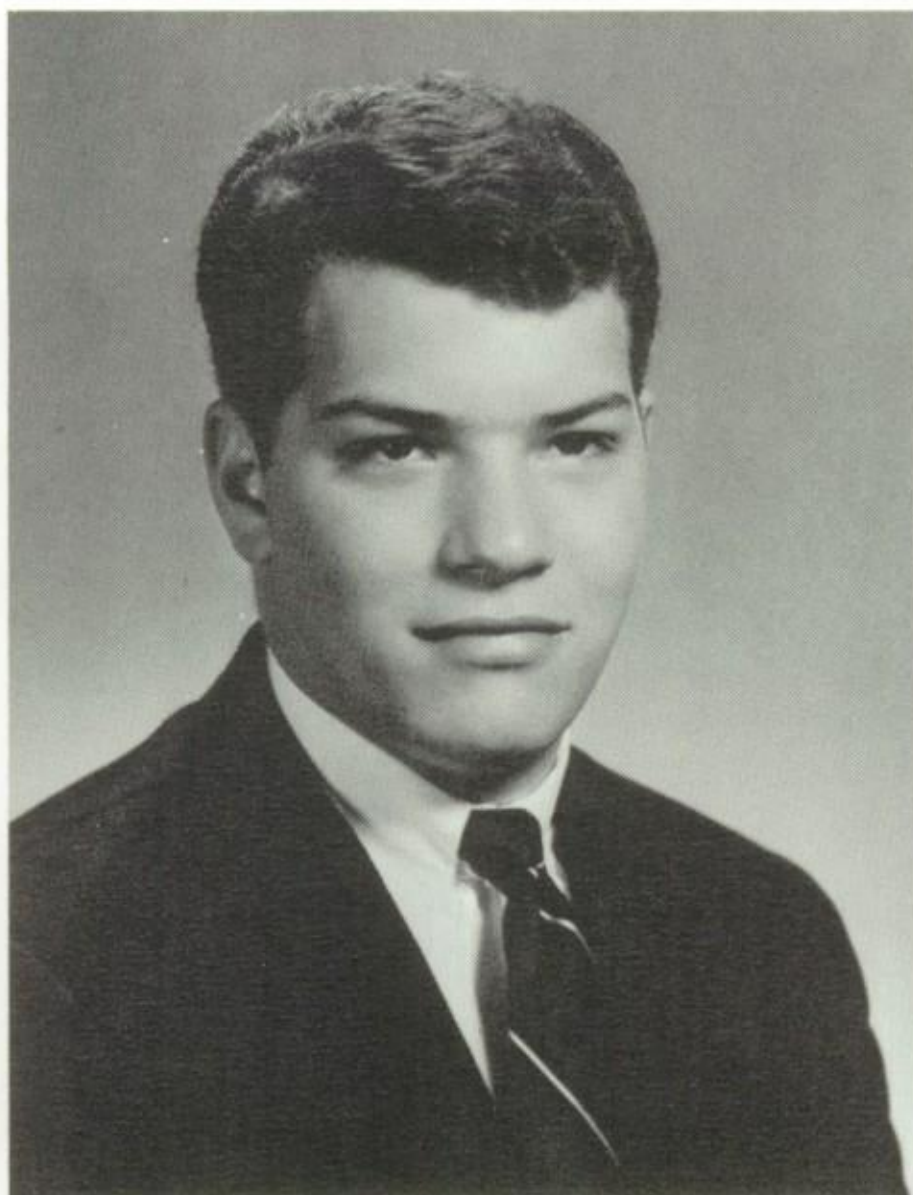

class of 1967

STEVEN NEY

Debating Team 2; Wrestling 2, 3, captain 4; Chess Club 3; Football 3; International Relations 2, 3, president 4.

Steve has been an outstanding student at Milford, known mostly for his witty remarks and expressions. He is commonly seen in a sweat suit in the showers trying to get rid of the extra pounds to make weight for a wrestling match or starving himself contrary to someones wishes. We wish him best of luck at the University of Virginia.

LOUIS NYARY

Spanish Club 4; Bowling 3, 4; Pool League 3, 4; Baseball 4.

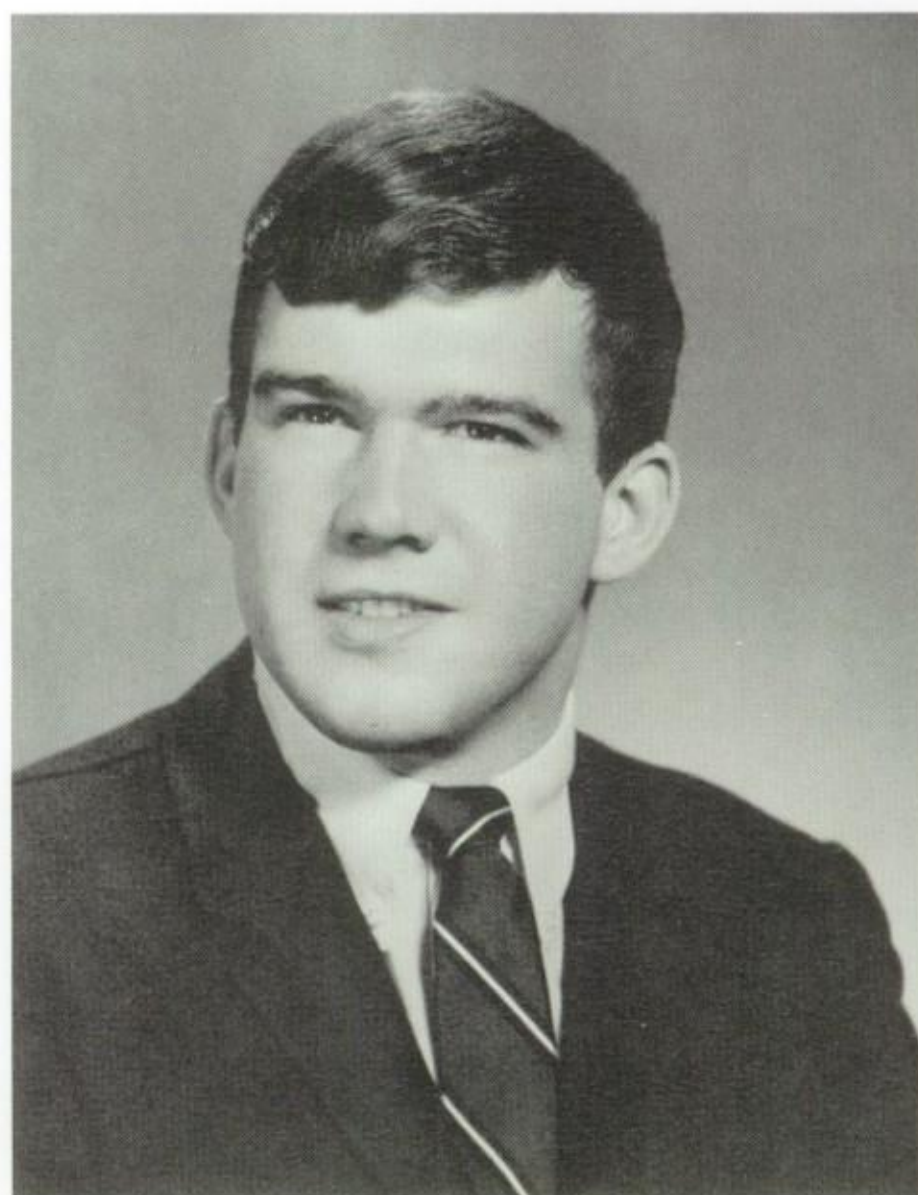

Lou tries to give the impression that he's big and rough, but all his friends know him to be happy-go-lucky. During the seasons, he plays football and baseball, but in his time off Lou is keeping physically in shape weightlifting. He also makes time for playing a few rounds at the pool hall, and tries to show off his talent. Though he is an officer in the Spanish Club Lou prefers his biology prof., "Doc" Lyon as his favorite teacher.

Seniors

CHARLES O'MARA

Football 4; Track 4.

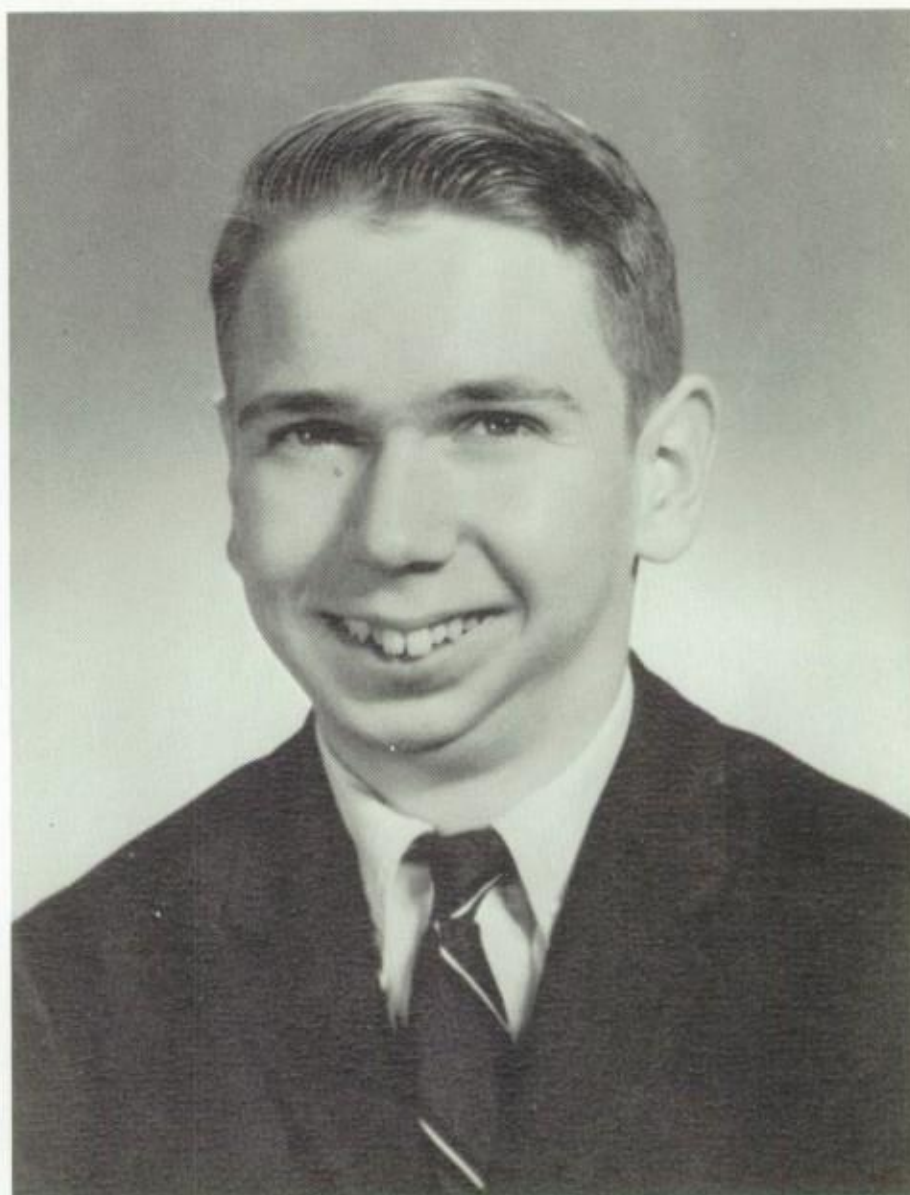

Charlie is one of the nicest guys you would want to meet. His sense of responsibility has made him respected among faculty members and his kind personality has won him the friendship of the entire school. Charlie has proved to be a great asset to the school, not only for his superb work on the gridiron but also on the track team. Charlie's avid interest in sports and the players, will be climaxed and sharpened at Springfield College where he hopes to study Physical Education.

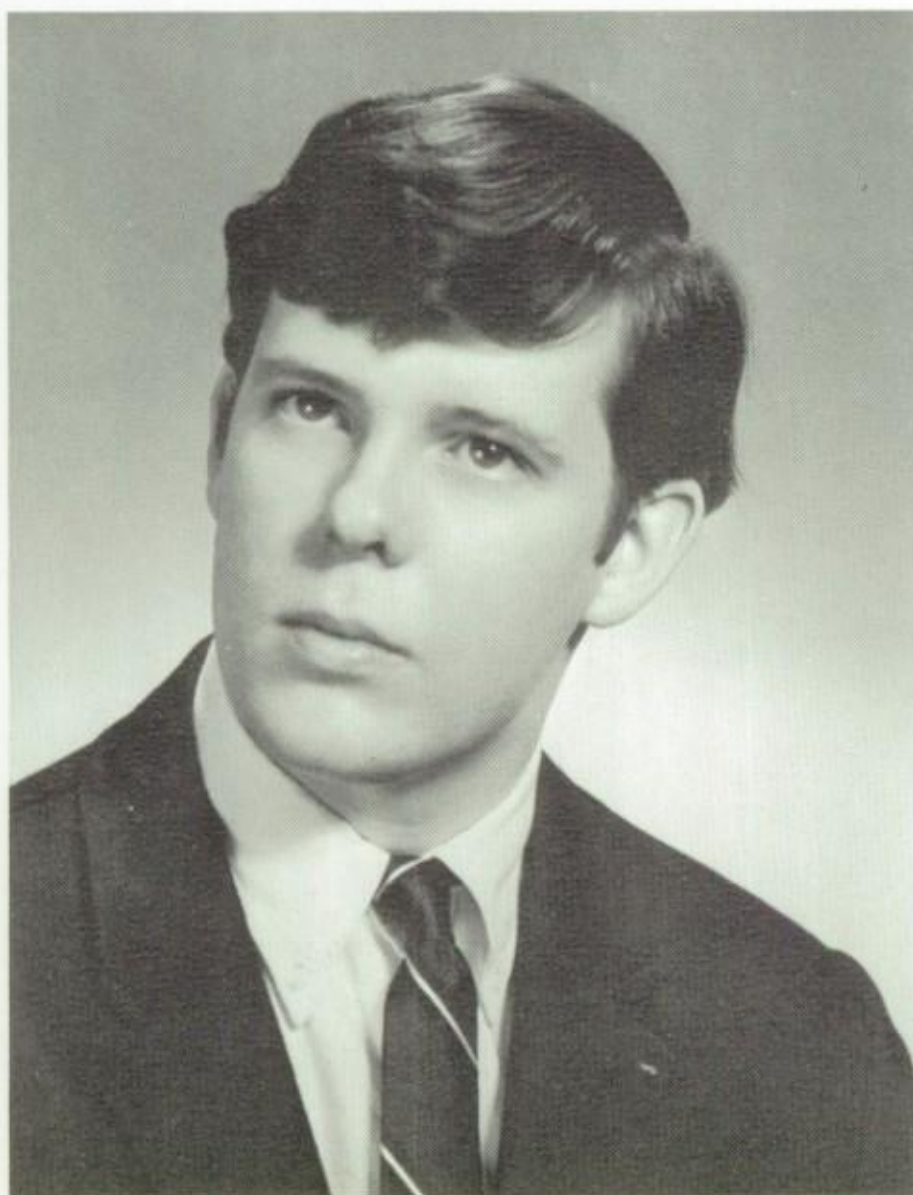

ALAN PIGATY

Library Club 2, 3, 4; Yearbook 3.

Al is a three year man at Milford who hails from Derby, Conn. Al uses his free periods to sharpen his skills in basketball and tennis. We are sure he will do well at the college of his choice.

class of 1967

PETER REAM

Peter, a two year man at the Academy is known as the "Celebrity on Campus." Pete is a jazz guitar player and has played on many radio stations. He can always be seen walking around campus looking for his "old friend." We are sure Pete will do well at the University of Michigan.

RAYMOND ROBERTS

Football, co-captain 4; Student Prefect 4; Varsity Club 4.

Ray is the school's representative from Somerset, Mass. He is known for his sparkling performance on the football field. He captained the club along with Tony Augliera and certainly was a main factor in our 6-0 record. He received honorable mention for the All-New England team and was elected one of the two most valuable backs. Aside from his ability on the athletic fields, his ability to make and keep friends has made him one of the most popular students on campus. Ray will be remembered in the locker room where he could always be heard talking about "the girlie." We can only hope that Ray's every wish and aspiration turns into reality.

Seniors

HARVEY SALSKY

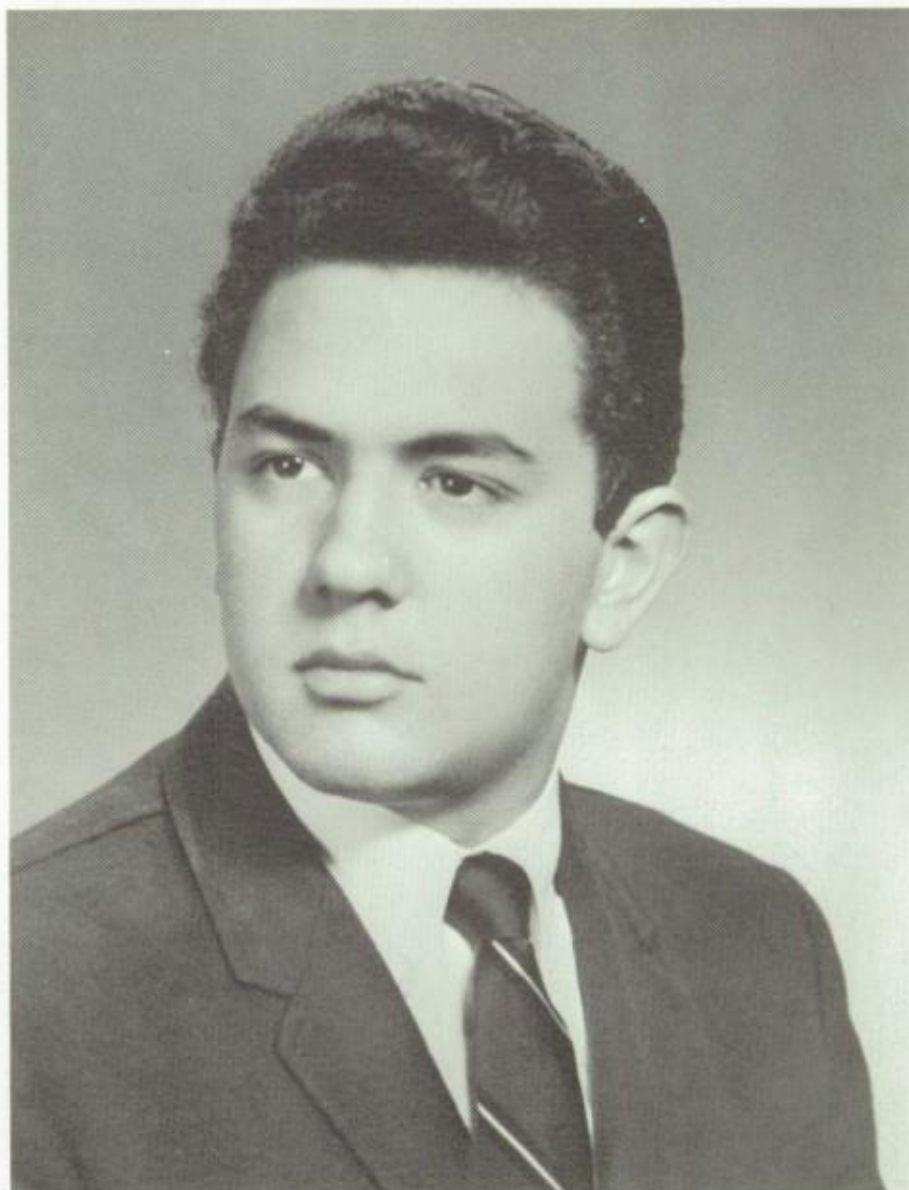

Biology 2, 3, 4; Chess Club 2, 3, 4; Rifle Team 2, 3; Track 2, 3; Football 3.

Harvey is another of the many boarding students from Long Island. Coming to the Academy midway in his sophomore year, he quickly won the respect and friendship of everyone. An adept student and athlete, Harvey is a well rounded individual, fitting very well into the student body. We wish Harvey the best of luck on every road he may travel.

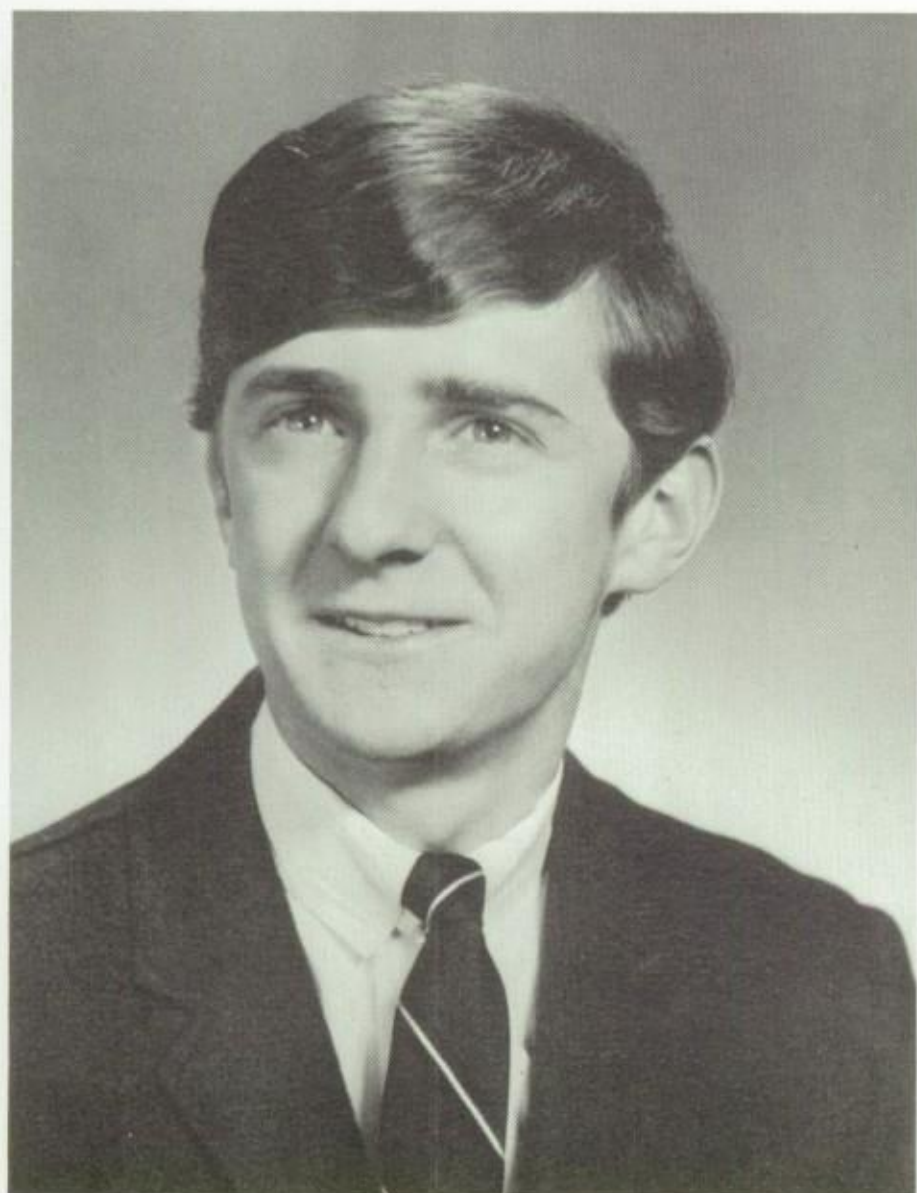

CHARLES SCALESSE

Chuck is a one year man at Milford, coming here after graduation from Wilbur Cross. He may be found in the lunch room throwing the "censored". He also holds the record for most desserts inhaled. He hopes to enter college and study mathematics.

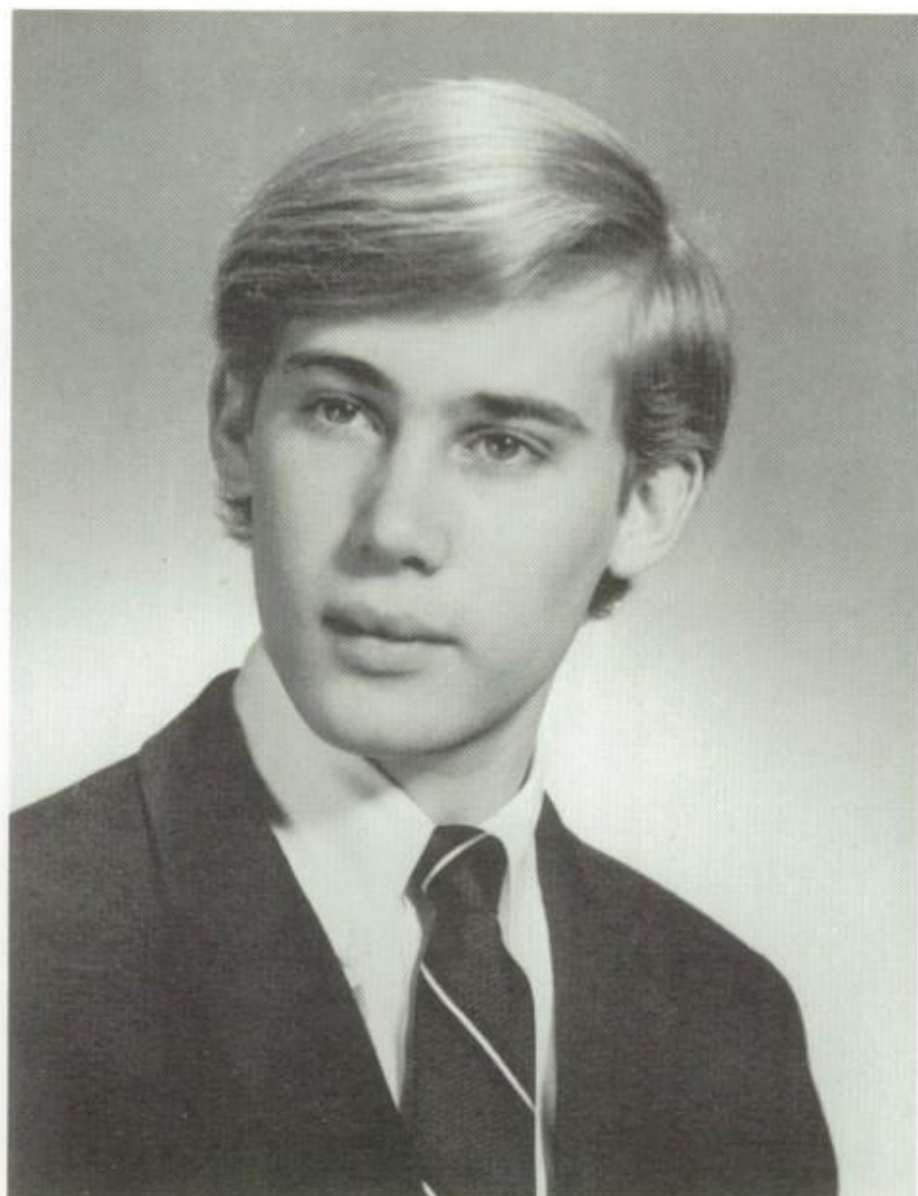

class of 1967

LARRY SEIDMAN

Track Team 3, 4; Chess Club; Yearbook Staff.

Larry entered Milford Academy in the middle of his junior year and immediately began to make his presence known. One of the boys from Great Neck, Larry made the track team in his junior year and plans to also participate in his senior year. A keen basketball player, Larry can be seen afternoons on the court making basket after basket. In addition to being an aspiring ballplayer, he is a fine student. Interested in art, Larry hopes to major in art while attending San Francisco State. Larry has always wanted to attend college in San Francisco as he was born there and has always wanted to return. We wish him the best of luck and are sure that he will be successful in whatever area he finally pursues.

HOWARD SENFT

Soccer 3, 4; Skiing Team 3, 4; Baseball 3, 4; Fencing Team 3, 4; Art Club 4.

Howie will gladly bum a cigarette off you any day of the week at any time of the day. Everyone wonders, how in the two and one half years he's been at the Academy, he's been able to keep his hair long while everyone else has to lose theirs. He tries hard at whatever he does and usually has success in his attempts, which should help him in his future profession, business administration.

Seniors

NEIL SHANGOLD

Football 2, 3, 4; Baseball 2, 3, 4; Yearbook 4.

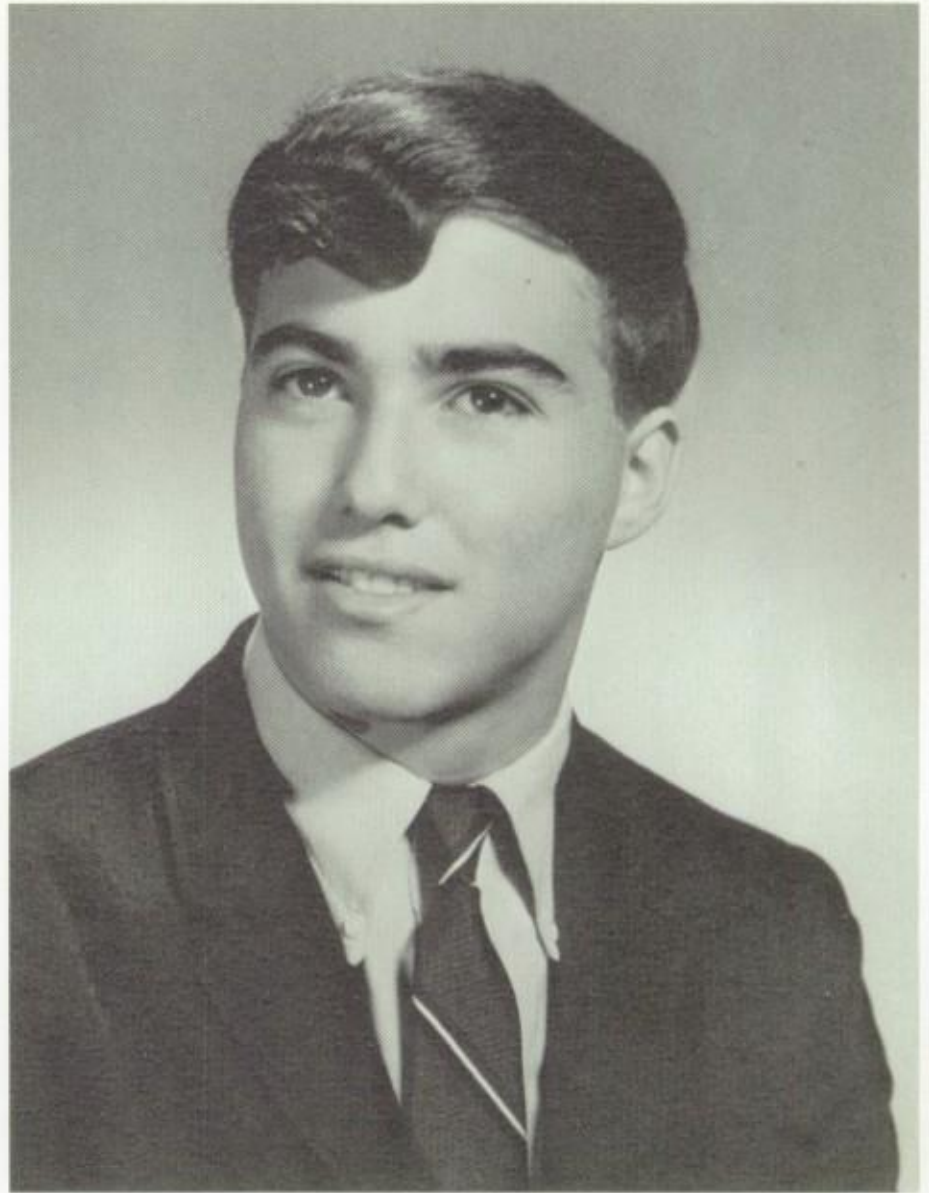

Neil, nicknamed "The Hawk", has made many friends during his three years at Milford. He was a member of Milford's winning 6-0 football team, giving it needed spirit. Neil will also be playing baseball in the spring. Aside from sports and class work he has devoted considerable time and work with this year's yearbook. Neil wants to attend Springfield College and work toward a degree in Physical Education. We wish him the best of luck.

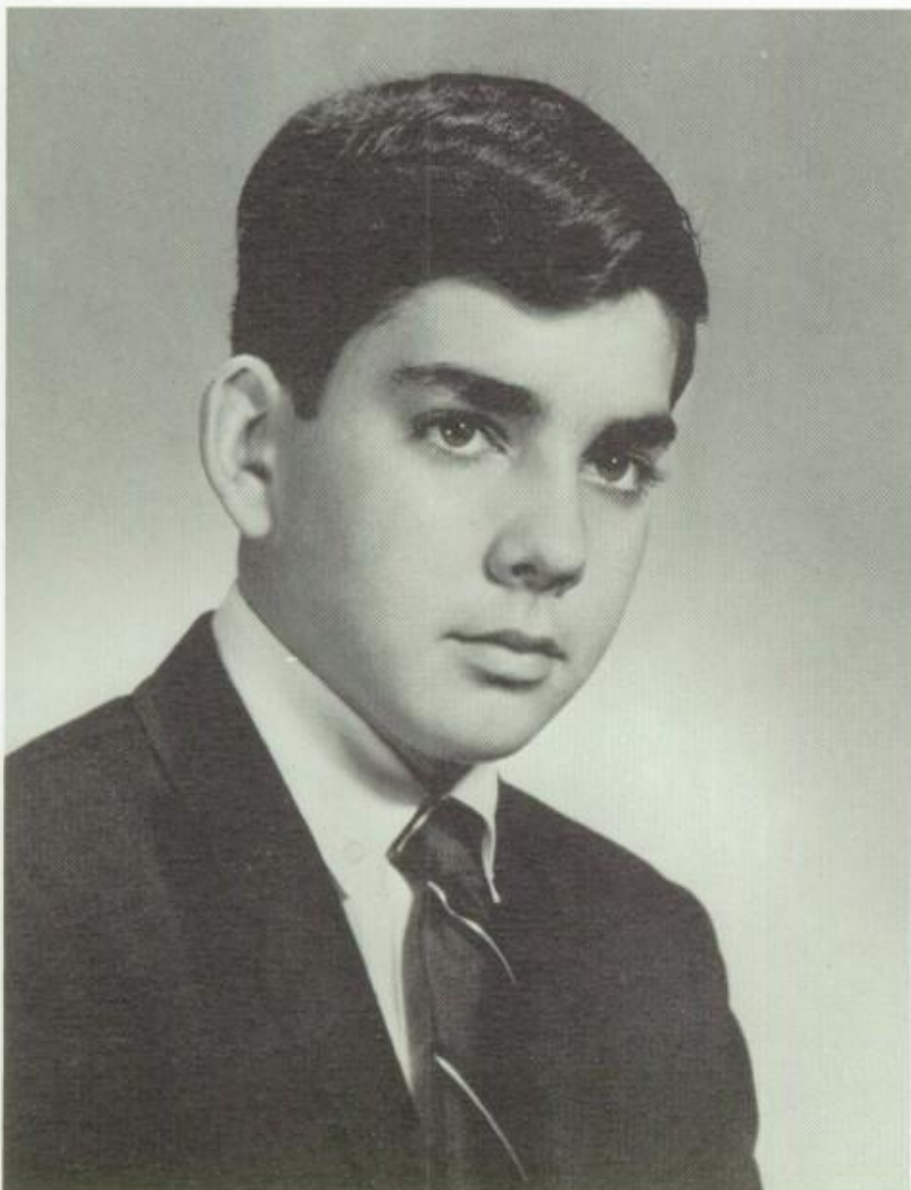

MICHAEL SHINER

Yearbook 2, 3, 4; Newspaper 2, 3, 4; Golf 2, 3, 4; Drama 2, 3, 4.

Mike is our "Happy Daddy" from New Haven. Mike is never seen around school without a smile and a chuckle in his voice. This, no doubt, has won him many friends and will help him greatly in the years to come. Mike is a good student and he is one of the best managers an athletic team ever had. To Mike, all the luck in the world and the best of everything, always.

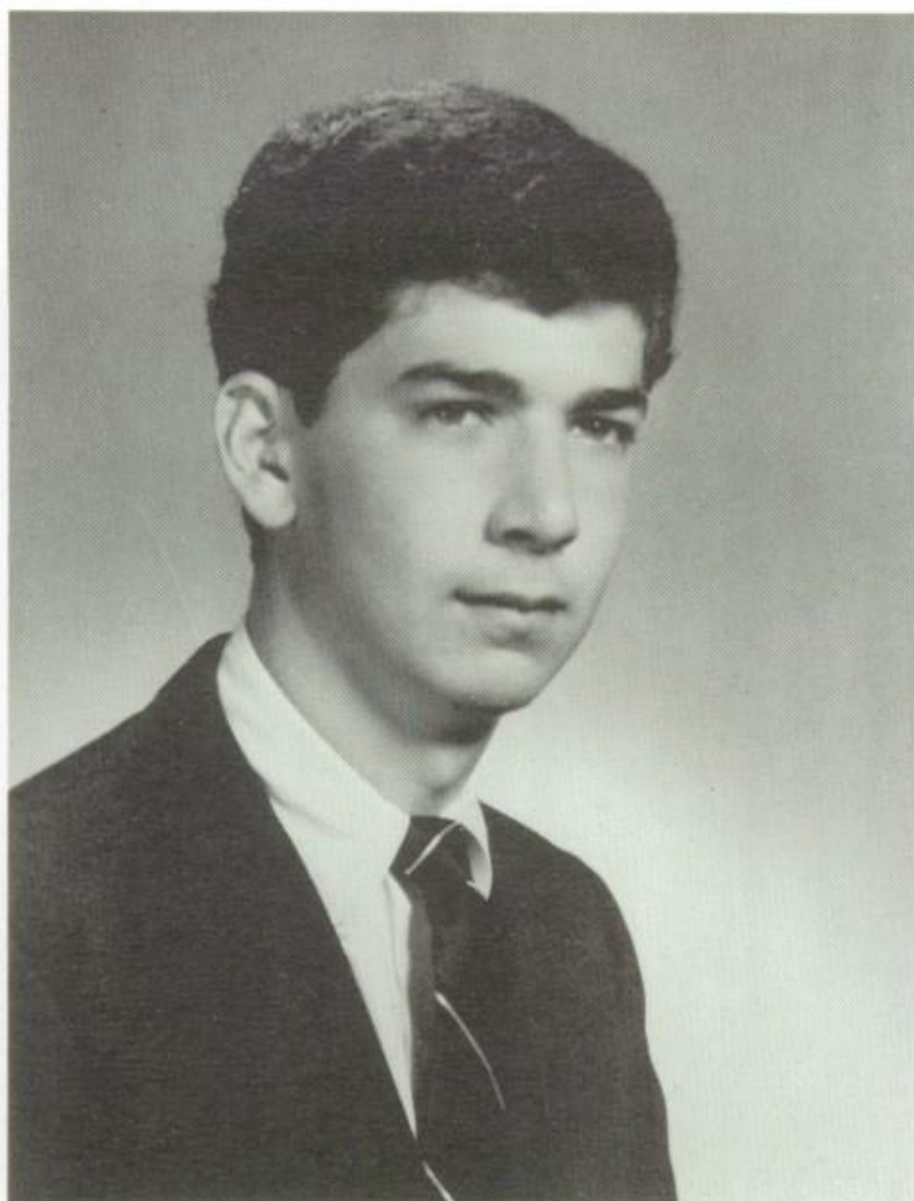

class of 1967

STEVEN SHURE

Tennis 2, 3, 4; Yearbook 4.

Steven Shure is one of the more congenial students at the school. His "Beaver" like work habits have made him an honor student and won him the respect of the faculty and students alike. We can only hope that Steve may walk a road of good fortune.

STEVE SIMONS

Treasurer 1, 2, 3, President 4; Football Manager 4; Golf 1, 2, 3, Captain 4; Spanish Club Treasurer 3; Library Prefect 3; Prefect 4; Headwaiter 4; Bowling Team 3.

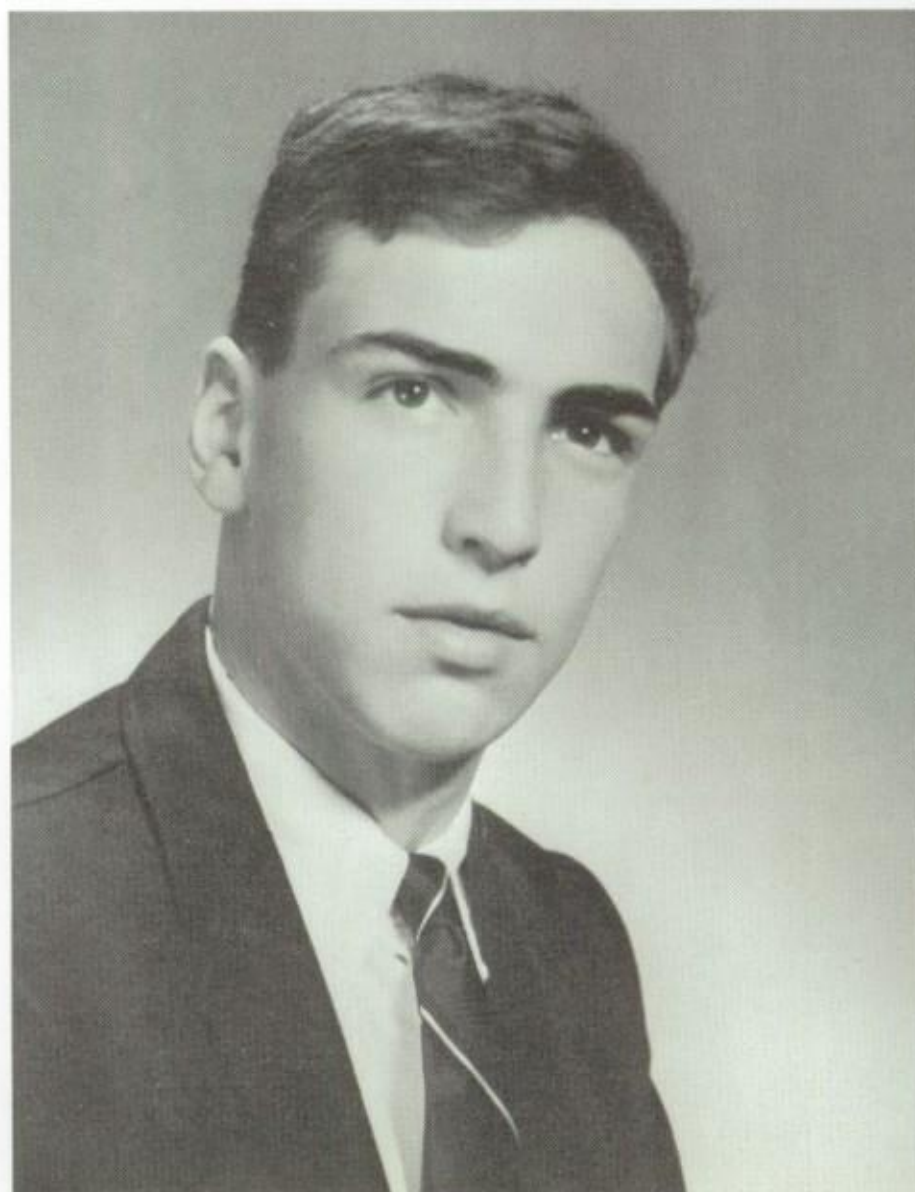

Steve hails from Great Neck. Steve has been in Milford for four years. Many of Steve's friends graduated last year. Steve however maintained his popularity by obtaining the class presidency. We wish Steve good luck in the future and hope he gets his intended graduation present.

Seniors

KENNETH EUGENE SOKOLOFF

Soccer 3; Wrestling 2, 3; Cross-Country 4; Track 2, 3, Captain 4; M.C.D.A. 2; Student Council 3; Library Prefect 3; Chess Club 3; Prom Committee 4; Prefect 4; Assistant Editor of Yearbook 4; Dorm Committee Chairman 4; Varsity Club Secretary 4.

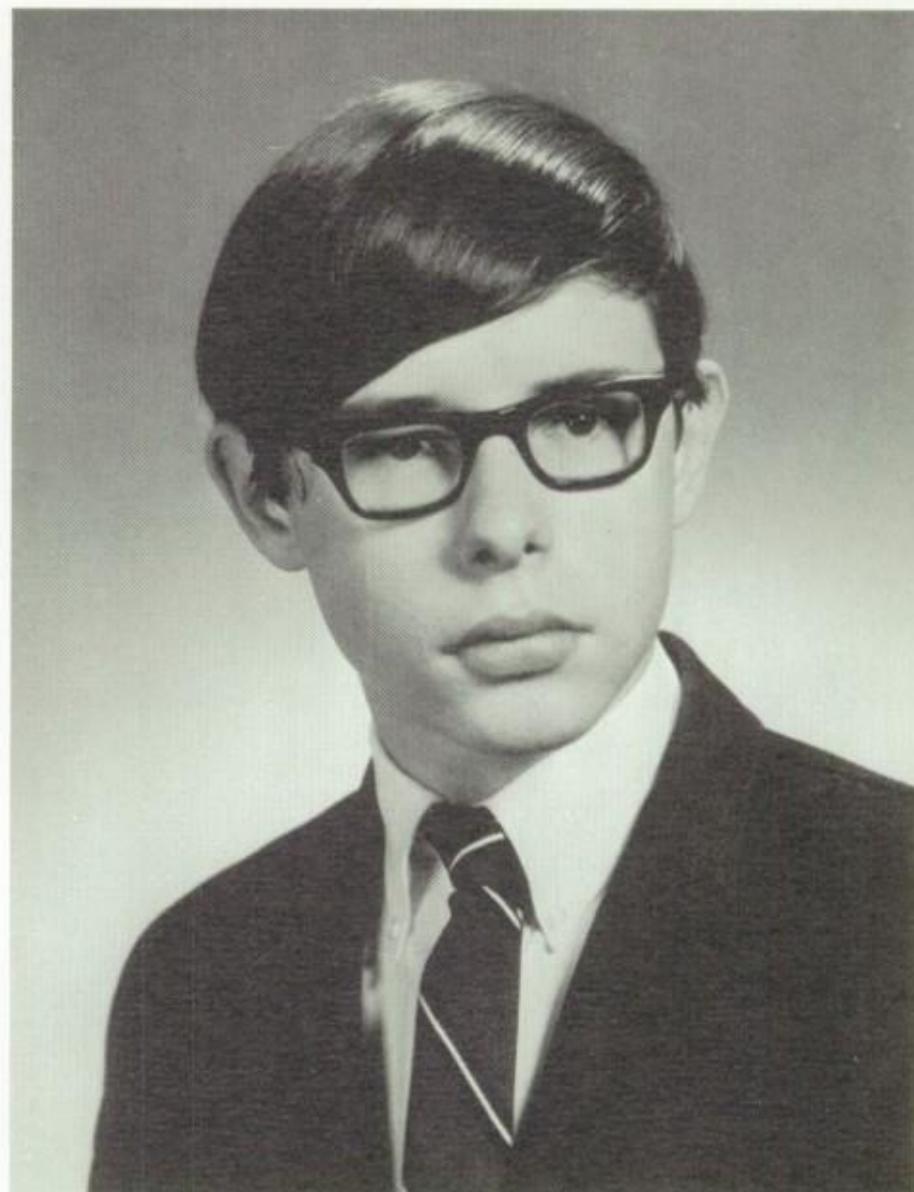

"Soki" was one of the uncommon members of his class. We say this because he did more than exist at Milford; he endured. He withstood three years of "Chinese Leprechauns", "Boy Deans" and "Confident Coaches". He can look back now and be proud of a record of service to the school. He was more than an outstanding athlete and student. He was a good friend to all. It would be superfluous to wish Soki luck next year, but anyway; "Best of luck in the future."

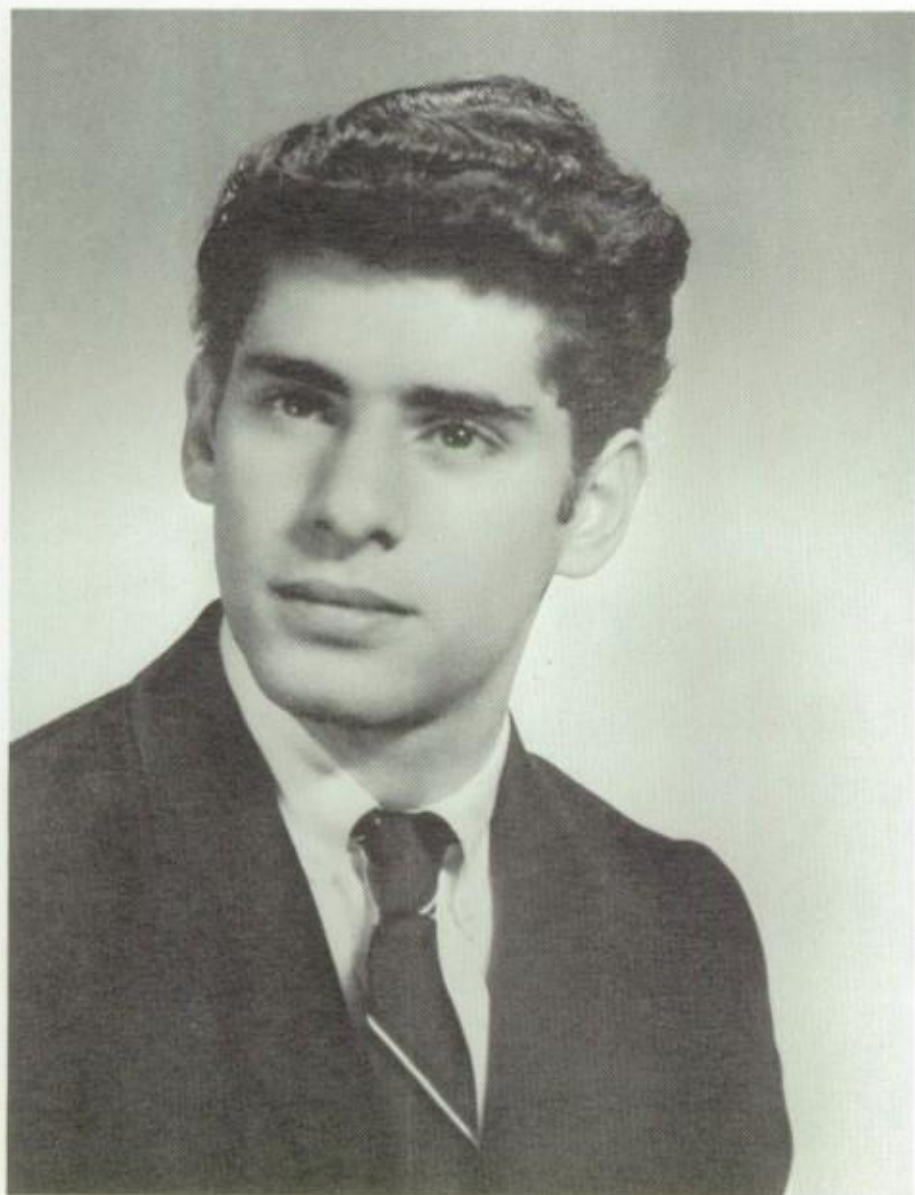

DAVID SPERRY

Student Council 2, 3; Actors Workshop 2; Wrestling 2; Typhoon 2; German Club 2; French Club 3; Library Club 2, 3.

"Spunky", is one of the most irascible members of the senior class. A controversial campus figure, he has held just about every office in the school. Dave is not a "yes" man and is willing to match wits with anyone but Welch. One of the few four year students at the Academy he has distinguished himself by his academic achievements. We need not wish Dave luck because he will be a success in the future.

class of 1967

PAUL STEINER

Biology Club 4; Track 4.

Paul was probably the only senior to walk into the mid-year's in "good spirits". His devil may care attitude is always prevalent on campus. When he frequently drops into school, he distinguishes himself by his fine academic performance. Paul was one of the few students who had the nerve to be interviewed by Yale. We wish him the greatest success in the future.

RICHARD B. STONE

Golf Team 3, 4; Spanish Club 3, 4; Audio-Visual Club 4; Newspaper Staff 4; Prefect of the Year Award 4.

Rich, a two year man, comes to us from Providence, R.I. His quick wit and good personality have made him many friends at the Academy. Some have said he is the Arnold Palmer of Milford on the "links" and gives the image of Willie Mascone when playing pool. For the two years he has helped liven up Stanley Hall. We all wish him success in Emerson College where he would like to major in radio broadcasting.

Seniors

MIKE SUH

Football 1, 2; Wrestling 1, 2, 3; Prefect 4.

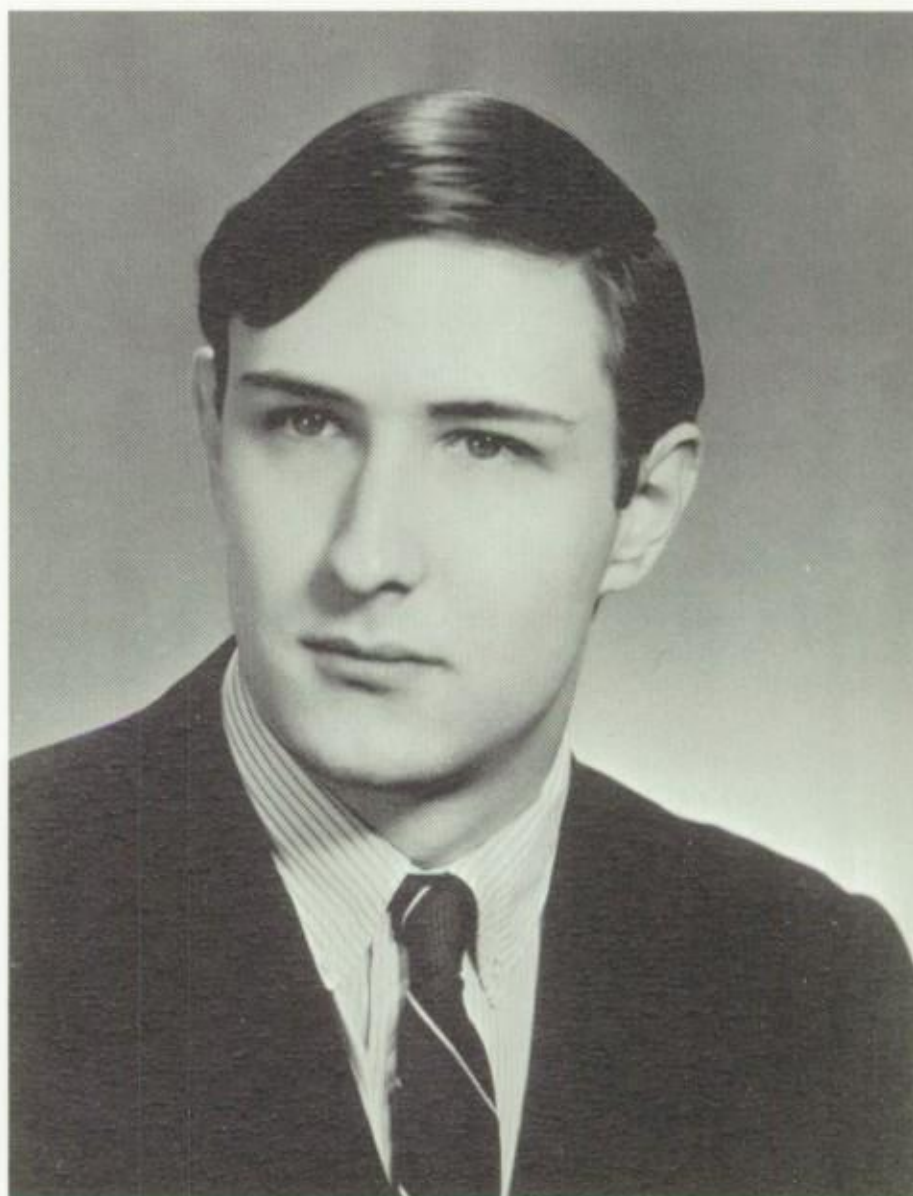

Mike is our Japanese ambassador at Milford. He is always walking about smiling, and with a friendly disposition. A weights neophyte, few will argue that he is one of the strongest students on campus. Mike has added much to Milford in the last few years. Always willing and surely able, Mike was a Prefect in Andrew this year. Mike's charm and personality will make only luck for him in the future.

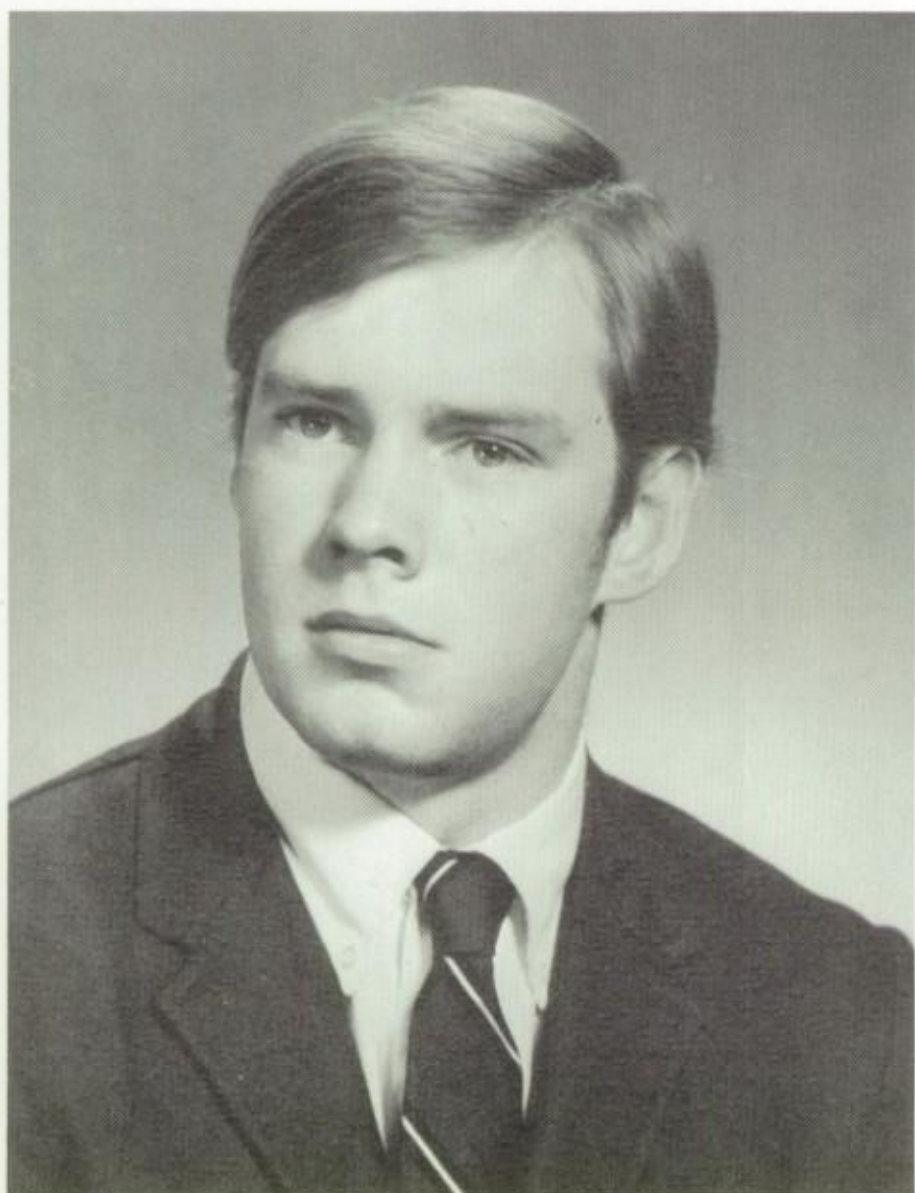

CYRUS TAYLOR

Band 4; Library 4.

"Psychedelic Cy" weaves his own world on the third floor of Morris. An avid admirer of offbeat, he hardly projected that image on campus. Always well dressed and friendly, he could frequently be seen with "Minnie", "Fast Eddie" and "Sweet Louie". While not at school, Cy vacations in Port Chester, "Milford's Playground". We wish Cy success in the school of his choice.

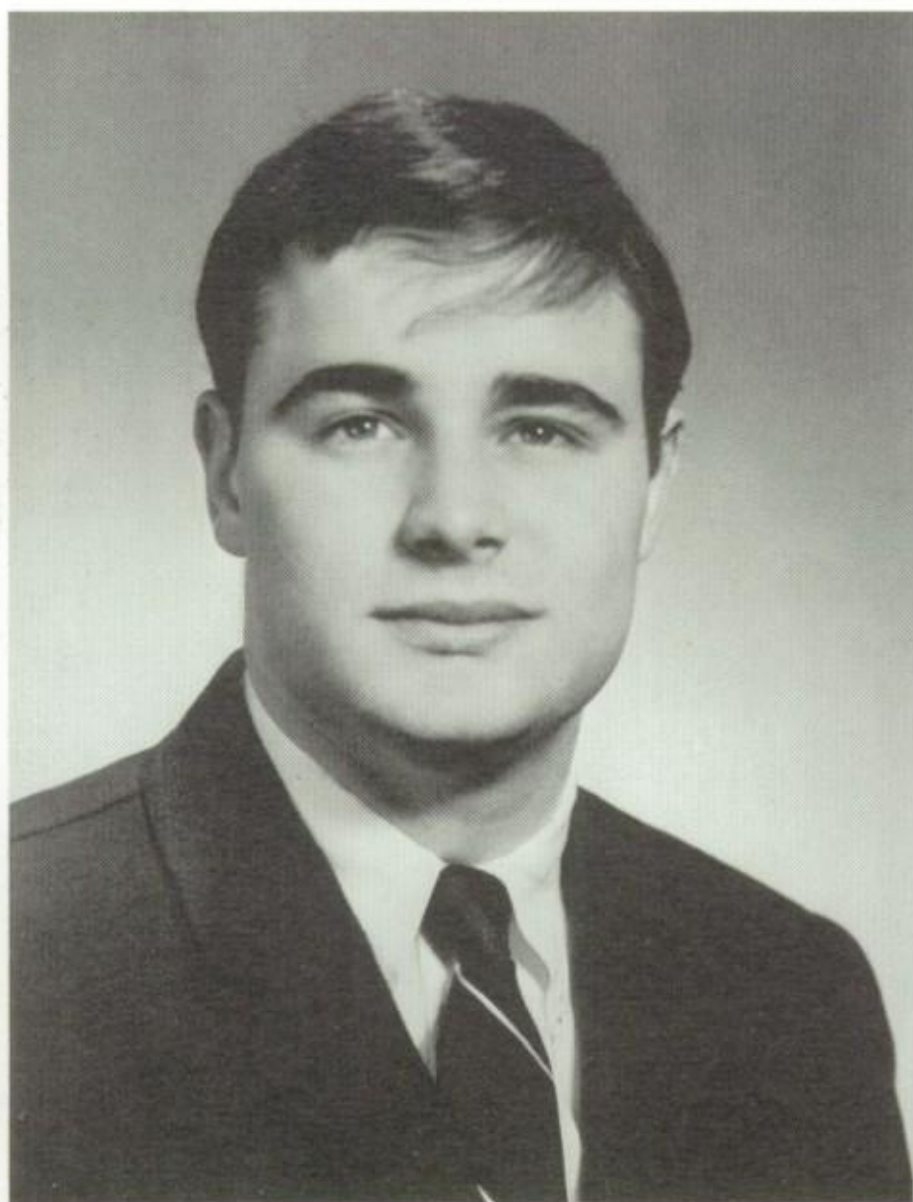

class of 1967

HENRY TINDALL

Soccer 2, 3, 4; Lacrosse 1, 2, 3; Basketball 2, 3.

A member of the Milford Academy soccer team for three years, 'Hank' has excelled at right wing, scoring six goals this season. Hank is one of the "neatest" and well dressed(?) students at Milford. The only problem is that the athletic department doesn't think so. Hank's wit, good humor and short haircuts are a tradition at Milford. Hank plans to major in liberal arts in college and we wish him the best of luck.

ARTHUR TOMES

Football 4.

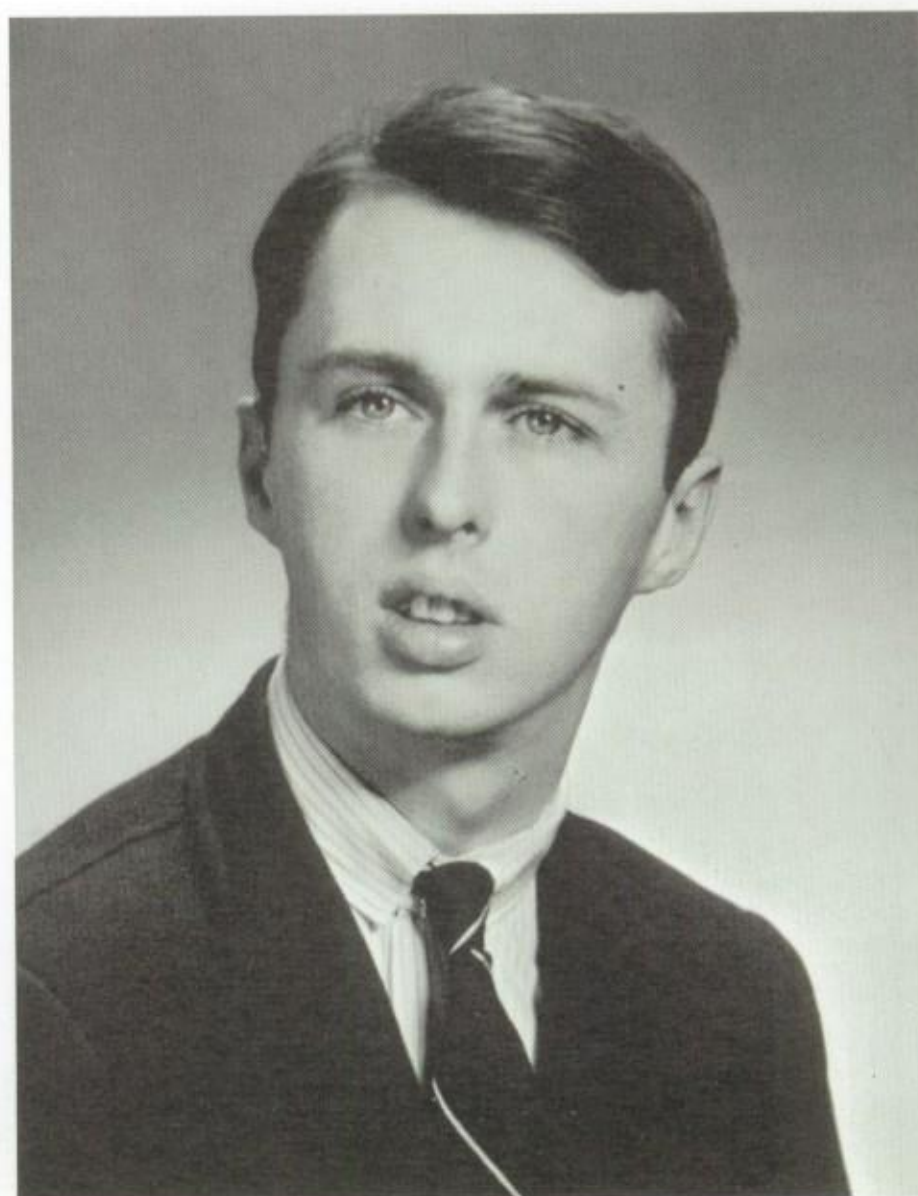

This is Art's first year at Milford but he has many friends. He is best known for his spirit and willingness to be a fill-in on the football team. Art has played quarterback, linebacker and started our last two games to help the team to a great undefeated season. Art is undecided about what college offer he plans to take, but we are sure whatever school he plays for he will be a success.

Seniors

STEVEN TRACY

Varsity Football 4; Baseball 4; Basketball 4; Math Club 4; Chorus 4.

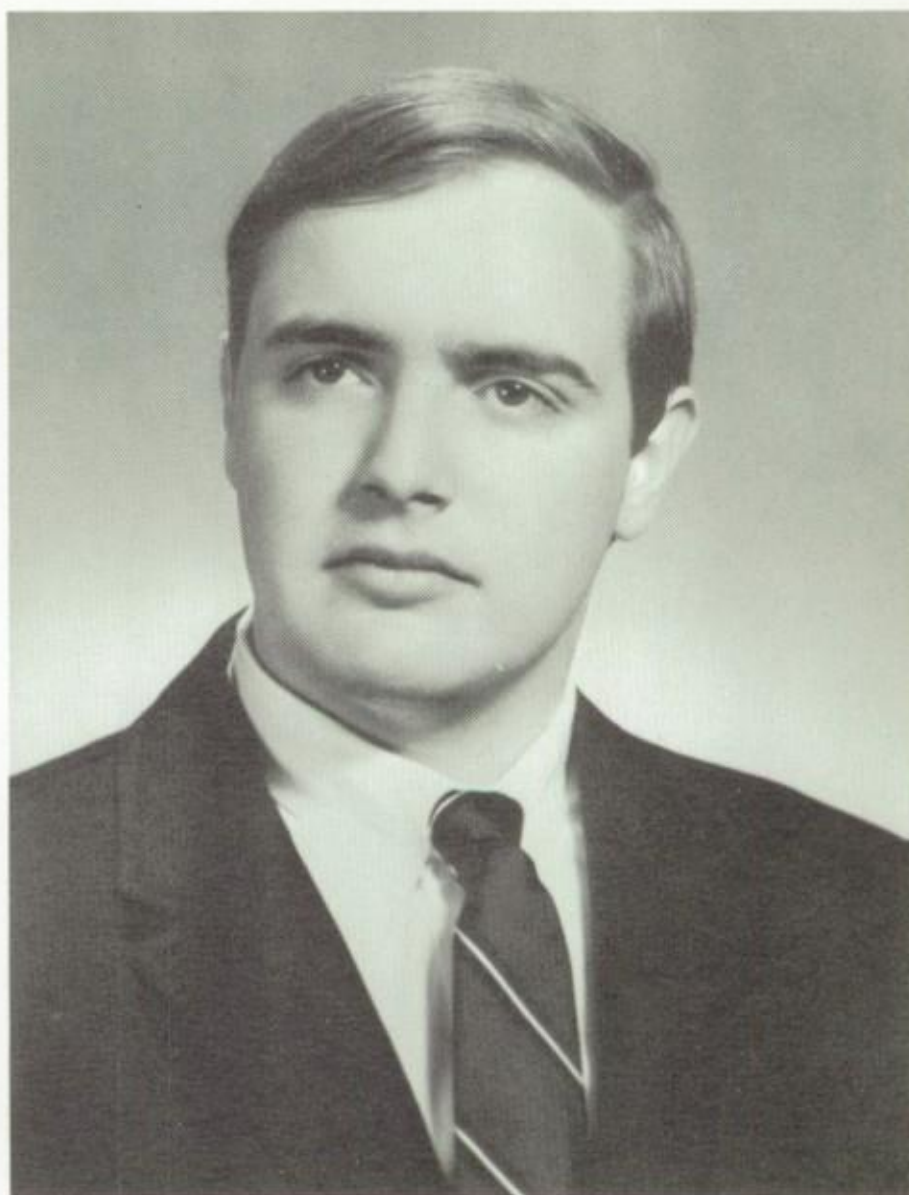

Steve, better known as the "Tracer" for his bullet-like speed, is one of the local "Valley Boys", has made many friends at Milford. Steve played an important role in this year's football team being undefeated. He played flanker-back when Chapman was injured and made some fantastic grabs. Steve's time in the 100 yard dash has been clocked under ten seconds so he should prove most valuable on any other team he plays for this year and in college. Steve has plans of attending Southern Connecticut State College next fall. With him go the Class of '67's best wishes and we know he will attain all his plans.

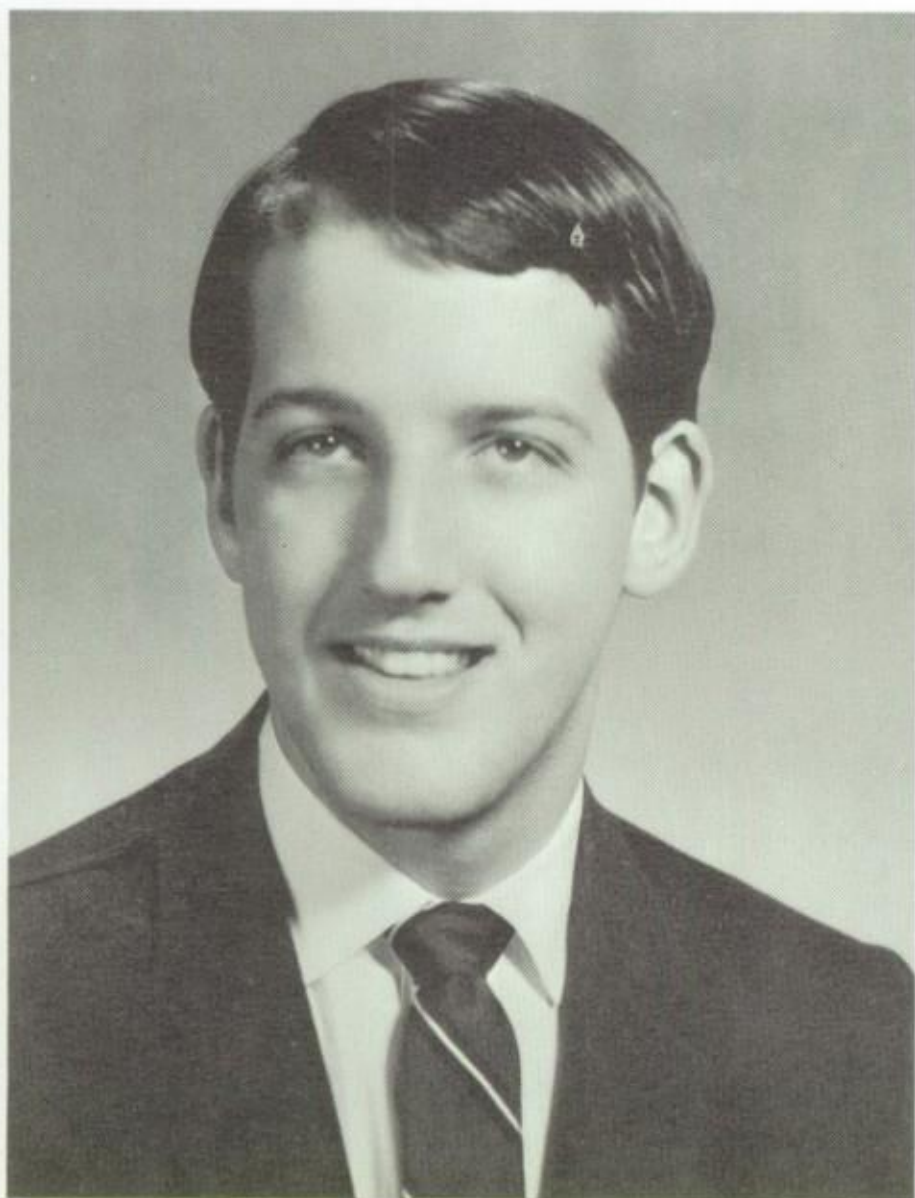

JOHN VOLPE

Art Club 3, 4; Spanish Club 3, 4; Sailing Team 3, 4.

John is one of the few seniors who can truthfully say, I come from the toughest place on the face of the earth, Brooklyn. A friendly and affable disposition has made him many lasting friendships. A consistently good student, John has also won the respect of the faculty. The entire senior class, school body, faculty and Stella wish him the best of luck.

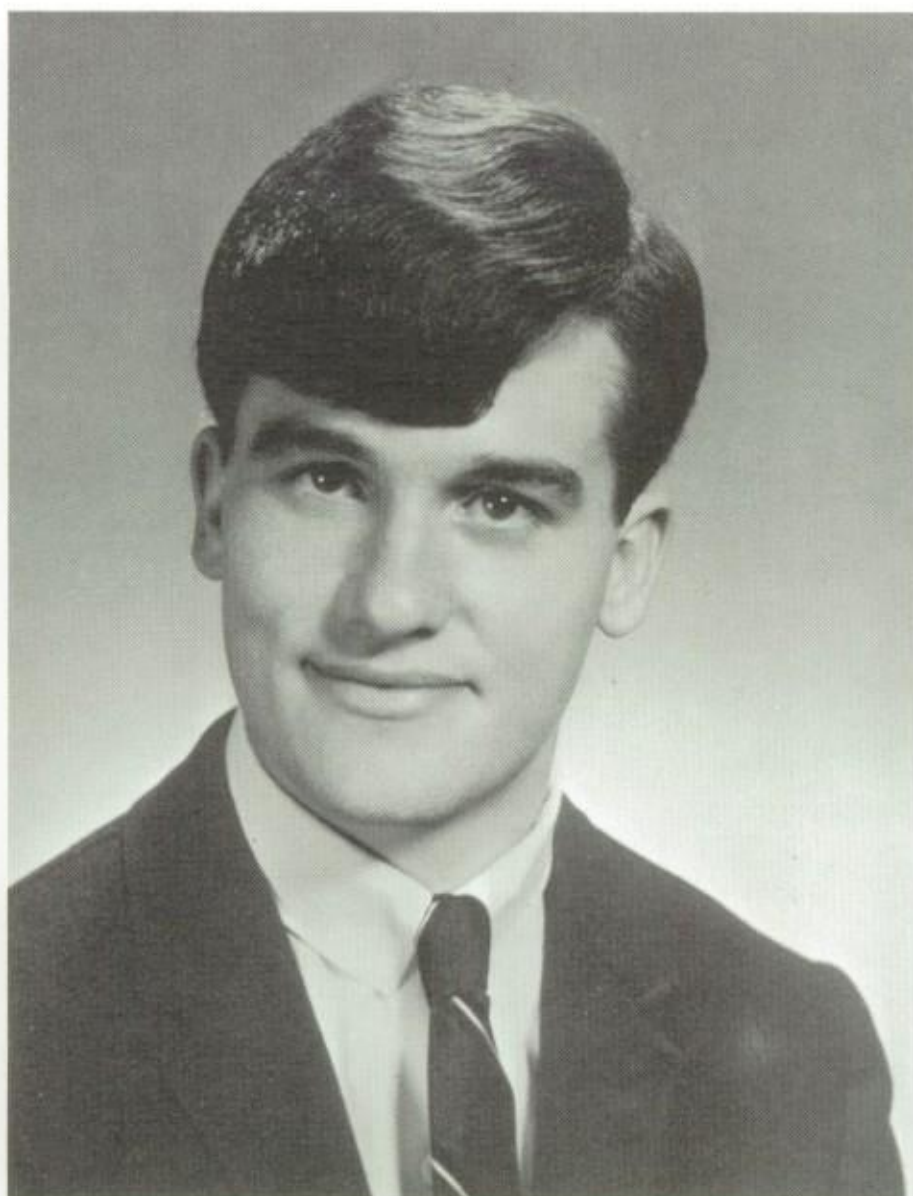

class of 1967

GILBERT IRA WALLACH

Football 1, Manager 3, 4; Soccer 2; Track Team 3, 4; Lacrosse 2; Band 4; Prefect 3, 4.

Gil, a four year man, is another one who hails from Brooklyn, and will defy anyone to find anything wrong with it. Gil with his cheerful little smile and complimentary remarks has won friends at Milford. Gilbert can usually be found on the track field catching the shot with his head. He is musically inclined and thinks the "Rascals" are a groove. Gil wants to go to college out West next year so he can learn the trade of ranching in which he would like to take back to the little hamlet Brooklyn. The senior class wishes him all the luck in the world.

KENNETH WARD

Football 3; Prefect 3; Skiing Team 3, Captain 4; Sailing Team 3, Captain 4; Biology Club 4; International Relations Club 4; Yearbook 4.

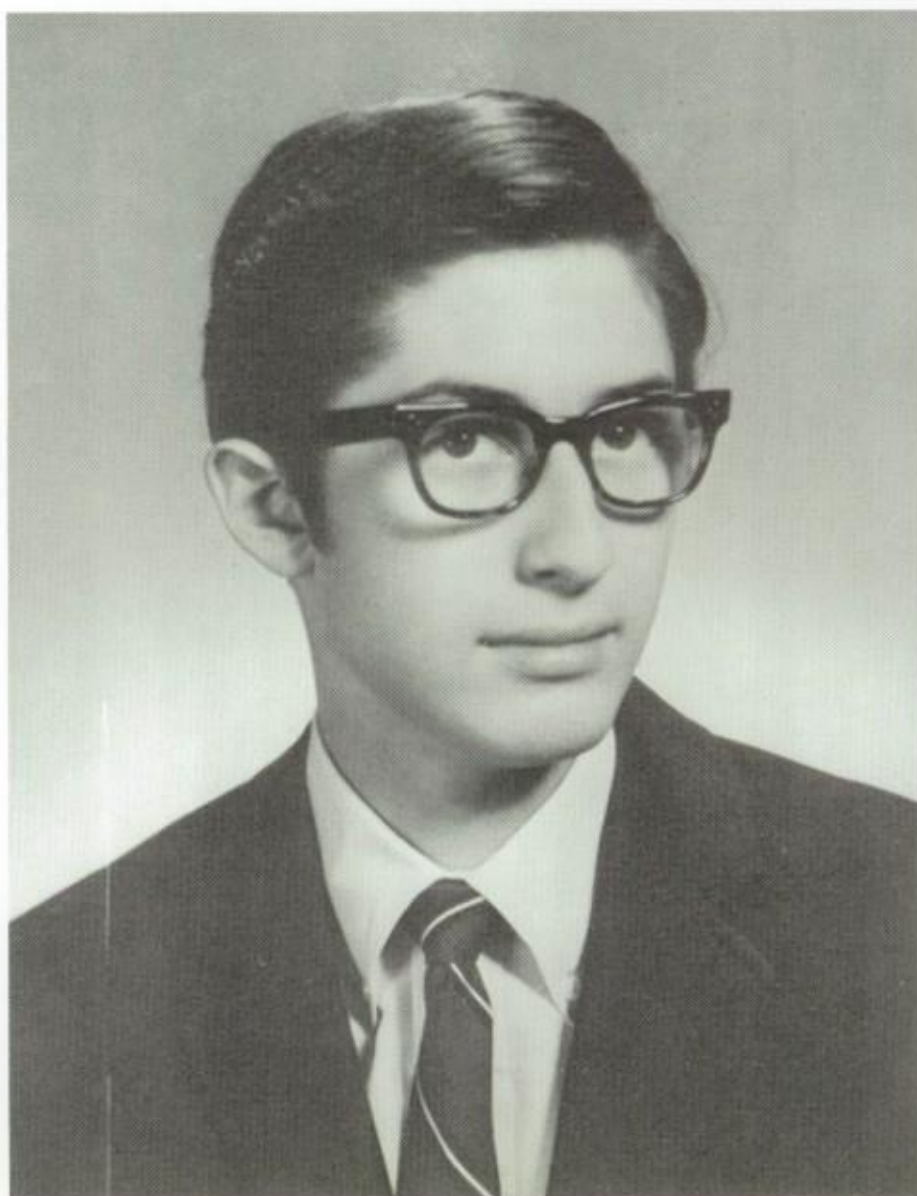

Ken is a two year man at the Academy. A quiet soft spoken individual, Ken can always be aroused by the news of a few girls going skiing, a sport in which Ken excels having learned it in the wild state of Vermont. Sailing is another one of his high points just as long as it's hightide and there aren't any sand-bars around. Ken can be found trying to get himself and his roommate Kerwin up for breakfast but they never quite make it. In all seriousness Ken is quite adept at the books and we wish him the best of luck next year at the University of Vermont.

Seniors

RICHARD WEBER

Newspaper 2, 3, Editor 4; Yearbook 2, 3; Tennis Team 2; Debating 2, 3; Drama 2; Social Committee 4.

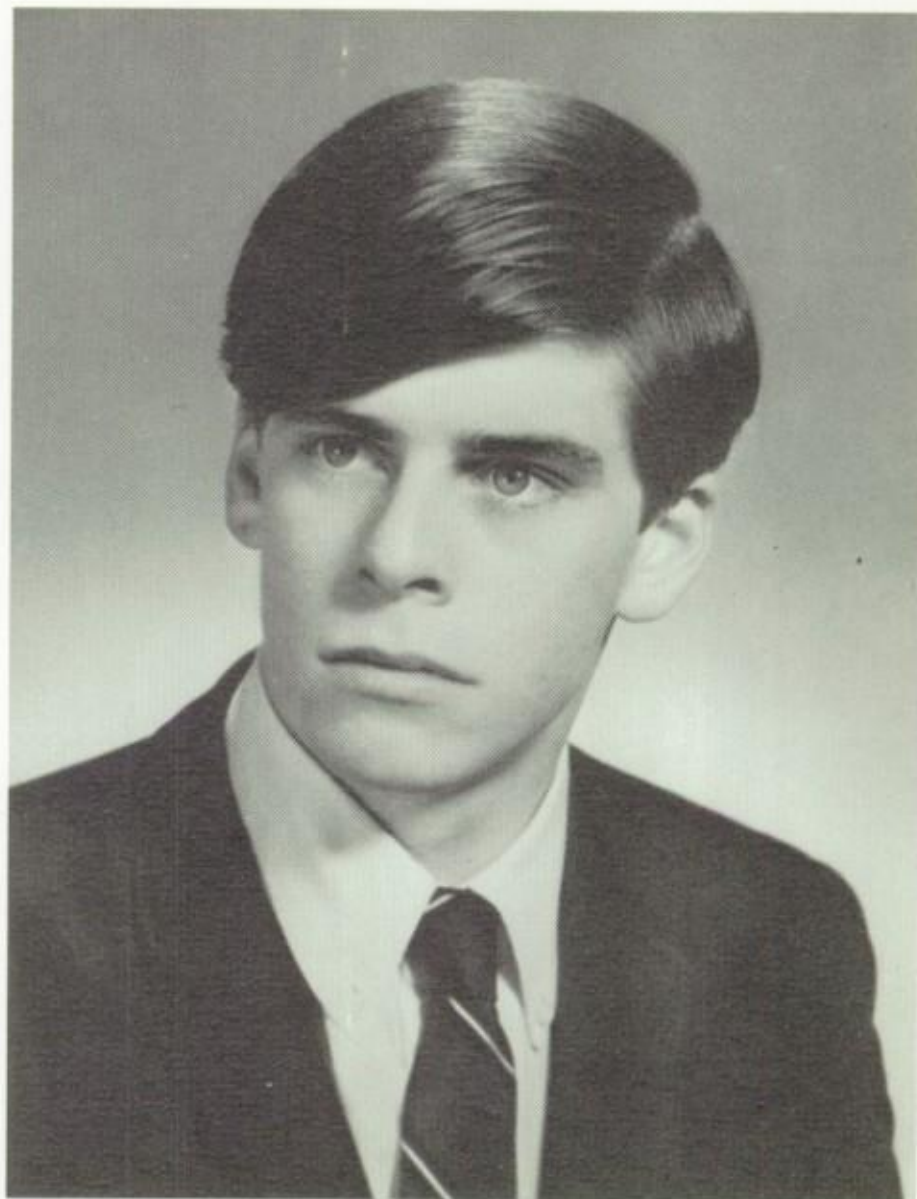

"Legs" is from the city. Legs is the creator of the original "in crowd". Legs furiously jots down information for the school newspaper of which he is Editor-in-Chief. Legs swings in "The City" and has amused many a student with his stories. He will always remember the times he was dragged to athletics and the "good times" had at the school. We wish him the best of luck in the years to come.

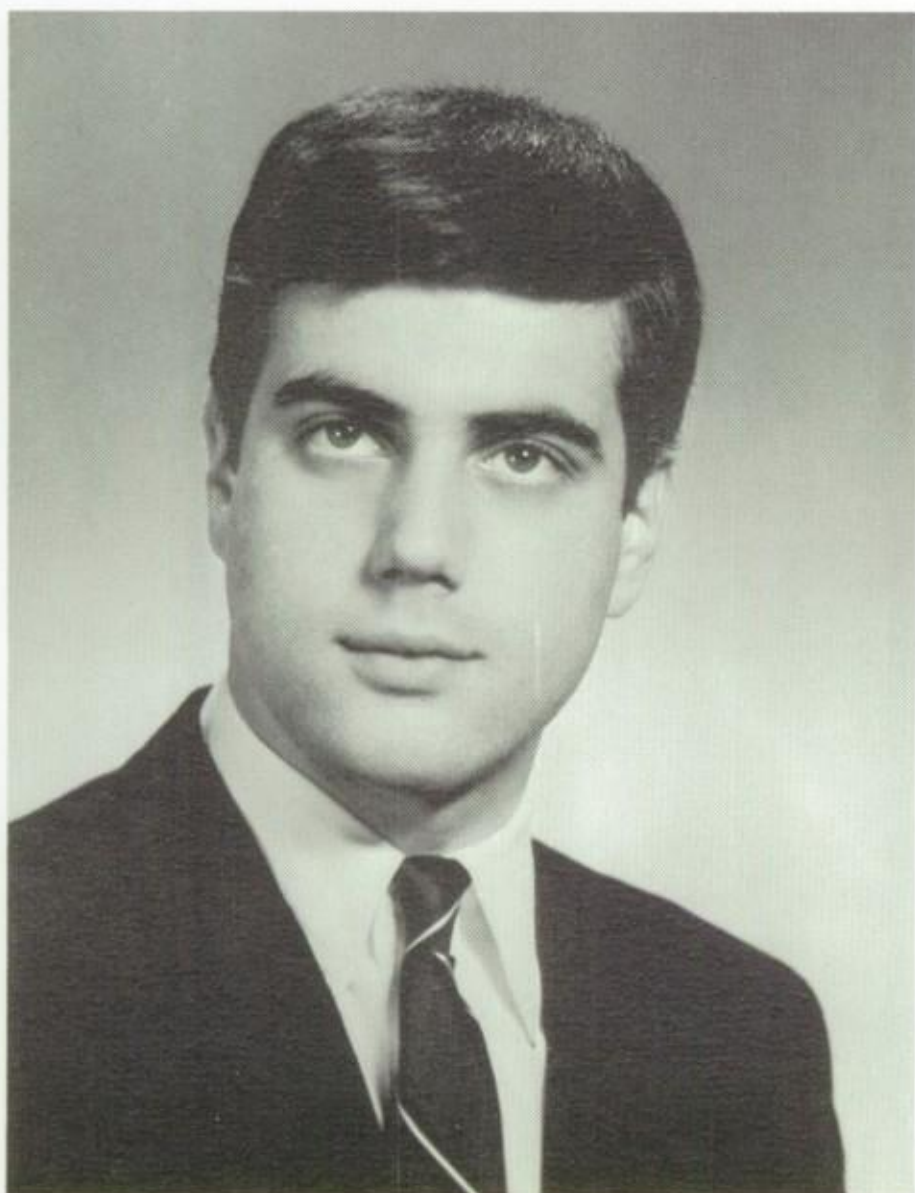

JAMES HARVIE WELCH

Debating Club 2; Senior Prefect 4; Current Affairs Club 4; Track 4.

Jaime, a day student from Hamden, will be sorely missed by his classmates next year. He's the funniest man in school and everybody's friend. He can be found in the senior lounge in one of the cutting sessions with Breunig or Bussman, or visiting his friends, "Barry and the Remains," in Boston. Rumor has it that Jaime will be settling down sometime in June. Our class comic plans to attend Boston University where we're sure he'll be just as big as he was here.

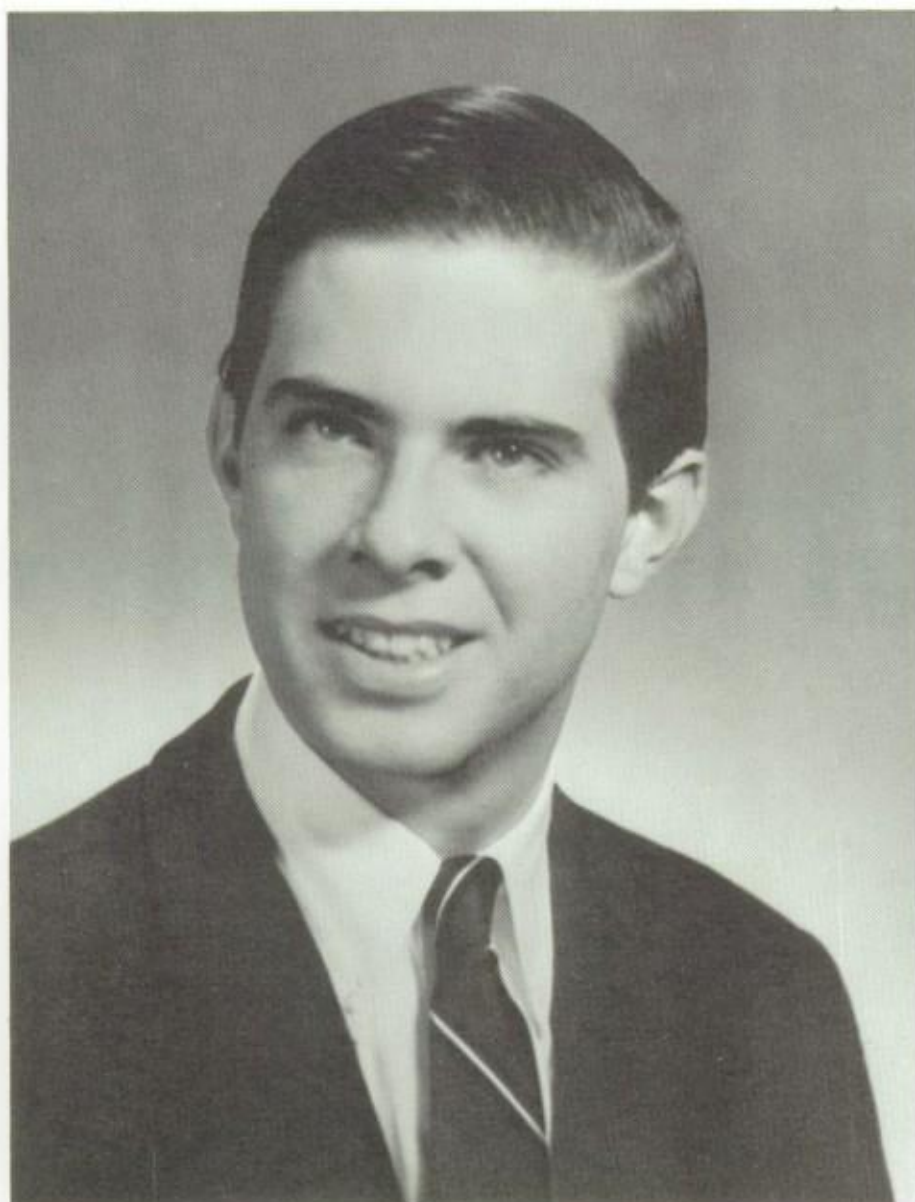

class of 1967

MATHEW WEINER

Debating Team 4; Yearbook 4.

Mat, better known as "Matt Helm", secret agent man, came to Milford in his senior year in hopes of being accepted at the college of his choice, Wisconsin. Matt is always trying to convince people he loves it here but we know better. A native of Philadelphia, Matt is known as an expert in the "Phillie Dog" which was observed by students at one of the dances held here. Matt, is certainly one of the best dressed men at Milford. He attributes his fine appearance to his garters. Matt, a determined worker, will surely do well in whatever field he chooses. We at Milford wish Matt all the luck in the world.

JAMES KEOGH WHEELER

Soccer Team 3, 4; Secretary of Student Council 3; Associated Editor of Newspaper 3; M.C.D.A. 2; Co-Editor Yearbook 4; Prefect 3, 4.

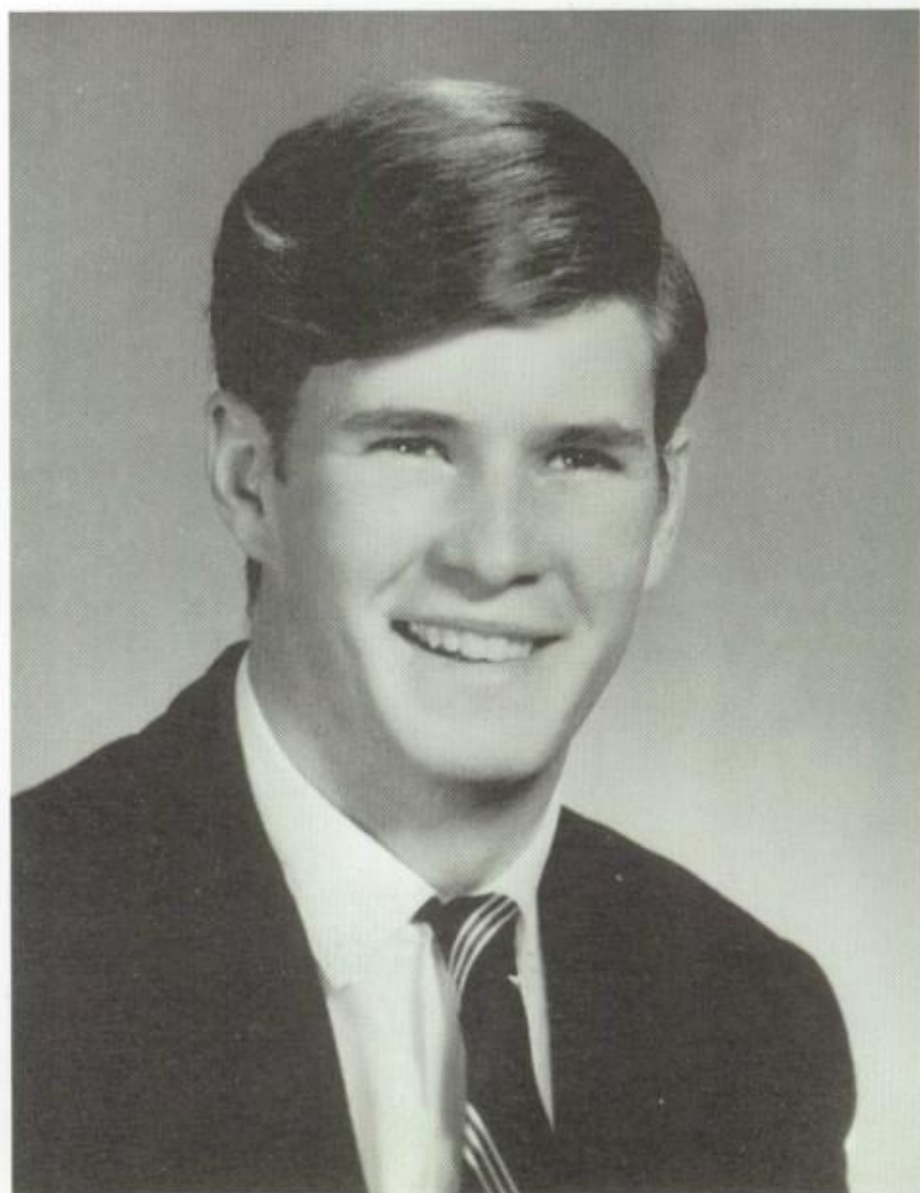

If there is one thing that Jim doesn't suffer from it's insomnia. One has to wonder how he does everything and still manage to get his four hours sleep every afternoon. One of the top English students in the school, he is this year's editor of the Typhoon and was co-editor of last year's celebrated yearbook. Jim has the problem that every girl he takes out moves to Europe shortly thereafter. He doesn't like this because it costs more to correspond. He presently can be found waiting for word from Switzerland and a certain blonde. He will gladly bounce a check anywhere on a dare or bum a buck off you. It's rumored that Jim keeps Credit Advisors in business. Either the University of Virginia or North Carolina will have the privilege of opening their doors to Jim.

Seniors

PHILIP WHEELER

Tennis Team 3.

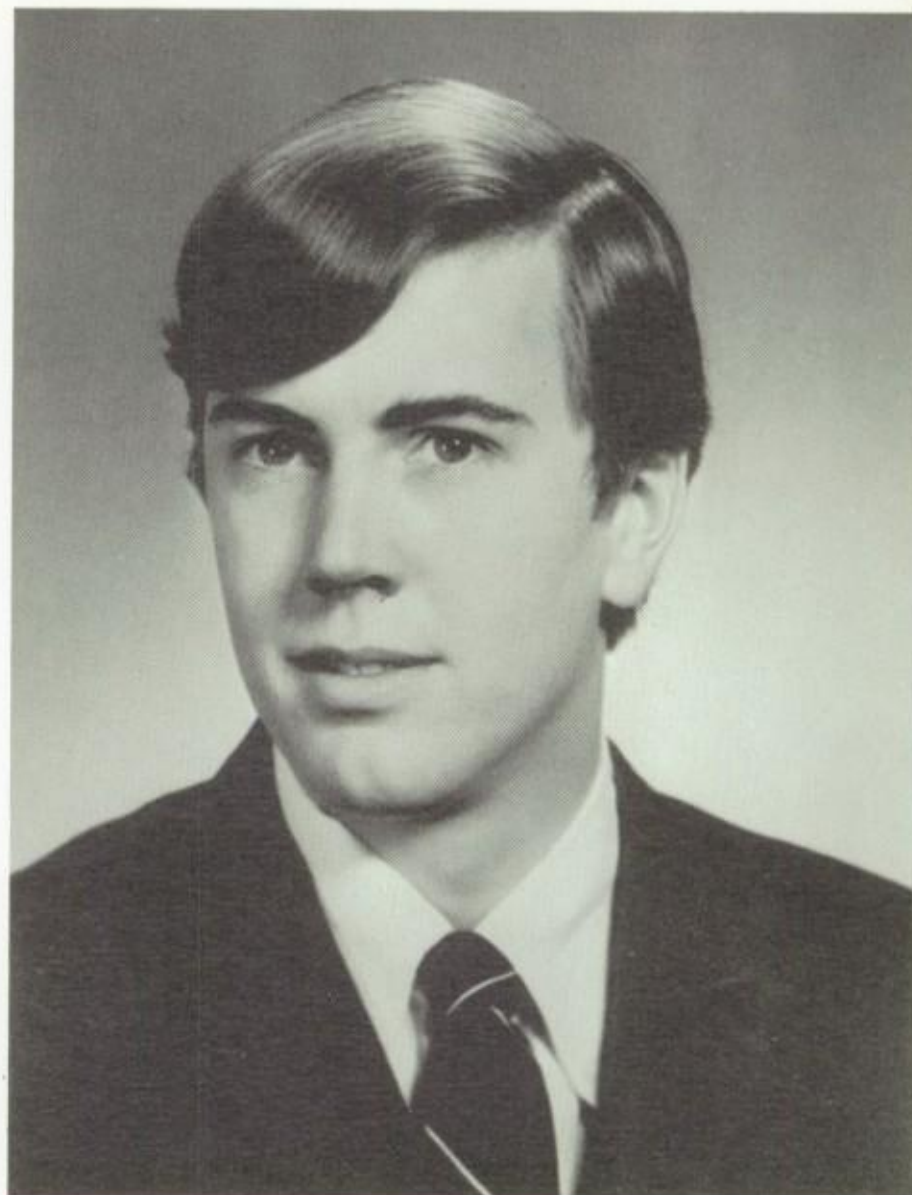

The Andy Granitelli of Milford Academy, Phil or "Wheels", take your pick, has gone through an "O", Triumph 650, an El Camino, and is presently tooling around in his week old 427 Vette. His El Camino took Connecticut's top prize as the best looking stock car. Anyone with regard for their life and limb will look both ways before crossing when Phil is at school.

PETE WIGGINTON

Drama Club 3; Psychology Club; Literary Magazine 3; Social Ethics Club 4.

Pete seems to be a man in his own way. He adds a touch of Liverpool to our campus with his long hair and just tantalizes the teachers with his quick wit. Pete's slow walk doesn't seem to add spirit to school or maybe it's his way of showing that those early morning classes are just too much. Pete also seems to be Milford's answer to Sherlock Holmes. We are now sure of Pete's ultimate goals (is he?), but nevertheless his great sense of humor should aid him in his choice.

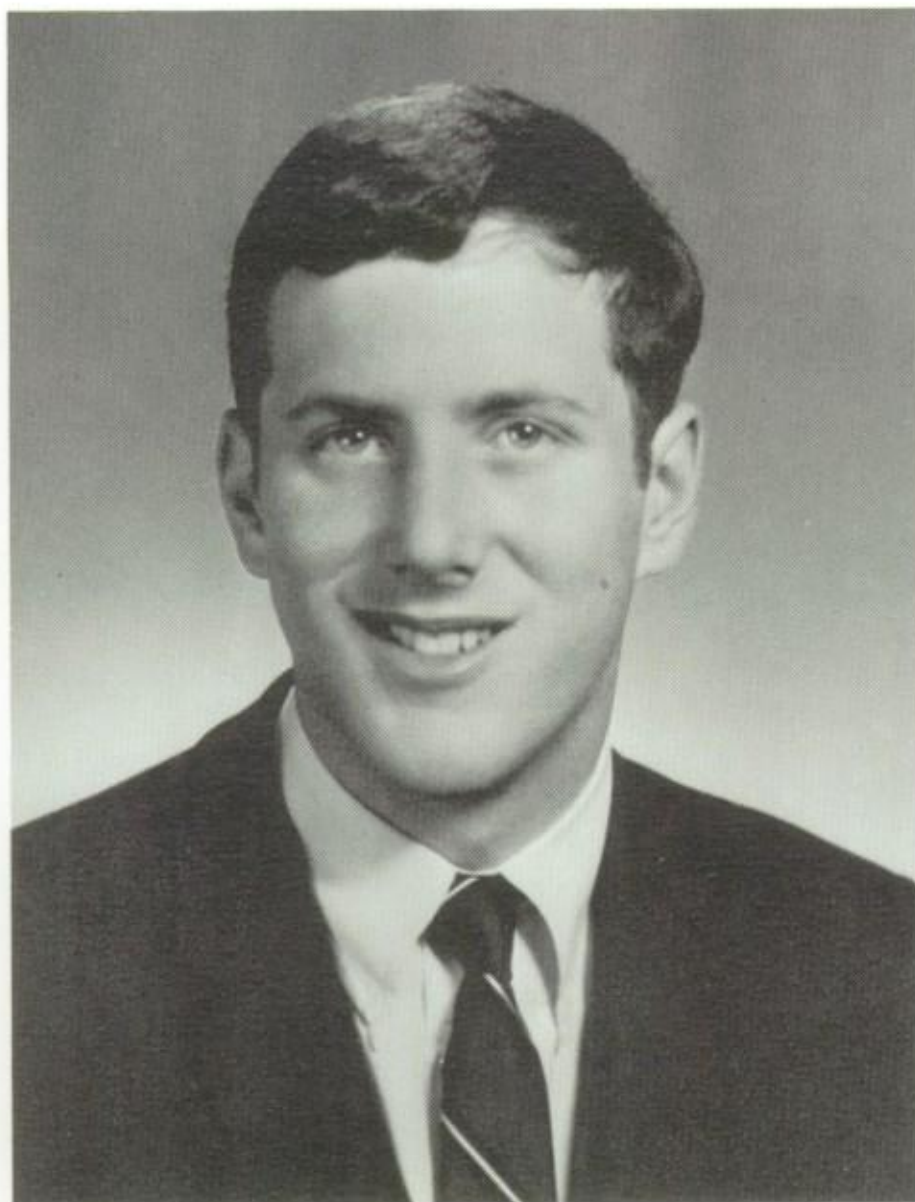

class of 1967

STEPHEN WILLIAMS

Basketball 3.

Steve entered Milford in the 1965-66 session. An Avid sports enthusiast he can often be found supporting one of our teams. Steve has proven to be an outstanding math student, and has actively participated in the school's extra-curricular activities. We wish Steve the best of luck at the college of his choice.

GARY WINIK

Ski Club 2, 3, 4; French Club 3; Tennis Team 2, 3, 4; International Relations Club 4.

Gary is the all-around guy on campus and says he doesn't need to show off his abilities as long as he knows he's better. Besides being well-versed in sports like Skiing and Tennis, Gary performs quite well in his school work, having made second honors consistently. We all are sure Gary will do well in the college he chooses and succeed in the future.

THE 1967 FOOTBALL TEAM

RAY ROBERTS (Captain)
H. 5'9" — W. 185

Ray came to the Academy from Massachusetts, where he was an All-Stater at halfback. This year Ray did a real fine job for the Red Devils, picking up a total of 760 yards in six games. He was named to the All-New England roster for his fine offensive and defensive playing.

LAVERNE GASKIN
H. 5'10" — W. 183

Laverne came to Milford Academy from Bullard Haven Tech, where he was captain of his pigskin team and played in the Nutmeg Bowl. (Game for outstanding seniors in Connecticut). This year Verne did a fine job picking up 637 yards in the six games. He was also chosen to the All-American roster for his great running this year. Laverne was one of the most exciting players to watch considering he runs the 100 yd. dash in 9.6

TONY AUGLIERA (Captain)
H. 5'8" — W. 155

This was Tony's second varsity year for us as he was converted from halfback to quarterback and to our captain. Through the air Tony completed 22 of 32 passes with five of them going for touchdowns. Combining his ground yardage with the aerial gains, he compiled a total of 353 yards, acting out an important role of our offensive team.

Shiner, Sarnacki, Carlson, MacKenzie, McDermott, Grattaduria, Izze, Evans, Williams, ass't. coach Virgulto. Third row: Ingram, Heyman, Jolis, Montano, Vaccaro, Kent, Caplan, Screvane, Freyda.

NO. 1 IN NEW ENGLAND

MILFORD ACADEMY vs. LAUREL CREST ACADEMY 52-14

On October 15th, the Prep sent twenty-four players to Laurel Crest Academy to start the season. The toss for the opening game was won by the "Marooners", who elected to kick off. The defense then, took over and immediately harassed the Crest. This continued throughout the entire game and held the opposition to fourteen points.

The offense was just as brilliant, rolling up over 500 yards. The Milford attack was led by halfback Ray Roberts, who hit paydirt on runs of 3, 10, and 55 yards. The other offensive standout was Laverne Gaskin, who scored on runs of 19 and a spectacular 92 yard gallop. The other scores tallied by Albie Chapman, who made 12 points on aials from Tony Augliera. All the boys did a fine job, stunning the Crest. Now they were on fire, ready to burn Saint Thomas More and build their record to 2-0.

MILFORD ACADEMY vs ST. THOMAS MORE 63-6

Did someone say that Milford Academy was eleven points underdogs to St. Thomas More? Once the "Red Devils" stepped on the field there was no stopping them. When the dust had settled, the score was sixty-three to six.

Halfbacks Ray Roberts and Laverne Gaskin ran wild for 178 yards each. Mike Iezzi gained sixty-eight yards and Walt Longarini at fullback gathered forty-eight yards, but this wasn't enough for the "Red Devils." Tony Augliera, Art Tones, Dave Kent, Jim Williams, and Neil Shangold all carried the ball for another eighty-four yards.

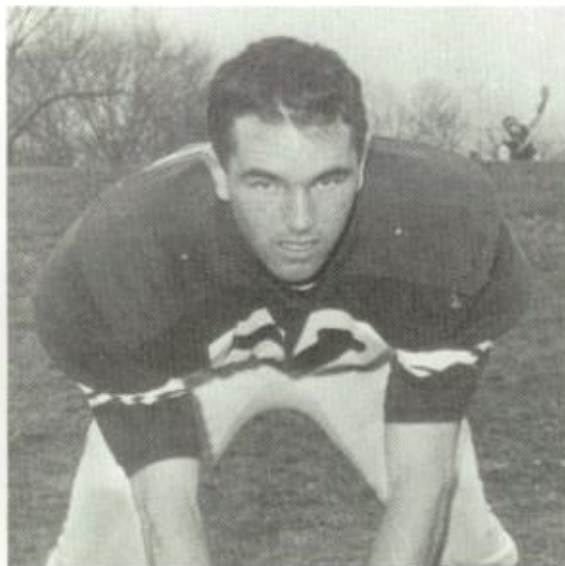

Quarterbacks Augliera and Kent completed eleven out of thirteen passes to their primary receivers Albie Chapman, Jimmy Canty, and again Ray Roberts. In total offensive yards gained, the "Red Devils" compiled 676 yards for the day.

The "Red Devils" are now looking forward to making Assumption Prep. their third victim.

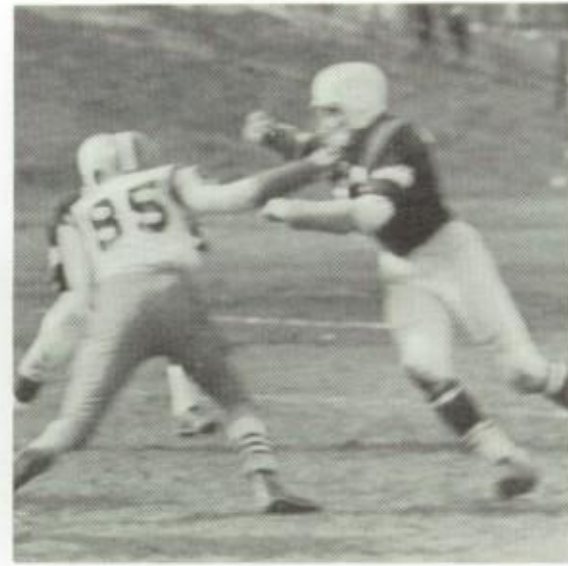

JIM CANTY
H. 6'4" — W. 215

This is Jim's first year at Milford having played previously for Wilbur Cross H. S., New Haven, before coming to the Academy. Jim did a fine job for us this year at right end, and although he was injured for a few games he caught four passes for sixty yards and one T.D.

BARRY MC DERMOTT
H. 5'10" — W. 185

Barry came to the Academy from Derby H. S., where he was an All-Stater. He did an outstanding job and was chosen to be on the second team, All-New England. Barry was by far the best lineman the school ever had; playing at center and linebacker and helped the team go undefeated for '66.

CHARLIE O'MARA
H. 6'2" — W. 211

Last year Charlie played for Central H.S. in Bridgeport and was named to the Football Hall of Fame of Fairfield County, while also being All-MBIAC League and All-State. This year he started at right tackle for the Marooners and was an important part of our undefeated team.

Dehm, busting heads.

Boy, am I going to cream you!

Nice try.

Out of my way, little fella.

Vern "churnin".

Where's the chocker?

HERB HENKEN
H. 6'2" — W. 205

This is Herb's second year playing for the Academy, and has done a fine job for us both seasons. The finest game Herb played was at left tackle in the Bullard Haven's contest, where the Marooners' defense stood out. Herb came to the Academy from Flushing, N. Y. and next year hopes to go to Yale.

MIKE INJAYCHOCK
H. 6'2" — W. 217

This also was Mike's second year on the squad for the Red Devils. Both seasons he has done a fine job as right guard for the Academy. Mike is the only player on the squad who worked his way up through the ranks since his freshman year.

MIKE DEHM
H. 5'11" — W. 210

Mike came to Milford Prep from Milford's public high school. He did a real fine job at left guard this year and was chosen to be on the All-New England roster. His nickname "Backus" was called by all his mates and well-deserved.

ACADEMY BLANKS ASSUMPTION 12-0

Milford Academy shut out Assumption Prep, from Worcester, Mass., in a pitched battle, which resulted in Milford's third straight victory, without a defeat.

The game was largely a defensive battle, the two lone touchdowns separated by three periods of violent contact. The first tally occurred when fullback Walt Lungarini plunged across the goal line from five yards out. The second score came in the fourth quarter when a sustained drive of forty yards was capped with a ten yard touchdown pass from quarterback Tony Augliera to end Albie Chapman. Augliera ran for thirty-six yards, and completed four passes in five attempts, all of them being caught by Albie Chapman, for thirty-one total yards. Ray Roberts and Laverne Gaskin, "maroon superstar halfbacks," ran well against the toughest defensive unit encountered thus far, racking up sixty-three and seventy-seven yards, respectively.

The Milford defense, for the most part, effectively contained Assumption's offense, largely due to the efforts of Herb Hanken, Mike Injaychock, Mike Dehm, Mike Lezzi, Jim Canty, and Ray Roberts. Albie Chapman, recovered a fumble and intercepted a pass, and Laverne Gaskin also picked off an Assumption pass and recovered two fumbles.

MILFORD ACADEMY vs TRINITY PAWLING 34-20

With Laverne Gaskin and Ray Roberts piling up 22 points in the first quarter for the "Red Devils", it looked like an easy victory over Trinity Pawling School. The two speedy halfbacks scored by runs of six, seven and nine yards out, and with quarterback Tony Augliera taking the pigskin over twice for four conversion points, Milford took an overwhelming lead. Trinity Pawling, though, dominated the two middle periods with a sharp passing offense and three touchdowns, to come within two points of the Academy, 22-20. As the fourth quarter approached, Milford was the closest it ever was to losing, but they never gave up. Rugged Walt Lungarini carried the ball into paydirt with a 54 yard gallop and 3 yard plunge to add 12 more points to the "Red Devils" score. The defensive squad also played brilliantly and was highlighted by guard Mike Injaychock and center Barry McDermott, who probably gave their best performance of the season so far.

With two more scheduled games to play, the question still is: Can the red-hot Milford Prep team stay undefeated? They are in top form, and are in good contention to do so.

WALT LUNGARINI
H. 5'9" — W. 197

Walt came to the school from Derby H. S. where he made All Housatonic Valley. This year, playing for Milford at fullback, he did a fine job, 539 yards in 60 carries and averaging an amazing nine yards a carry. Walt's finest game was against Bullard Havens where he scored three touchdowns and gained 219 yards rushing.

JOE GRATTADURIA
H. 5'9" — W. 180

Joey G. was one of the tough luck players on the team this year. He was hobbled by injuries to one of his knees which slowed him down somewhat but not fully. He started the season in a blaze of glory scoring from quick-openers up the middle or end sweeps. Joe played his high school ball at Derby High where he made the All-Valley team and All-County team in his junior and senior years. Joey tallied four touchdowns for the season but was a valuable cog on this year's Milford machine.

MILFORD vs BULLARD HAVENS

The Thanksgiving Day game will never be forgotten by those who viewed it from the Milford stands. It was a classic in all senses of the word. A matching between two undefeated teams; a high school that had whipped all other public highs in the area and the Milford Academy, also undefeated, and being one of the biggest preparatory powers in New England.

Early in the first quarter Milford showed its offensive power as Walt Lungarini ran 43 yards in three plays to set up Vern Gaskin's T.D. of 30 yds. The next score was by Lungarini, who raced 23 yards to put a 12-0 margin up for Milford. The defense held, and meanwhile Lungarini scored for the second time late in the second quarter. When the gun sounded ending the half, it was Milford 18, B.H. 0.

Late in the third quarter though, Bullard Havens scored on Milford, breaking their tough defense and completing a touchdown pass for the score. The Prep defense, completely determined by this, held them scoreless to the end as the offense, led by Walt Lungarini who amassed 219 yds. rushing for the day, added eight more points onto the board for a 26-6 win over Bullard Havens. The game was now over and Milford again put another undefeated team down in defeat.

MILFORD vs A.S.D.F.

On November 12th the Academy gridders put up their undefeated record against an aggressive A.S.D. squad. As in the four previous games, we won the toss and for the third time elected to kick-off. The powerful toe of Barry McDermott sent the pigskin within the ten yard line and a tough kick-off team stopped the spirited A.S.D. back on the 22.

The solid front five stopped the rather slow developing offense in four plays and the celebrated Milford offense took over. After 9 plays and 3 1st downs Walt Lungarini bulled his way through 3 tacklers for the first score. For the conversion, Quarterback Tony Augliera rolled right and scooted in for the two points.

The first half saw 3 more Milford touchdowns; 2 by the "baby bull" Ray Roberts and another one by Lungarini. The first half also saw a Milford kick-off returned 82 yards for the first A.S.D. score of the

afternoon. The half-time score: Milford 28, A.S.D. 8.

Milford didn't waste any time in the third quarter. After a good run back by Roberts, Augliera piloted a 61 yard march to paydirt culminating with a 29 yard romp by the fleet-footed Laverne Gaskin around left end. A one point conversion was then completed by McDermott. The score at the end of 3 quarters was 35-8 Milford.

After another score by A.S.D. Lungarini went in for the last Milford T.D. of the game and again McDermott split the uprights for the conversion. With such a seemingly decisive margin Coach Dick Downey sent in his rookie J.V. quarterback Dave Kent. A good showing by Kent and all the younger players gave Coach Downey insight on future great Milford football teams who would defeat a foe by a score of 42-14 as did the 1966 football team.

You're on your own, now.

1966 VARSITY SOCCER

The Milford Academy Varsity Soccer Team opened its 1966 season in defeat at the hands of the Kent School in a driving rain storm by a score of 8-0. Despite the lopsided score, the team showed that it had great defensive potential. Considering the small amount of practice the team had previous to their opener, they were well organized and would have done a great deal better under better playing conditions.

Right wing, Hank Tindall, opened the second game of the season with a goal at the two minute mark of the first period as a much superior defensive team held Laurel Crest Academy in the first three periods of play. At the twelve minute mark of the third period, however, Laurel Crest tied the score and after thirty seconds of the final period went ahead to stay. Milford's determined team never gave up and continually was threatening but all in vain. Laurel Crest held on and won in front of a small crowd here at Milford. The game did show Coach Canelli of the team's potential on both offense and defense.

With the spirit of the team up and the players well practiced, Omar Chamma opened up the game with a first period score which lasted through the first half. A penalty shot, however may well have cost us the game as Watkinson School was able to tie the score in the third period. Throughout the game fullbacks Gamsby and Broms held Watkinson in check but the offense was not able to materialize and the game went into overtime. After a rough battle Watkinson School slammed a goal through and held on against a spirited team to win a closely fought contest.

From the first minutes of the second game, this time at Laurel Crest Academy, it was obvious that there had been great improvement in our team. Omar Chamma opened the scoring with a goal at the 5:30 mark of the first period and our stubborn defense stopped any offensive drives by the opposition throughout the first half. The second half proved to be just the same as the Milford defense only permitted seven shots on goal. To put the icing on the cake, Howie Senft scored at the 14:53 mark and we had our first and well earned victory over Laurel Crest 2-0.

With one victory in back of them the team was set for the game with Windsor Mountain School. Another defensive battle was staged as neither team was able to penetrate the others line. Omar Chamma's first period goal gave us our second victory of the season, as the opposition was unable to put one past goalie Gregg Miller.

The rain again proved to be our biggest opponent as the team travelled to New York Military Academy in an attempt to even up the won-lost record. N.Y.M.A. was able to score early in the first period but throughout the rest of the first half neither team

JIM WHEELER
Left Wing

Jim has been a member of the Varsity Soccer team for the past two years, and has done an outstanding job at left wing. At this position he has helped set up many goals being third on the team for assists. Jim was considered to be one of our fine assets during the 1966 season.

MARK DIAMOND
Left Inside

Mark is also part of the previous year's varsity and has become captain of the '66 team. After last year's fine finish, receiving the M.V.P. and making All-Interac, Mark got off to a good start scoring for two goals and assisting for five others. Unfortunately though, he was hampered with injuries and was not able to finish the season.

OMAR CHAMMA
Center

Omar, the Arabian Knight of our soccer team, was able to break through our opponents defense and score 15 goals this season. For his efforts, he made All-Interac and we are sure he will do as good a job while attending Columbia University next year.

could mount an offense; then the rain took over. In the third period the slippery ball slid off the wet shoe of a Milford defender and rolled into the goal. The same thing happened in the fourth period and the score wound up 3-0. The team played very well but the poor playing conditions was a major obstacle.

Due to unfortunate circumstances the team was forced to play against the Marvelwood School with five JV players in the starting line-up. A spirited fight was put up but for three periods we were completely outclassed and going into the fourth quarter the score was 4-0. The fourth quarter was all ours with Bob Namkoomg scoring at the :19 mark. The defense stiffened and the offense began to move but it was all too late with the score ending 5-1.

The team was back at full strength with the exception of Chuck Stone who had been injured in the N.Y.M.A. game, and set for an Inter-Ac competitor, St. Thomas More. More scored the only goal in the first half and lead at that point 1-0, however, the Milford offense controlled the ball for most of the first half play and continually threatened. In the third quarter Captain Mark Diamond hooted one through to tie the score. Within one minute of that, left wing Hank Tindall slammed another one by to give us the lead. Then approximately one minute later Omar Chamma built the score to 3-1. The defense led by fullbacks Broms and Captain Gamsby stopped the opponent and the game was ours.

Homecoming Day produced our best victory to that point. Omar Chamma scored twice in the first period to give us a 2-0 lead. Chamma then opened the second period with a score which was followed by goals by Tindall, Diamond, and then Tindall again as Milford rolled up six points by the half. Lineman Gary Brand then scored his first goal of the season at the beginning of the third period. With the score 7-0, the never relenting Milford offense continued to beleager a stunned Cornwall Academy team and won the game 7-0.

With a two game winning streak at stake and a chance to even up the seasons won-lost record, Milford played host to St. Thomas More. More opened the scoring on a penalty kick in the first period, but Omar Chamma tied the score quickly at the 8 minute mark in the first stanza. Our offense continually pounded the opponent but to no avail until the final minutes of the first half when Omar again slammed the ball through to give us the halftime lead in a game played in a driving rainstorm. More tied the score in the middle of the third period as a result of a slippery mix up in front of our goal. Then came Omar in the fourth period giving us the lead at the 3:25 mark on a feed

GARY BRAND

Right Inside

Gary, one of the few underclassmen on the team, did a fine job at his position, scoring one goal and assisting four others. With two years of experience, we are sure Gary will have an outstanding senior year next fall.

HANK TINDALL

Right Wing

Hank was one of the most valuable offensive players on the team. This year he scored five goals and had three assists to his credit. For the past two years Hank has been at right wing and has done an outstanding job for both years.

and assist by Captain Diamond. One minute later Omar scored his fourth goal of the day and seventh in two games with an assist by Gary Brand. Goalie Gregg Miller again played a fine game stopping a penalty kick in the final period and the booters made it three in a row and giving them a shot at the Inter-Ac crown.

The team travelled to Choate for their next game. Under almost perfect playing conditions the two teams played the first period to a tie. At 2:45 of the second period Omar Chamma took advantage of a penalty to put us ahead. Four minutes later, on a much disputed call, Choate scored on a penalty kick and followed it up soon after with the go-ahead score. The third period opened fast and furiously with right wing Hank Tindall scoring at the :45 mark with an assist by Bub Namkoomg. The tie remained during that period with the defenses taking over. At the fourteen minute mark Choate scored again to break the tie. The fourth period was marked by a defensive struggle until the 11:00 mark when a Choate score on a penalty kick virtually put the game out of reach. One minute later Choate scored again in what appeared to be the end of the game but we didn't think so. Omar, with an assist by Gary Brand, prevented the game from being a disgrace by scoring only eleven seconds later. The final score in a hard fought game was 5-3.

Cheshire was now the only team standing in the way of the Inter-Ac crown, however, they weren't about to move. The first period saw Cheshire constantly on the attack but only being able to score once. The second period was the disastrous one. Two were scored against us in that period as we were unable to cross the center line successfully. The team came out after the half with the idea of not conceding the game without a fight. Both teams held firmly and fought hard and Cheshire was only able to score on a penalty kick in the final period. Late in that period Omar capitalized on a penalty kick preventing a shut out and the game ended in a 4-1 defeat.

The last game of the season was played at the Brunswick School. The game was hard fought by both sides and extremely close in the statistic department, but the Milford defense led by Goalie Miller proved unrelenting. Omar Chamma's score in the first period was all to be done and we ended our season with a somewhat disappointing 6-7-0 record.

The last two games were played without the services of Captain Diamond or full-back Broms due to injuries, and other injuries hurt us during the other part of the season. The team fought hard and played well despite the record.

MIKE BUCHBINDER

Left Half-Back

Mike started playing soccer for the Marooners last year, used mostly as a substitute. This year he started at left half-back and was quite valuable to the team's offense.

CHUCK STONE

Center Half-Back

Chuck, also a member of last year's victorious team, helped bring this year's team into a respectable second place in the Interac standings. For his fine efforts he was named to the All-Interac squad and will be next year's captain. We are sure he will do a good job and live up to his expectations.

ED KERWIN

Right Half-Back

Ed is the only J.V. player of last year's team to have a starting position on this season's Varsity. He was part of the fine defense that held the opposition, game after game. We are sure Ed will play fine ball at the college of his choice.

HOWIE SENFT

Left Fullback

Howie, one the most valuable defensive players on the team, dazzled the opposition with his quick moves and fancy footwork. Not having the size needed for a fullback, he used his speed and coordination to become a big part of the '66 team.

HENRY GAMSBY

Right Fullback

Henry, having an outstanding Junior year, while being on the All-Interac squad, was made this year's captain. He helped bring Milford a second place in the league and was one of the main factors of this year's defensive power.

GREG MILLER

Goalie

Greg had some of the finest credentials on the team this year as he previously made All County in New Jersey and set a record for consecutive shut-outs. This past fall, after all his fine work, he was All-Interac and was the team's M.V.P., having 150 saves to his credit.

CROSS COUNTRY — Front row (L. to R.): Gottlieb, Briede, Smith, Botwick, Wallace, Strawn.
Back row: Alper, Warshaw, Garber, Bracken, Sokolof, Coach Emery.

CROSS COUNTRY

This year's Cross-Country team had a powerful reputation to live up to, succeeding last year's squad which placed second in the Interac league behind a potent Cheshire team. Coach Emery did not have too many returning lettermen from last year's powerful team and as a matter of fact there were only two varsity runners, Bill Bracken, this year's captain and Bob Garber.

The season started out with scrimmages against Loomis and Choate, both being rated in the top ten in New England. The Red Devils did a fairly good job against both of these schools, and though they lost, they did show coach Emery and their coming competitors of their potential. Those who did particularly well in these scrimmages were Bill Bracken, who led the team at Loomis and came in second against Choate. Paul Casey, an outstanding freshman harrier, was the first Red Devil to cross the line at Choate, while others who looked impressive were Greg Strawn, Ira Warshaw and Ken Sokoloff.

Our first league match now came against a rugged Laurel Crest team. From the beginning of the race to the end, the Milford men were always in the lead. When the meet was over, Milford gained a complete sweep. Bill Bracken again led the way to victory, with Ira Warshaw close behind, followed by Ken Sokoloff. The next two who scored for Milford were Greg Strawn and Bob Garber.

Prep's toughest meet came against an undefeated Southern Connecticut College freshman team. The course there was a long and winding one, being nothing like the Marooners had ever seen. With these drawbacks taken in hand, the Red Devils were still able to break in the ranks of the opposition. The scoring for the Academy began with Bill Bracken, followed by Ken Sokoloff, Ira Warshaw, Greg Strawn and Doug Sites.

Next victim for the Red Devils was Cornwall Academy, who had been boasting a 1-2 record in the league. The real competition, though, was against the Cornwall school record which was earlier broken by Cheshire's top harrier. The meet prove to be quite commendable for the Academy, who captured their second successive sweep. The first man

to cross the finish line was captain Bill Bracken, who set a new course record at a tremendous pace. Second in the meet was Ken Sokoloff, eight seconds off the old mark. Close behind them were Paul Casey, Greg Strawn, with Ira Warshaw ending the scoring punch for Milford. Prep now is boasting a 2-0 league record, going into its next league meet.

ST. THOMAS MORE

The Red Devils made it three straight in league competition when they defeated their toughest opponent they had met so far. It was the first time in a league match that Milford had not swept the first five places. Bracken, still our top harrier, came in escond with Skoloff right behind him. Warshaw was next to score coming in fifth place and Casey followed him in the sixth position. The last to score for Milford was Strawn, ending our mighty scoring punch and to win the meet by a 13 point margin.

INTERAC INVITATIONAL

The In terac Invitational was the next to the last meet of the season and probably the most important. All five teams sent their squads to run and there were well over fifty runners. With this rather big pack, Milford succeeded in putting five men in the first thirteen places. The Marooners opened their drive with Bill Bracken coming in fourth, followed by Sokoloff, and Casey. All three received medals for their fine efforts. The next to score for Milford was Warshaw pulling in the eight position followed by Greg Strawn in the 13th spot. Together the team won the invitational, beating its next closest rival by ten points.

CHESHIRE

Three days after the big important invitational win, the Marooners ran against the only other undefeated team in the league. Bill Bracken ran his finest race here, being a second off the course record and winning handily. Ken Sokoloff finished third and Paul Casey was fifth, four seconds behind him. Ira Warshaw and Greg Strawn finished up the scoring for Milford in fine fashion. This sowed the win up for the Prep harriers, ending the season with an undefeated record and the league championship.

BILL BRACKEN (Captain)

Average Mile 5:09

Though Bill is only a junior it was his second year as high scorer on the cross-country team. The two previous seasons Bill has made All-Interac and has been M.V.P. His biggest highlight of the season was breaking the Cornwall record. He will have an outstanding season as captain next year.

KEN SOKOLOFF

Average Mile 5:29

Ken, a senior this year, did a fine job for the "Red Devils." He made All-Interac by coming in fifth in the invitational meet. Ken could always be counted on for his consistent placing, never coming in lower than third in a league meet.

PAUL CASEY

Average Mile 5:36

Paul, an honor student at the Academy, did an amazing job for the "Red Devils" this season. Paul is the only freshman in the history of the league to ever make All-Interac. We are sure he will have even more success in his three years to come.

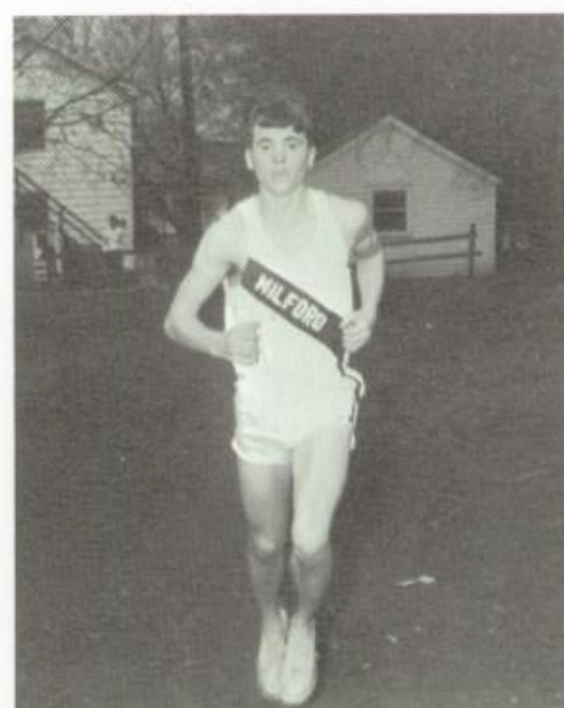

IRA WARSHAW

Average Mile 5:39

Ira did a fine job for the "Red Devils" this year being fourth man on the team. Ira, only a sophomore, ran many upper classmen into the dirt. His next two seasons should be more successful than this one.

1967 CROSS COUNTRY TEAM

GREG STRAWN

Average Mile 5:42

Greg, though being only fifth man, did an amazing job for us this season. Besides being a powerful runner, Greg helped to keep the spirits of the team high, by being the original "Chickin Man."

BASKETBALL TEAM — Front row (L. to R.): Rodock Cox, Tracy, Bush, Huckabee, Sanford. Back row: Kwiat, Roderick Cox, Mulhern, Minnesota Fats.

1966-67 BASKETBALL SEASON

We've had better records at the Academy but never a better team. Rodock Cox, Cliff Bush, Willie Sanford, Danny Lee, Dave Huckabee, Steve Tracy, Dave Longhi, Roderick Cox and Steve Kwiat played brilliantly considering the teams they played and the length of the schedule.

The players had some early difficulty adjusting to each others style of play but once they overcame this they were unstoppable, except against the likes of Yale who went undefeated.

The players themselves came to Milford with impressive credentials. Rodock Cox, an "All American" high school player was only second to Calvin Murphy in schoolboy basketball last year; Dave Huckabee was "All Massachusetts" and player of the week in the Greater Boston Area three times. Cliff Bush was "All-State" at Hillhouse High. Willie Sanford was captain of his high school team.

First team to feel our might was Sacred Heart University who fell 93-62. Rodock Cox hit for 33 and Bush for 26 in leading the "Red Devils" over the "Saints".

Milford High believed they had a ball club capable of staying with anyone. We were the first to prove them wrong. Final score: Milford Academy 123, Milford High 68. Cox again was high man with 40 while Sanford threw in 27. Milford High did not learn their lesson in the first game and came back for more. Needless to say we walked away with it and gave our "benches" a chance to see action, final count 118-56.

The final scrimmage was against Loomis in Hartford. Coach Cannelli turned his charges loose and they responded, Milford 110, Loomis 67.

In the season opener we were out to avenge last year's upset in the season final to Cornwall and revenge is always pleasant. This was the first of only two games to be played in our gym this season. The squad took advantage. Cornwall led by "All-Stater" Sam Provo was not to be taken too lightly. In fact we respected them so much we blasted them right out of the gym in the first half. To keep the score below 200 "Coach" put in his reserves and we took our showers with the scoreboard reading 100 to 70. However, Sam Provo put on a show scoring 42 points but Rodock and Cliff Bush were the game stars with their dribbling and fine passing. Rodock scored 28 and pulled down 18 rebounds.

1967 BASKETBALL TEAM

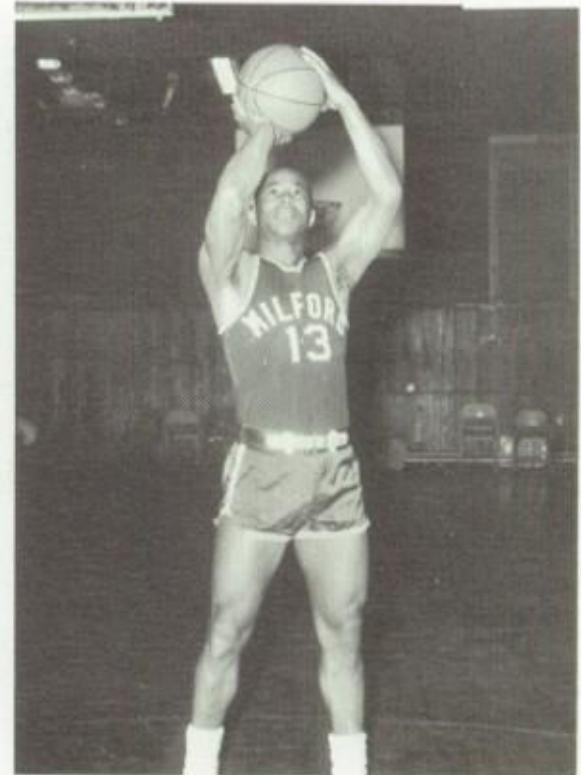

RODOCK COX
Average 20

Rowe, known as the "Jumping Jack from Bridgeport," was the outstanding player of this year's team. Last year an All-American, he was considered second only to Calvin Murphy. This year for the "Red Devils" Rowe made All-Interac and was compared to the best in the state. Adding to his many honors was All-Tournament, and we are sure he will be a big threat to the teams that play Western Kentucky next year.

WILL SANFORD
Average 10

Will came to the Academy after three years of intense basketball at Fitch High School. In his last year there, he was captain. While playing for the "Red Devils" he made All-Tournament in the New England and Eastern Seaboard tournament. His highest game of the year was a big 33 in the championship game against Kingswood.

CLIFF BUSH
Average 14

Cliff, an All-Stater from Connecticut, was one of the razzle dazzle guards of this year's "Red Devils." He made the All-Interac squad, his jumping feats having helped him accomplish this position. Standing only 5'9", Cliff can dunk the ball any time he pleases and any way he wants.

As always St. Thomas More had another powerhouse and several all-state selections filled their roster. The game was close to the end. With Rodock playing with four fouls and Bush also in foul trouble Milford had to play it carefully and the "More Men" pulled it out with some excellent shooting from Phil Yehring and Bill Agnew. Milford had it's first taste of defeat and the students their first taste of disbelief.

Next on the schedule was the Southern Connecticut Frosh who were considered the underdogs. Perhaps our team hadn't gotten over the shock of dropping a game; whatever the cause, the team made many mistakes and paid for them. In one stretch we made 12 consecutive turnovers and many thought that Coach Cannelli would have to be carried out. Southern took advantage of all the mistakes and copped a 67-66 win. Bush was the high man with 18 points and 13 rebounds.

The "Red Devils" had a week off in which to prepare for the biggest tournament in Connecticut, "The Kingswood Tournament." Each year at Christmas time the Kingswood School selects the best Prep teams in the East to play in their tournament. We drew the Westminster School as our first opponent. The game opened as a closely fought battle, but many of our players had previous tournament experience and this paid off. Milford left the court victorious with a forty point spread. The game ending 91-53.

Williston Academy from Massachusetts also felt the wrath of Milford's great basketball team and although they played gamely lost by the score of 103-63. Cox and Sanford had hot hands with 36 and 28 points respectively.

In the final game of the tournament two great teams were to meet. Only one could be the victor and carry home the coveted "Kingswood Tourney Trophy". Ironically the team we had to face was Kingswood who had been the Nationwide Prep school champions for the past three years. Cox and Kingswood's 6' 10" Center had it out under the boards while Bush did most of the scoring. The half ended with both teams deadlocked at 40-40. A crowd of more than 2,000, were not about to leave. When the two teams returned for the second half we were as hot as we had been all year but Kingswood matched us basket for basket. At the final buzzer the teams were still even. We were now in a five minute overtime. The partisan Kingswood fans were wild with enthusiasm while most Milford students were at home enjoying one of their longer vacations. Lack of moral support might have played a part in our defeat. The end came slowly and dramatically. With 25 seconds left Huckabee shot and Kingswood rebounded. Collins of Kingswood then sunk a thirty footer and the Kingswood fans went beserk. No one will forget the effort the team put into this game and individually Cox and Sanford were named to the tournament "All Star Team."

DANNY LEE

Average 12

A 6'8" product of Milford Academy, Danny is a sophomore with potential. He was selected as the outstanding player of Connecticut to play on a national team, on a European tour. Danny was also All-Interac which is considered the toughest basketball league in the East. His high for the year was 34 against a strong Cheshire team.

STEVE TRACY

Average 8

Steve, a defensive specialist from Derby, gave the team the extra-push to be "Interac Champs." His brilliance on defense held All-Staters from five schools to less than 48 points. Against a gallant Windsor Mountain team, Steve achieved his high for the season with 17.

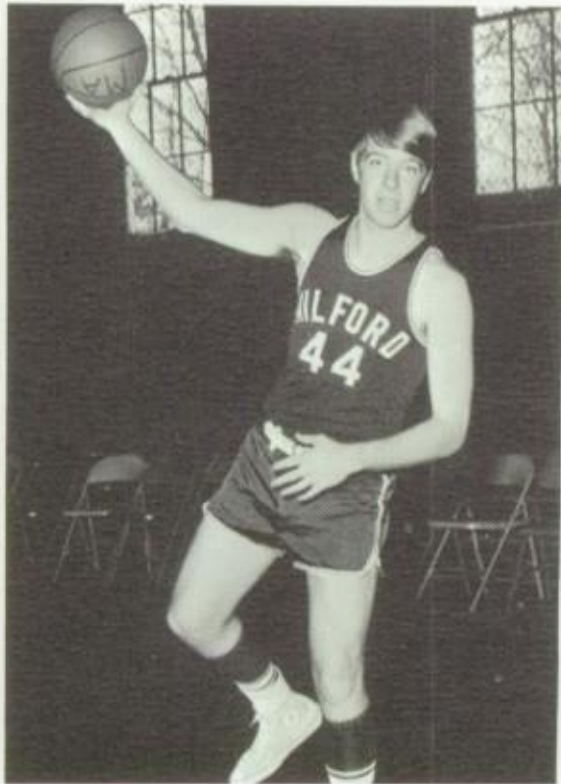

RODERICK COX

Average 9

Rod, a New Haven player of prominence, was an asset to the Academy this year. His fancy dribbling and sharp passing had foiled many defenses. His high this year was 19 against a competitive Laurel Crest team.

BOB HUCKABEE

Average 12

Bob is a flashy All-Stater from Eastern Massachusetts who did much to aid the team to number one standing in New England. His high this season was against a good Saint Thomas More team, where Bob scored 23 points. We are sure his twenty foot jump shots will be well accepted at the University of Tennessee.

STEVE KWAIT

Average 5

Steve was a guard on this year's basketball team. He is a product of the Paterson high school ball club. For the Academy he was always used in our zone defense. His high for the year was 10 points against a game Loomis team. He hopes to play ball for Boston University next year.

DAVE LONGHI

Average 7

Dave, a 6'5" forward from last year's successful team, started this year in his championship form. Because of sickness and injuries he missed most of the season and was not able to play many games. His high was against Cornwall, hitting for 19.

Here "ya" go Dave!

A. J. MULHERN

"Hern" played a big part in the Academy's tremendous victory stretch. His terrific hustle and spirit compensated for his lack of size. A. J. would always bring a roar from the crowd when he'd sink two points and we hope to see him on the squad when he returns next season.

You'll never get it.

What's the hurry!

Nice form, Cliff.

After a tiring weekend in Hartford, Milford had to oppose a quick Laurel Crest team who relied on the fast break. This hurt us being the team was tired and could not keep up with the swift cagers of Laurel Crest and we dropped the contest 60-56. With Lee and Longhi doing a job under the boards we were able to stay under the game.

After two years and three consecutive losses to St. Thomas More, in the all important Interac league game, Milford rebounded and shot its way to a close 62-60 win. Again it was the rebounding of Longhi and Lee and the dribbling and shooting of Cox, Bush and Huckabee that sparked the team. Cox was high man with 28 and 16 rebounds.

The Bridgeport Frosh game was a stereotype of the Southern Connecticut game. The team played poorly and was just too over confident. Cox managed to put on an exhibition for his home town folks scoring 22, rebounding 15 and even dribbling with his "knees" through two guards.

The tide turned, the team jelled and we won eight in a row starting with the New Haven Junior Varsity game. This was our second and last game in our "gym" and the boys played like pros. New Haven couldn't stop us and we stopped them cold. Cox out-jumped their 6' 10" center and gave us the overhead-two-handed-double-pump-stuff shot. Result: Milford 93, New Haven College 62.

Cheshire Academy usually has the last say over us in basketball but this year we stunned them by taking both wins home with us. Cheshire, led by Lou Glazer and Leonard Simpson, an old "stoler", from Washington, D.C., jumped off to an early lead that held for three quarters, but a basketball game is played in four quarters and we went ahead on 12 straight points from Bush and Cox. Milford copped another Interac League victory and we were now in first place.

We had a simple solution for the speed of Laurel Crest, Coach Cannelli used a man-to-man defense and the offense played a deliberate game. The cagers outshot and outrebounded the "Boys from Bristol." The final score was 82-70, quite a different story from the first game, another Interac win.

The squad made a long trip to Windsor Mt. in Massachusetts to play an outmanned team. Cox scored 30, Bush 20 and Huckabee and Lee 14 apiece. Milford 98, Windsor Mt. 57. Another good day for the boys from M.A.

A.S.D. played gamely but our reserves saw all the action. This time Roderick Cox put on his show, 22 points and a lot of fancy dribbling. Final score 93-48.

The big home win.

The Alumni game was a game of laughs. They had the incentive, we had the power, outcome 99-68. Everyone enjoyed the game, especially the fans.

Cheshire Academy played brilliantly making this game one of the most exciting of the season. Glazer and Stefhenson did the shooting and rebounding for Cheshire while Huck, Lee, Cox and Bush rolled on offense and the "Tracer" haunted them with his offense. The game was decided in the final seconds. Leading 61-60 Milford fouled, Cheshire had two shots, missed both and Lee rebounded, passed to Cox and he froze it. We were now one step closer to the championship.

To the dismay of the Choate fans, Milford put on one of their "Globetrotter" shows and ran over the smaller Choate squad. Cox rebounded and dunked his way to 28 points and the admiration of all.

Next game on the agenda, was against the undefeated Yale Frosh who are considered the best Frosh team in the East. The game was the prelude to the Harvard-Yale game. Consequently there was a S.R.O. crowd. We were winning by ten through the first half but after changing to a man-to-man defense we lost 81-74. This was definitely an excellent showing by the team and the crowd gave them a tremendous ovation when they left the court.

Cornwall was a must win for us to take the league crown and win we did. Cox drilled their nets for 18, Bush 20 and Lee did the board work. Final score was Milford 80, Cornwall 64.

And now for the impossible! Can we beat the All-Stars? The game was played at Cheshire's field house before 1500 people plus numerous college scouts. The All-Stars started like a ball of fire but were soon stopped by the scoring of Cox and Bush. At the half we trailed by one point. The second half was fast and furious, but the bench of the "All-Stars" prevailed and down we went 82-80. Cox and Bush were fantastic with 31 and 18 points respectively, this was a real team effort.

The season was a bright one. Most of the players received scholarships. Coach Cannelli counted a few new grey hairs. At the banquet he said it was the finest team he had ever coached, even better than his '64 squad. One cannot write in a single article how much this team has achieved and the prestige it has gained for the school. We can only conclude by saying they played with spirit, with determination, and with intent. We have witnessed a showing of greatness and now only the records stand to prove it.

MORE WHERE
THAT CAME FROM!!*

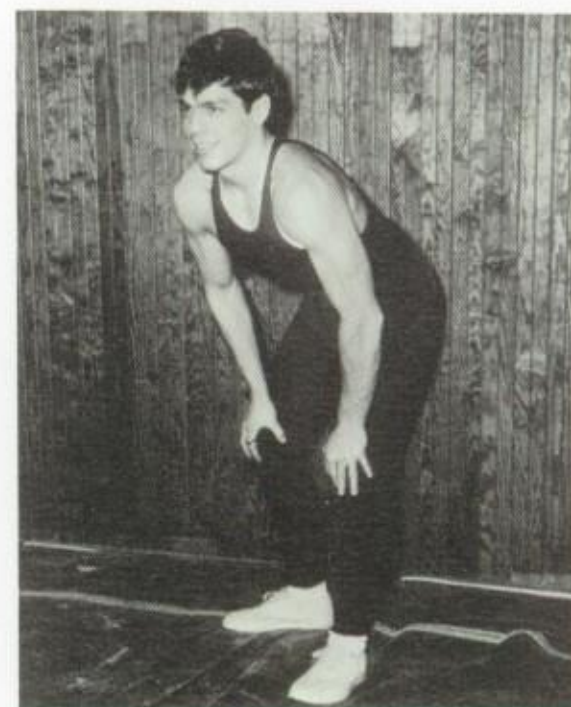

WRESTLING TEAM — Front row (L. to R.): Hyman, Banta, Ney, Breunig, Ambrogi, Gerlach, Tedford. Back row: Landin, MacKenzie, Hamilton, Jolis, Jackson, Retchin.

WRESTLING TEAM

This year's team had a difficult time of it but still pulled through with a respectable season. First there was trouble with the coach, he couldn't make it to practice everyday and sometimes the boys had to go it alone. Secondly we were scheduled way over our heads with schools like Staples and Rippowam.

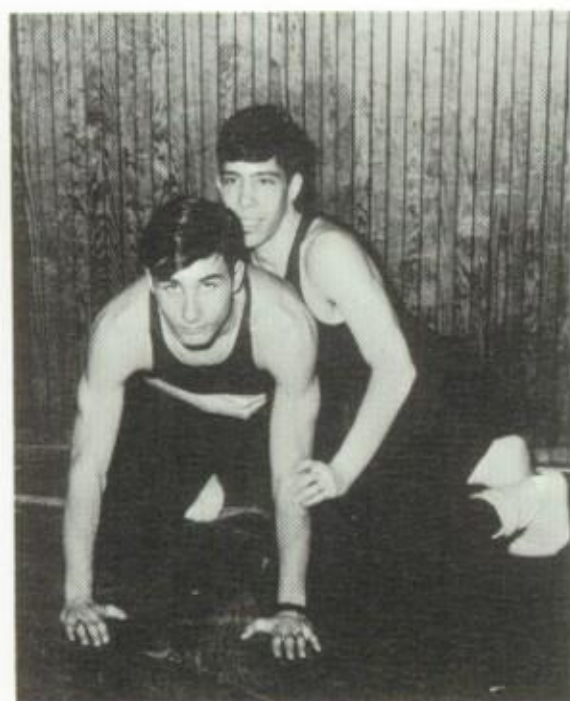

Even through all of this there managed to be a few bright spots, such as Ambrogi's season and Ney and Gerlach faired well themselves. Still we are sure that the men on the team all benefited from the season one way or another. Maybe getting a little tougher or just learning to be a good loser, which is equally as important.

We of the Typhoon tip our hats to the members of the team for their hard work and the courage they displayed, never giving up or dogging it. Congratulations for a job well done.

ALBIE AMBROGI

Albie, who captained his undefeated high school team in Long Island last year, was one of the more successful grapplers on Milford's team this year. His record was 9-2 but he went against some of the top men in the state. Albie was a fine sportsman and an equally fine wrestler. We are sure he will hold his own for whatever college he works for next year.

Captains Gerlach and Ney.

STEVE TRACY

Steve holds down the centerfield position and currently possesses a .386 batting average including two roundtrippers. Tracy was a standout for Derby High in his junior and senior years. He has played on many all-star teams so he knows what it takes to be a winner and he says this year's team has got it.

BOB HUCKABEE

Bob was an All-City player last year for the greater Boston area and has given the team some extra punch. He is a very versatile player, he can be used at any one of the infield positions. Maybe one of the more important traits Bob possesses is the ability to keep the team loose with his wisecracks and old jokes.

RICHIE DICKINSON

Rich, an All-Stater from Milford High last year has proven himself to be the team leader and most ardent fan of the new field. His hitting and clutch plays at short have saved quite a few ball games for us already. His average is a fat .435 and has yet to commit an error thus far.

Rich, we are sure, will be an outstanding college player and we hope he can meet his goal of playing in the pro ranks eventually.

BASEBALL

This year's squad looks like it could take everything. The team is strong at every position except third. The players themselves have had quite a number of major league feelers, 5 out of the starting nine. The boys seem to be playing well together and with only one exception the coach hasn't had any trouble. Everyone was looking forward to watching Bush play but a foolish incident ruined that.

The success of the team so far has been made possible only by the effort the team has made but Richie Dickinson seems to be carrying the big stick.

Pitching chores are left up to Sanford and Tracy who like to show their stuff. Their combined e.r.a. is 2.03.

If the team continues to handle the teams in the future as they did the ones already beaten we've got another trophy for the case.

BILL SANFORD

Wonderful Willie is the ace of the mound staff this year. In his first outing he fanned 13 and gave up only 3 hits. His record at present is unblemished and we hope it stays that way.

MIKE INJAYCHOCK

It seems that Mike has developed into an all around athlete. He is the backstop on this season's nine. He carries the big stick and with one clean swipe he can send the ball into orbit. We are sure that the Chocker will continue his interests in our national pastime at Yale next year.

CHUCK STONE

Back from last year's varsity, the big first baseman, sometimes pitcher, had feelers from the Pittsburgh Pirates last year along with Seth Wibling. Chuck thinks he'll stay with the club this year and forget about softball.

TRACK — Front row (L. to R.): Aarons, Rubenstein, Gottlieb, Sites, Boylan, Garber, Williams J., Macura, Sokoloff, Borwick. Back row: Wallach, McGovern T., McGovern J., Jaquith, Bush, Casey, Landin, Nehrbas, Briede, Seidman, Miller, Henkin, Gerlach, Wolf, Schwab.

TRACK

The 1967 Track Team was the most powerful in the history of the sport at the Academy. Under the constant supervision and careful eye of Coach Emery, it is doubtful that any of the athletes will be less than par. The team is capably led by co-captains Herb Henken and Ken Sokoloff. Herb, is a state known figure in both track and football, and is looking forward to his second successful season. Ken, a distance runner of prominence, is certain to have success for the third consecutive year as one of the major scorers.

Another able member of the track team is Greg Miller, a javelin thrower of prominence. Greg is sure to hit 200 feet. A great asset to the team is All Imbiac Mike Dehm, who will also be trying for the big 200. In the weight divisions is Charles O'Mara, who will be after the school record. Gil Wallach will be a big hopeful in the discus, while John Seymour will be a good back up man.

In the jumping events is Omar Chamma who will be after the state record in the hop, step and jump. The leading broad jumper is Larry Seidman who will be going for 20 feet. In the high jump will be a newcomer, Peter Nehrbas, with Peter Landin as his backup man.

BILL BRACKEN

Bill, Milford's Jim Ryun, after setting records all over Connecticut in cross country is now breaking a few in track. He missed the first three meets but came back to cop a first in the two mile against Cheshire after only one day of practice. His goal is to get under the 10 minute mark and we're sure he will.

GREGG MILLER

Jowels, aside from being able to throw the bull with the best of them is our star Javelin heaver. He's taken first in every meet so far with his best effort of 174 feet falling a few feet short. After all is said and done, Gregg is an important point producer and one of Mr. Emery's finest.

DENNIS MACURA

Mac, who started out this season as a pacer for Casey has now begun to breathe down his back. Dennis is only a junior so we expect big things of him next year.

KEN SOKOLOF

Ken, one of the co-captains this year, has started off by winning five races in just four meets. We wish him luck on Ohio Wesleyan's track team next year.

Captains Sokoloff and Henkin, Coach Emery.

HERB HENKEN

Herb ran into a little trouble while practicing his pole vaulting form, he broke his arm. His presence will sorely be missed, because he is co-captain and quite able in the shot put. In the first meet he broke the school record and ran anchor man on the relay team.

The sprinters will be led by co-captain Herb Henken, who is one of the Prep school leaders in the 220. Other sprinters on the team are Laverne Gaskin and Ray Roberts. Both are capable of under ten seconds in the hundred yard dash.

The distance and middle distance runners will be led by co-captain Ken Sokoloff who will be hoping to break the school record. In the mile is the capable Freshman Paul Casey who will be striving for a low four minute mile. Bill Bracken should be breaking all records in the two mile.

The "Red Devils" have a long hard season ahead of them, but with the potential of the team, and the leadership of Sokoloff and Henken, it should be a successful year, especially under the careful eye of Coach Emery and Assistant Coach Cannelli.

CLIFF BUSH

Cliff, a mainstay on this year's basketball team fell into Coach Emery's hands quite accidentally, but the coach holds the hopes of a successful season. He has already broken the school record in the high jump with a leap of 6' 3", but that is why he's called squirrel. He's jumped over 20 feet in the broad jump and can run the hundred under 10 when asked to. It can easily be said that Cliff is the epitome of the natural athlete.

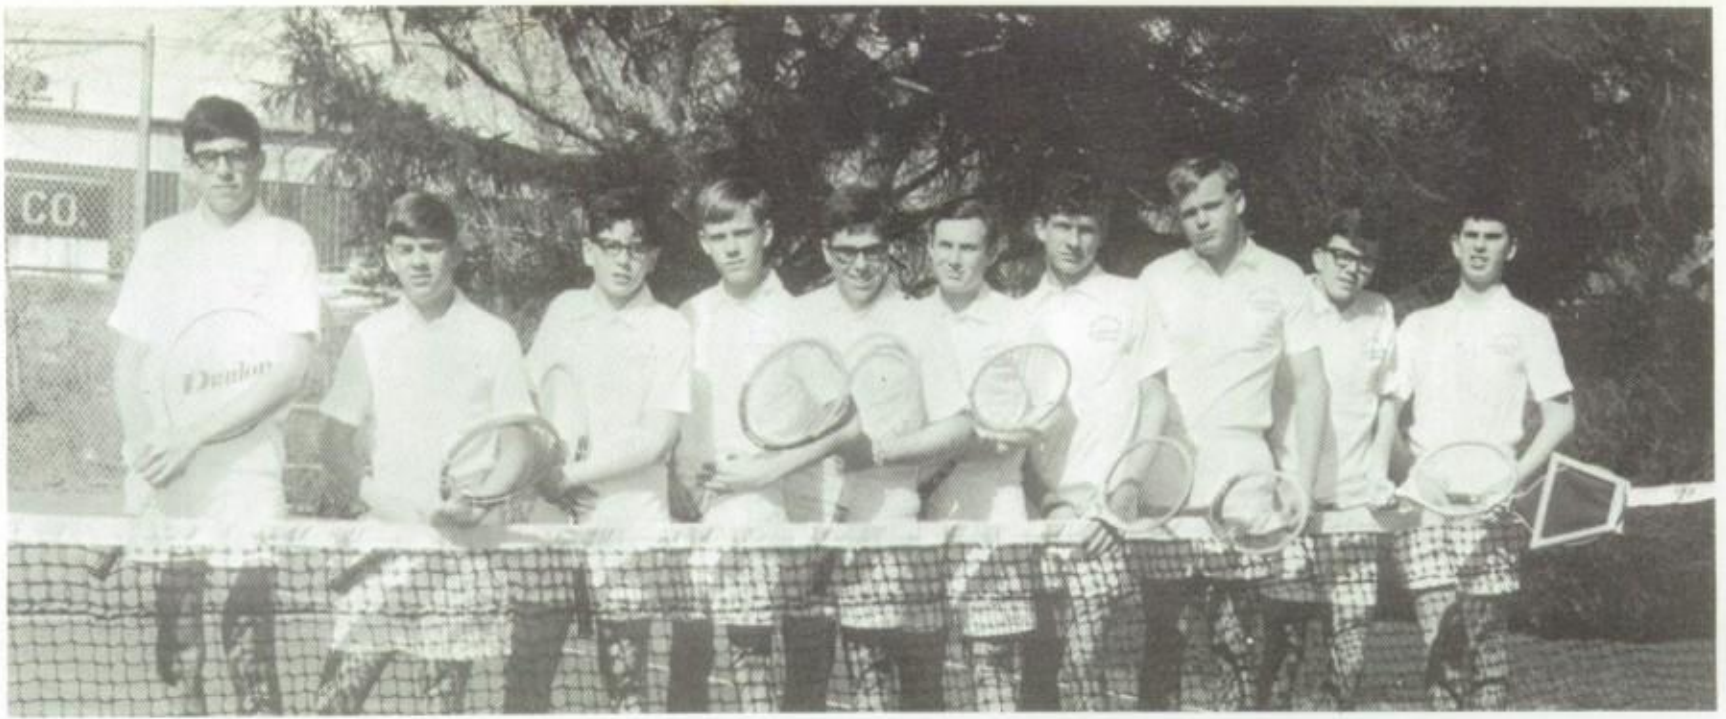

PAUL CASEY

Case, the outstanding distance runner on this year's team, is coming close to school records in the mile and two mile runs. Paul is only a freshman and being fifth highest scorer on the team is an accomplishment. Good luck in the ensuing years at the Academy, Paul.

PETE NEHRBAS

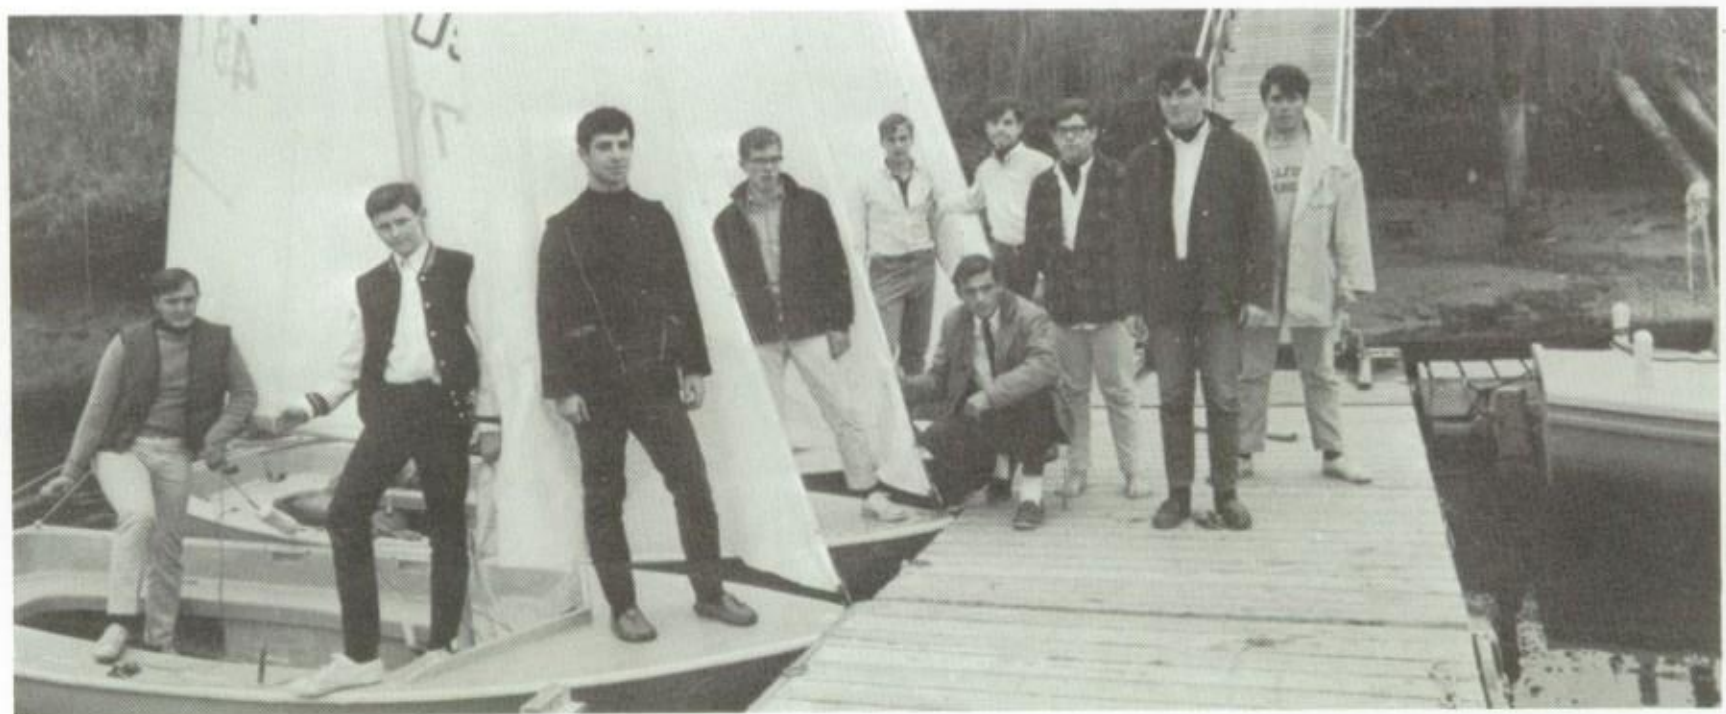

With half of the season over already it's pretty easy to pick out next year's hopes and Pete is among them. He is strictly a high jumper and he has cleared 5'9". We are quite sure he will clear the big 6 next season for trackmen.

TENNIS TEAM

Milford Academy has finally fielded a powerful tennis team, one that is to be reckoned with. The team has already defeated Johnathon Law High School, Milford High and Cornwall Academy twice.

Led by Steve Kwiat and Charle Fiala Coach Downey feels he has the Interac trophy in his cabinet already.

A great deal of credit is to be handed to these boys, some of them spent a good deal of their spring vacation rolling and lining the courts.

Anyone who has seen these boys play can safely say that they will stand up to anyone who cares to try.

GOLF

As the 1967 Golf team takes shape, it shows a great deal of promise for a successful season. The team got off to a slow start though by losing it's first match with Hillhouse High by the score of 4-3. The next one with Cheshire proved equally fatal and the Milford duffers lost by the same score as the Hillhouse match. As the team continues into its season and each member keeps lowering his score, we can be sure of future victory.

SAILING TEAM

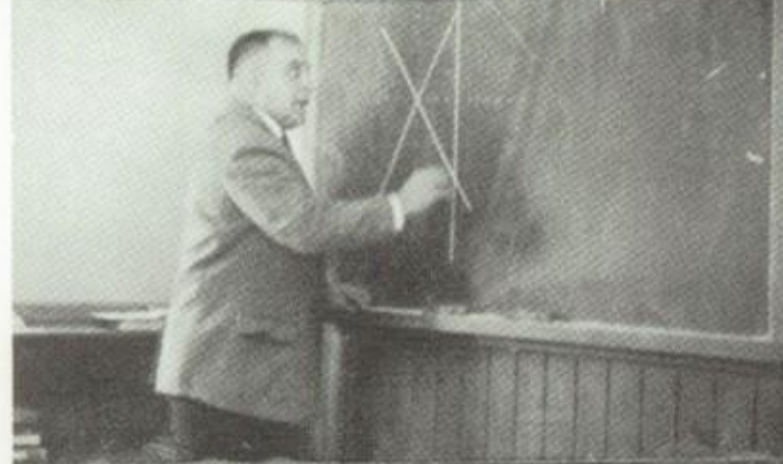

Sailing, another new activity had meets last fall and this spring. Under the able direction of Mr. George Squibb, the sailors have been getting in as much practice as possible. However inclement weather conditions have made this difficult.

The starting skippers for this spring's sailing team were Ken Ward, John Volpe, Sam Lust and Dan Jackson.

The team had two meets last fall against Laurel Crest and has several meets this spring, including one against Yale Freshmen.
